While we felt the restraint of our parents' values,
.....be in by one.....
.....get your hair cut.....
.....P.E. is important.....

We faced adult decisions
.....friends.....
.....jobs.....
.....colleges.....

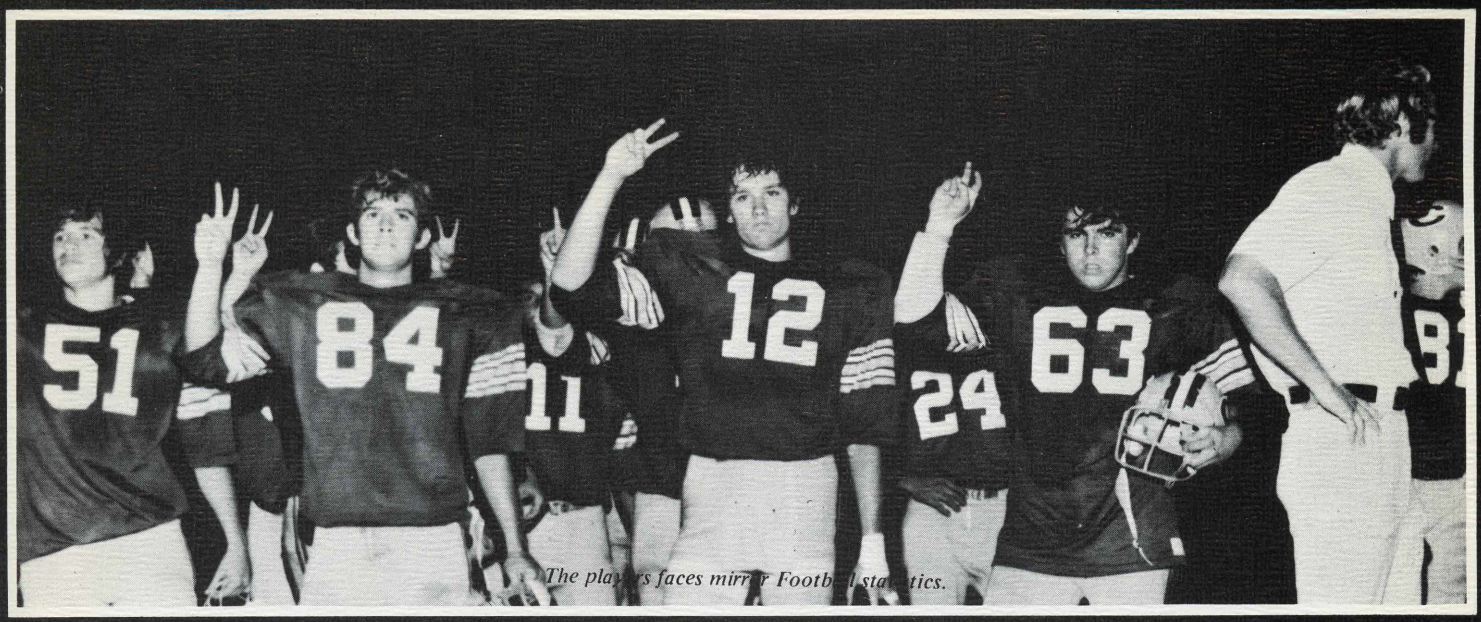

And though our values were changed, our morals tested, our car keys taken away, we found maturity in experiencing a part of both worlds.

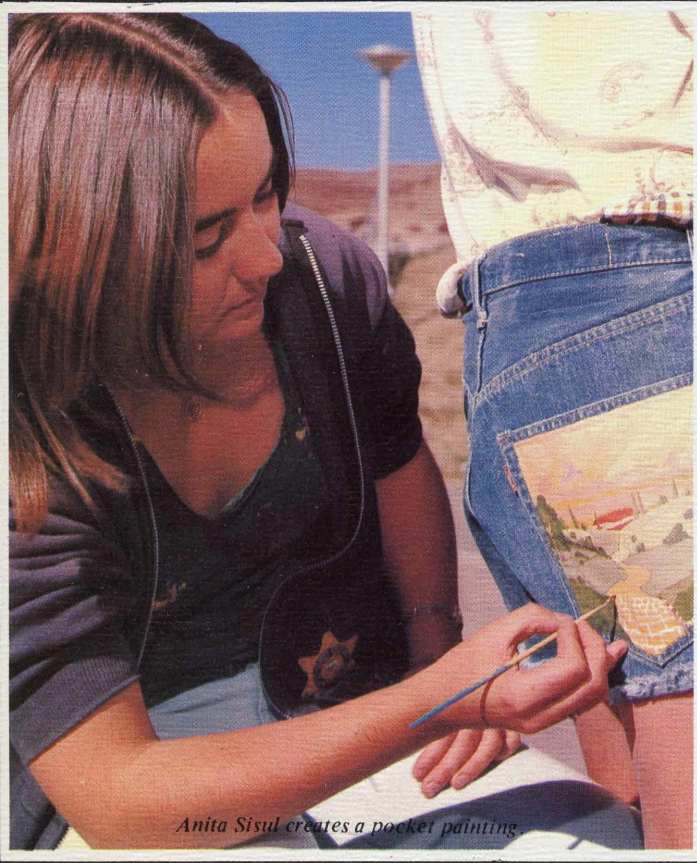

Remembering back, the faces we saw were never as frightening as we once thought. For though some came strangers, uncertain, we ended together relaxed and sure. And now we start another road that leads us away and begins in parting.

CURRICULUM

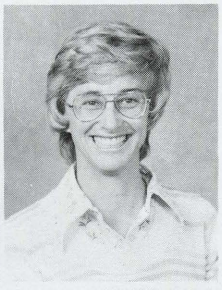

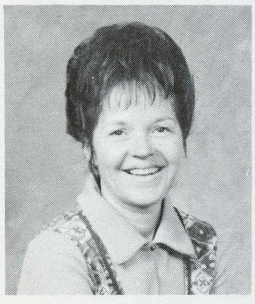

perhaps being able to get along with others and working well in a group is the very essence of becoming an individual.

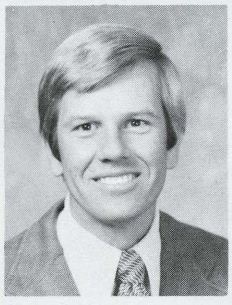

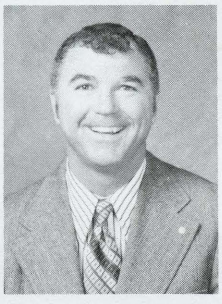

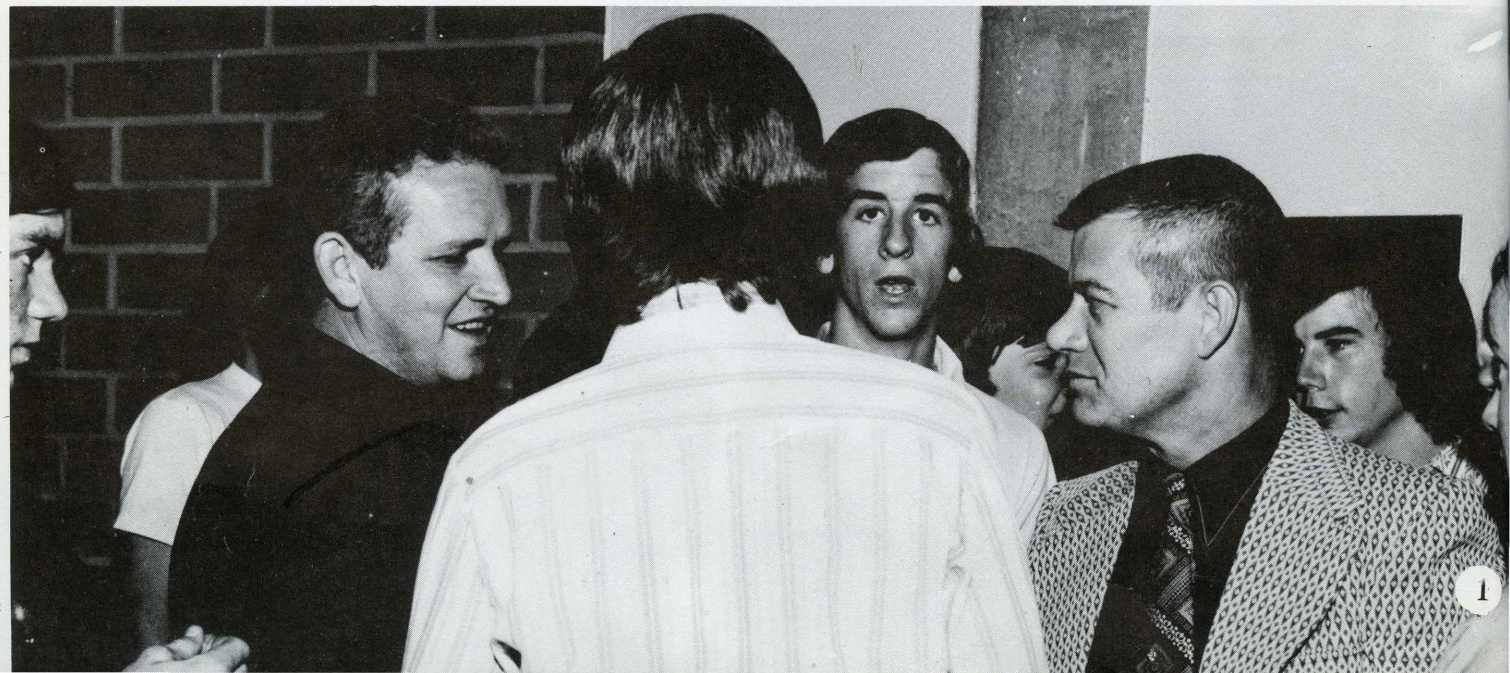

Mrs. Jaque DeFilippo, Mr. Robert Donahoe, Mr. Donald Jerry, Dr. Mary Morris, Mrs. Rose Romeka, Mr. John Schirmer, Mr. William White.

Teachers Convention Held At Santa Barbara

Enthusiasm was boosted this year, when the faculty got together for a two day learning experience. The staff went to Francisco Torres, a convention center on the beaches of Santa Barbara. The basis for the conference was to give the teachers some helpful techniques in teaching.

Alot more interest was taken with Canyon's scheduale this year. Many teacher conferences were held to discuss this subject. There was alot of enthusiasm at all the meetings, and alot was accomplished.

Added to the administration staff this year was Mrs. Jaque De Filippo, Girls Supervisor. Mr. Robert Donohue left his counseling position and became Boy's Supervisor.

1. Students discuss the moto - cross race with Mr. Jerry. 2. Teachers talk informally before a teacher's meeting. 3. Mr. Jerry, Dr. Morris and Mrs. DeFilippo listen to a discussion in a board meeting. 4. Mr. Jerry gives his opening speech at the Senior Awards Assembly.

Counseling Staff Increases In Size

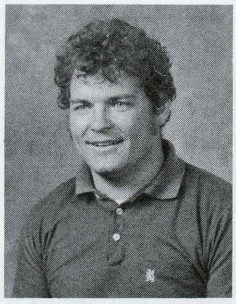

Many changes evolved in the Counseling department last year. Mrs. Hall and Mr. Weber were added as full-time counselors. Under the new direction of Mr. Headley, the department switched to grade level counseling. Grade level counseling enabled the counselors to deal with students on a personal basis while following them through their four high school years. Dealing with students on a personal basis, however, was difficult with each counselor having a 350 student load, and constant paperwork.

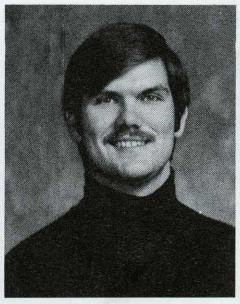

Last year over 700 students took the Armed Services Vocational Aptitude Battery test.

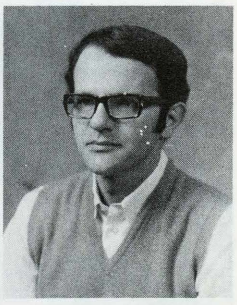

Judy Bellomo, Jean Hackney, Karen Hall, Jay Headley, Floyd Smith, Bob Weber.

1. Mr. Headley stresses the need for a high school diploma. 2. Junior Counselor, Mr. Smith, checks over Jim Heman's schedule. 3. Mrs. Bellomo points out necessary graduation requirements to an eager counselee. 4. Senior Counselor, Mrs. Hackney, tries to handle the problems of a student and a worried parent at the same time.

Secretaries Receive a New Data Machine

The new Data Processing machine was a welcomed addition to the principal's secretaries. This machine enabled the secretaries to listen to recorded dictations at the mere touch of a button. Also a newcomer was Mrs. Smith, the financial secretary who's duties included keeping records of purchase orders, bank accounts and figuring out the budget for each department.

This year we lost Mrs. Baldwin, the dean's secretary, to Bowman High. However we gained Mrs. Richards as a result. Our attendance secretaries Mrs. Schulte and Mrs. Sissoon held the line at the attendance window and their signatures could mean the difference between pardon and detention.

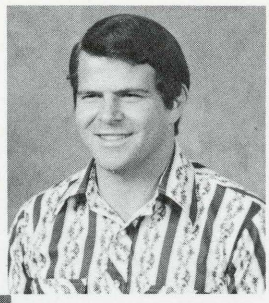

Because of these industrious ladies in the office our school was still as organized as could be expected.

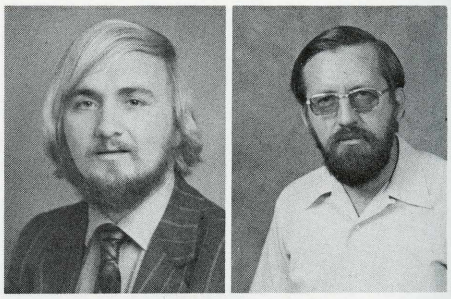

Secretaries: Ava Smith, financial secretary; Jean Sisson, attendance secretary; Carol Moreland, counseling secretary; Margaret Partridge, registar secretary; Geraldine Maurovich, corresponding secretary; Lupe Murillo, Data Processing Schedule; Jeanne Schick, principal's and vice principal's secretary; Virginia Garland, library secretary; Mary Richards, Dean's secretary; Diana Schulte, attendance secretary.

Aides: Lynn Acevedo, math department; Jeanette Ambrose, Business department; Carolyn Boe, Business department; Rick Deising, Campus Supervision; Vickie Goudey, Health office; Jeff Hall, Doreen Hanson, Business department; Sandy Latiolait, Math department; Catherine Reeves, Science department; Betty Rockwell, English department; Jane Vroom, office; Del Yeles, History department.

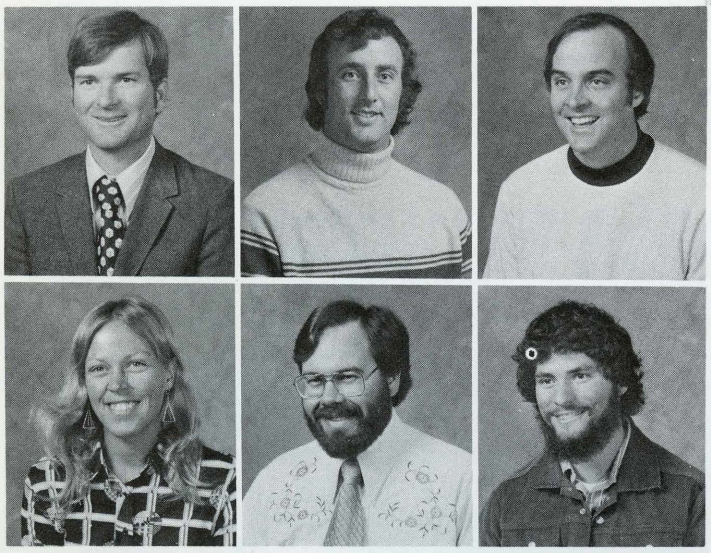

Secretaries: left to right, Ava Smith, Jean Sisson, Carol Moreland, Margaret Partridge, Geraldine Maurovich, Lupe Murillo, Jeanne Schick, Virginia Garland, Mary Richards, Diana Schulte. 2. Mrs. Reeves assists Bev Brown on processing her Data for an experiment. 3. Mrs. Moreland takes a message for Mr. Headley. 4. Mrs. Sisson trip to do her thing, their way.

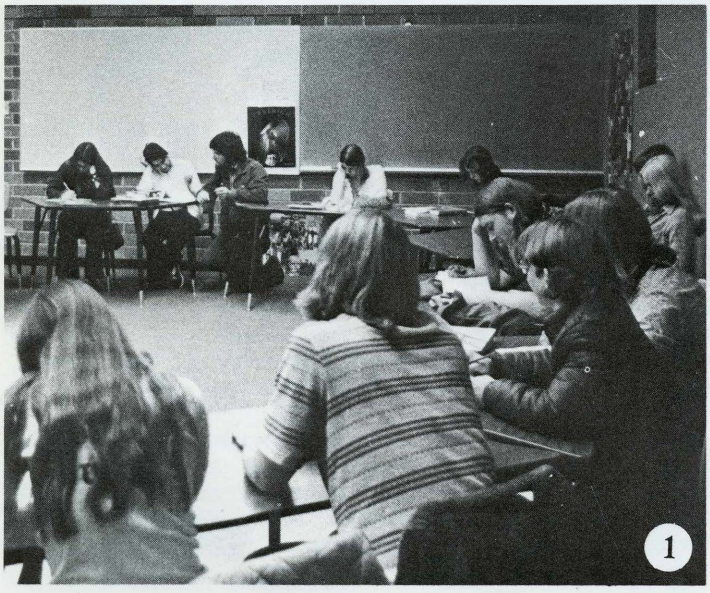

2

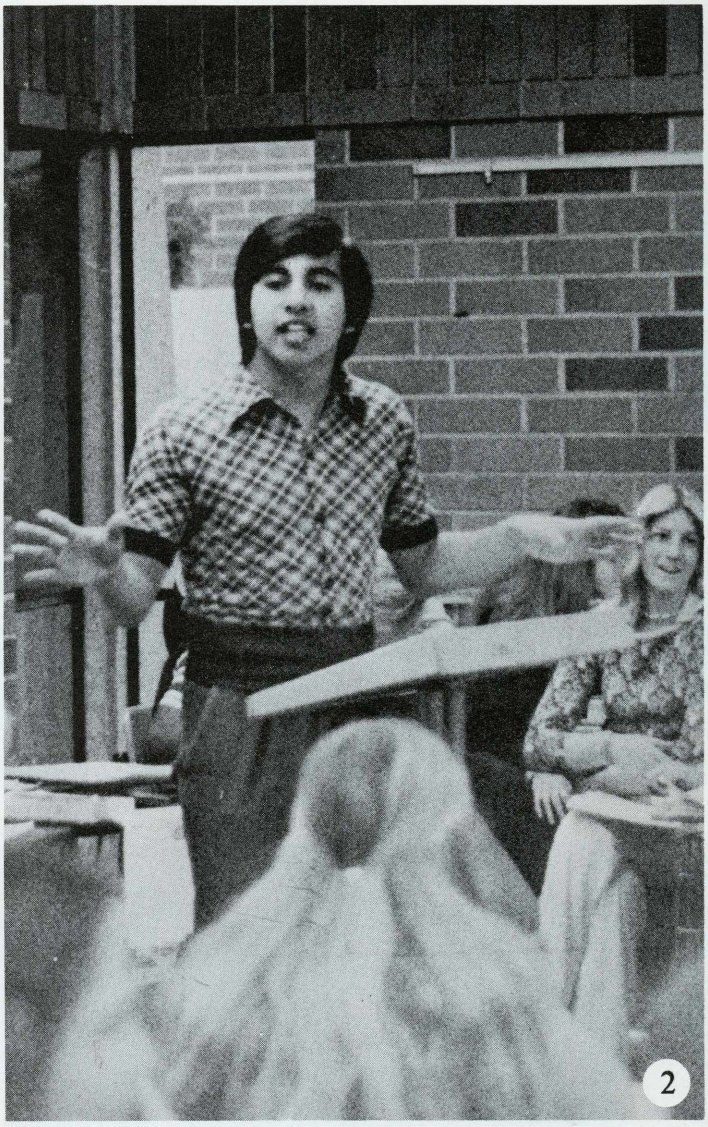

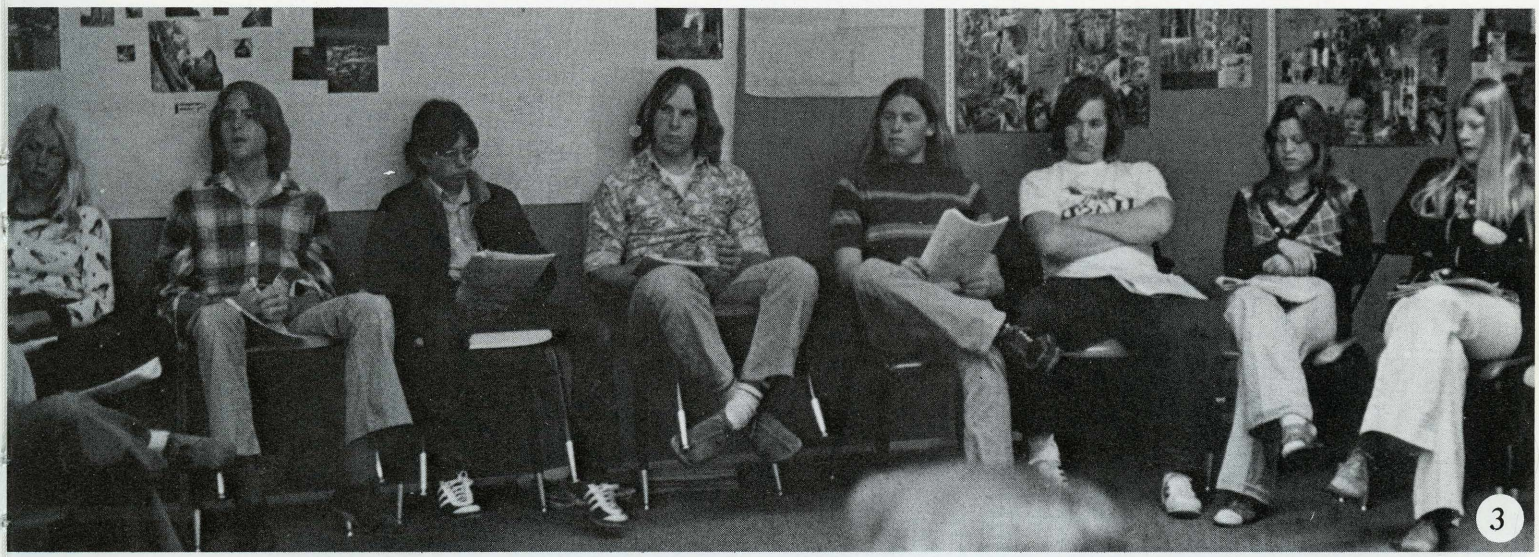

David Albert, John Hollick, Ben Kerr, Dennis Lynch, Gary Mast, Robert Rosene, Mary Shively, Joe Soler, Jeff Weiss.

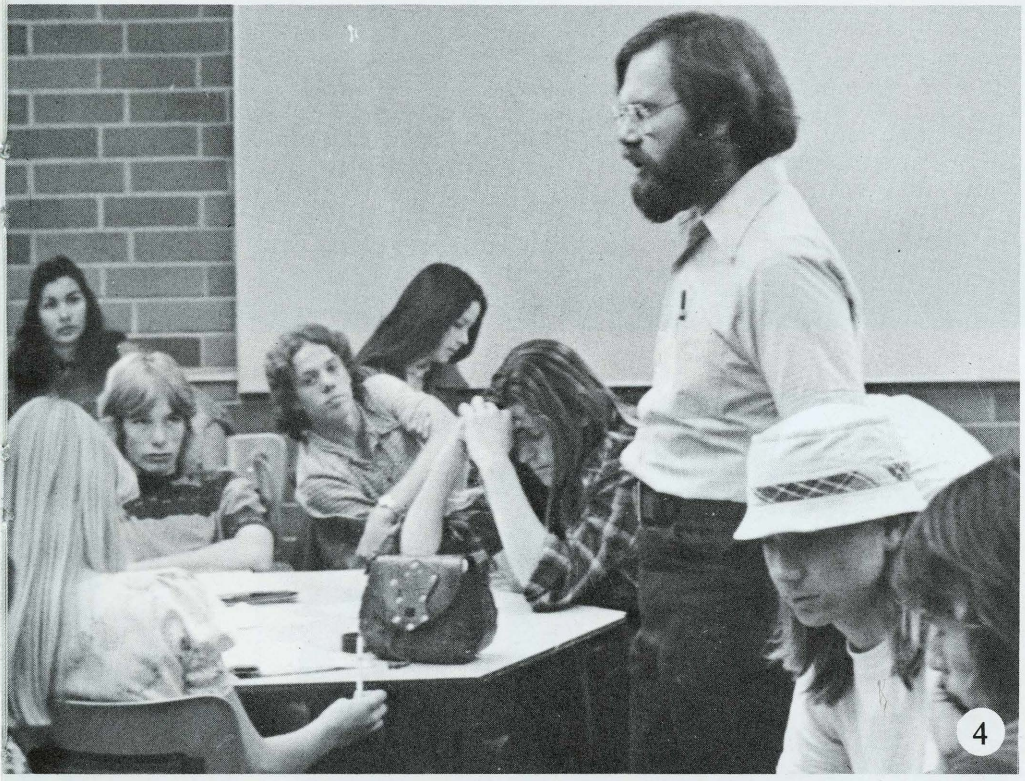

History Looks Toward The Future

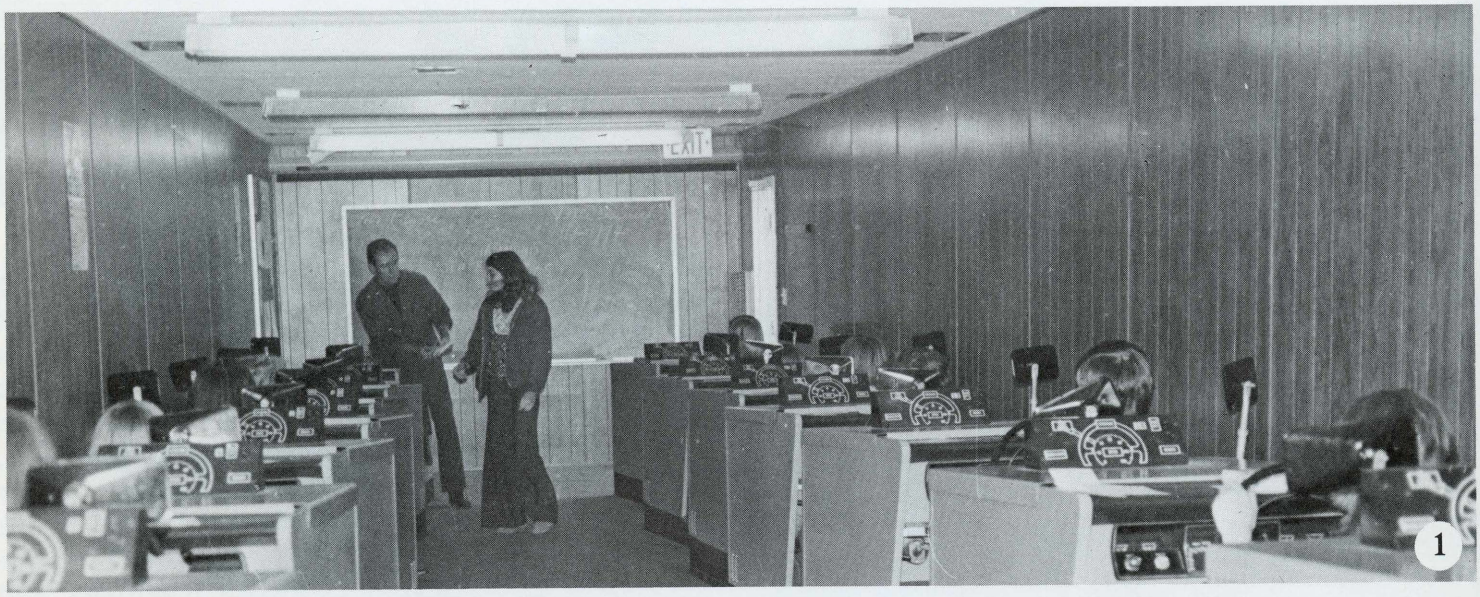

Future Society class shocked students into realization of potential future environments when the computer became their dictator. This new course offered a variety of projects. One was to decipher a new language called " Future Speak Another assignment was to invent different machines and conviences for the city of Technopolis.

Mock Senate has become traditional in Goverment classes Students select a controversial bill to pass, while another student attempts to prevent it's passage. Capital punishment, offshore drilling, and an all volunteer army were debated.

1. Mr. Weiss offers individualized aid. 2. Jim Alverez debating his issue in Mock Senate. 3. Mr. Weiss' class kicks back for an informal lecture. 4. Mr. Soler discusses the Freudian slip.

Driver's Ed Rolls On

4

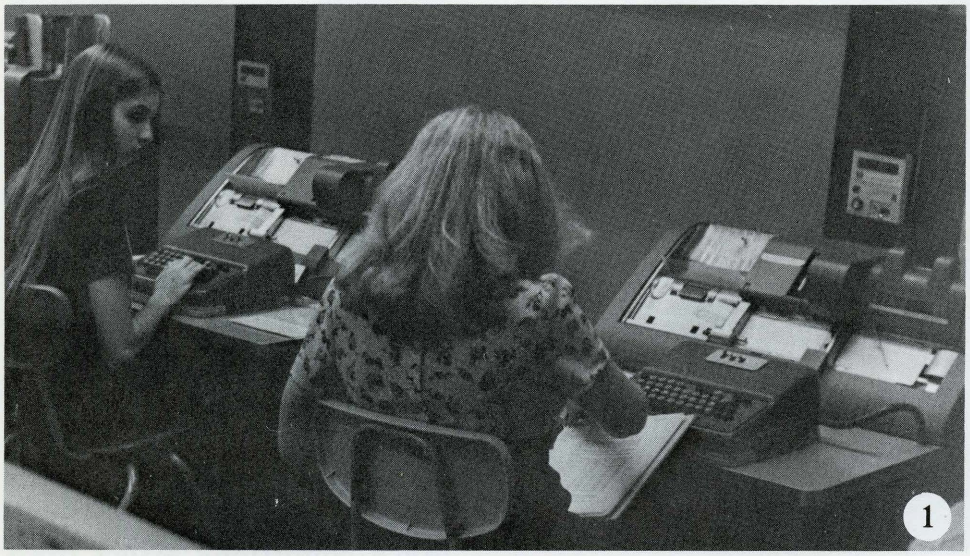

This year the Health and Drivers Ed. classes invited one guest speaker a week to come and converse with the students about various problems such as venereal disease, alcoholism, and cancer. They discussed symptoms and where to go for help if needed. The speakers informed the students of how these conditions effect their lives and how to cope with them.

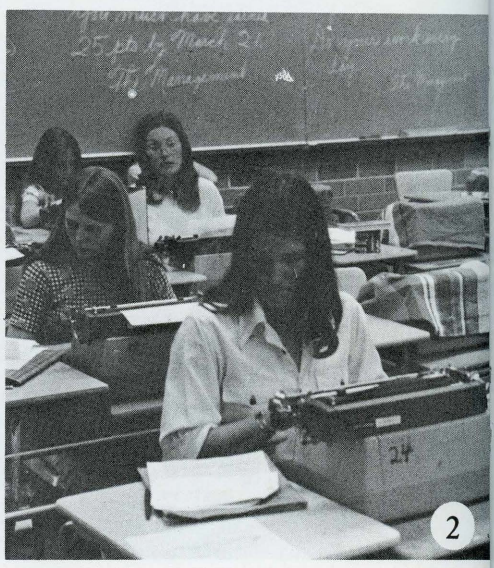

Films were frequent in both Mr. Hammond and Kevorken's classes. Some of the more unforgettable flicks were "Red Asphault" and "The Life You Save."

Demonstrations by the Fire Department and special guest speakers were an added attraction. The students were taught how to administer artificial respiration and the Fire Depart ment demonstrated the dangers of seemingly safe household articles that are used every day.

1. Mr. Kilgor explains how to make a lane change. 2. Students watch heartbeats of a drunken driver on film. 3. Mr. Kevorken helps Tammy Lutes demonstrate artificial respiration. 4. Students watch the film Red Asphalt.

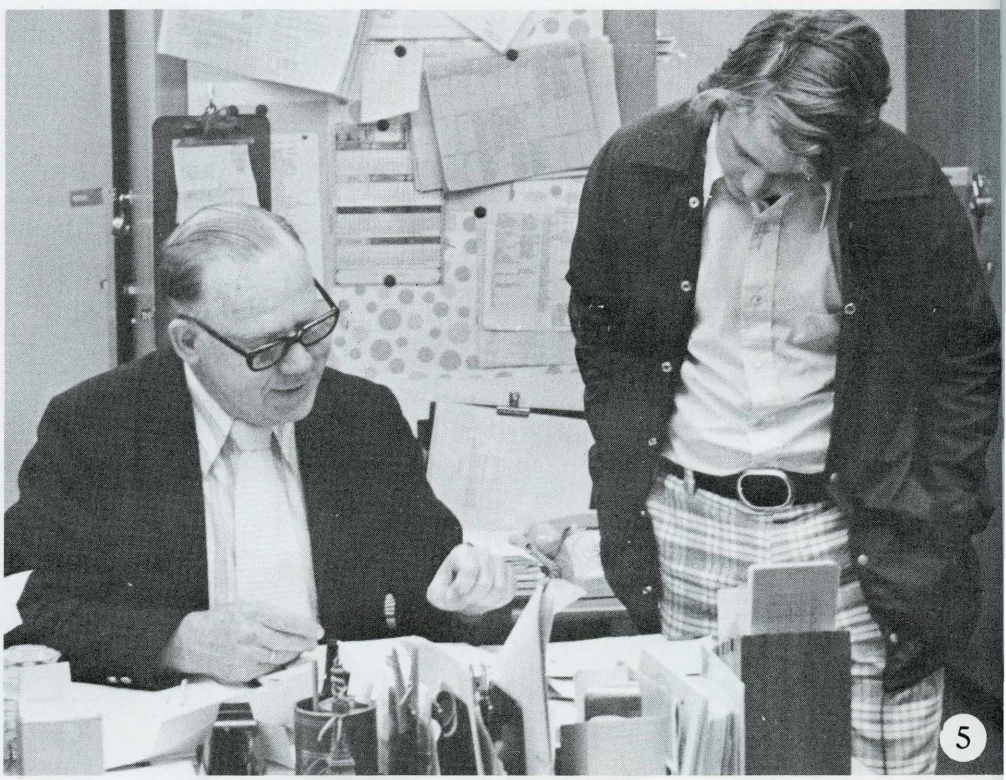

Business Department Follows

1

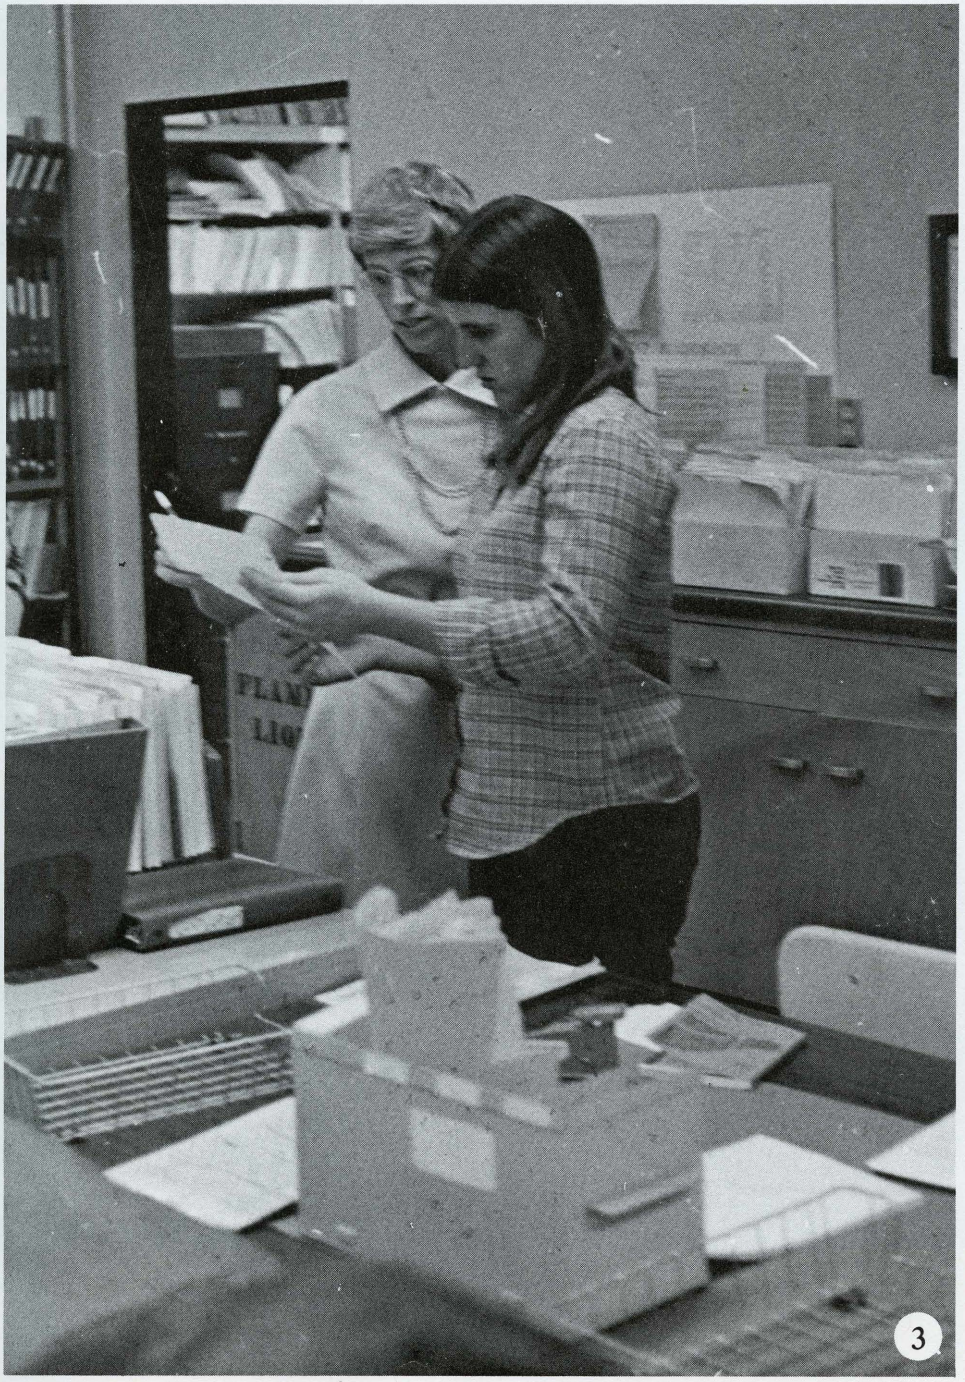

2

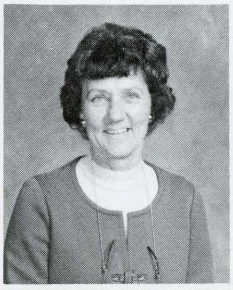

The Business department continued on with it's successful individualized study program. Students who were involved in this program were allowed to progress according to their own ability. Such places as Sawyer Business College, Telephone Company and Bank of America sent representatives weekly to speak to the students. Canyon was utilized as a demonstration site and people from all over the state came to see the programs.

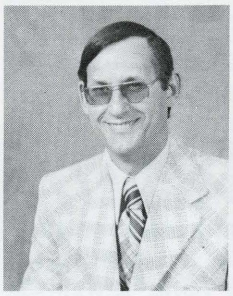

The study programs trained students for career occupations in accounting, computing, data processing, stenography, typing general office information, and other skills needed for a career in business.

The Industrial Arts department included auto mechanics, motorcycle repair, wood shop, graphic arts, metal shop, photography, and home renovation classes.

Mr. Blankenburg's wood shop, and Mr. Hannum's and Mr. McIntyre's metal shops saw the usual array of semester projects ranging from pipes to skateboards. One of the bigger and more impressive projects was a 21 foot ocean going cruiser, made by Kevin Gansz and Gene Moore.

Home Renovations under the direction of Mr. Barr completed two houses. Also two new teachers were added to the Industrial Arts clientele. Miss Munyan, one of our art teachers took on a photography class, and Mr. McIntyre helped out with Mr. Hannum's full student load.

3

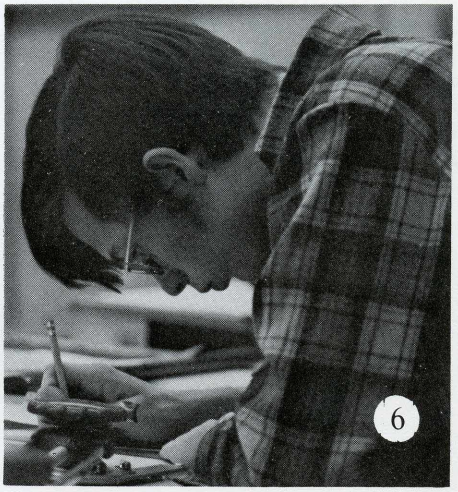

Arley Beem, David Blankenburg, David Chalberg, David Gigler, James Hannum, James McIntyre, Larry Samuelson.

1. Sam Alexander works on the lathe in metal shop. 2. Richard Frantangelo and Jim Cribbs are being instructed on their Electronics project. 3. Doug Gemind watches as Robert Gibson works on his wood project. 4. Mr. Beem instructs students on how to test brake lining for wear. 5. Pete Morua works on his project in auto shop. 6. Dave Schlichtig works on his project in drafting.

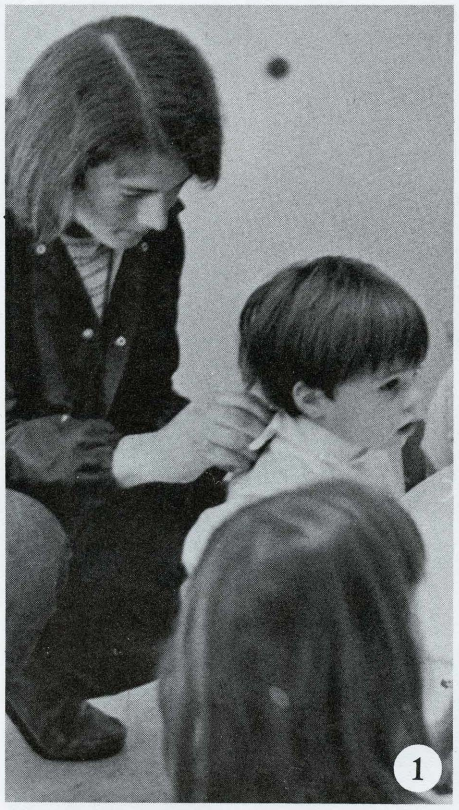

Childhood Aide Class Gains In Popularity

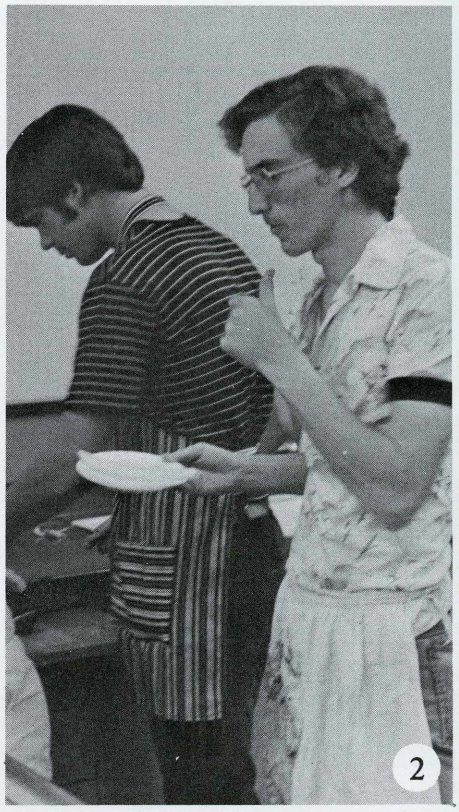

Childhood Education Aide became more popular this year. They had a large sign up of girls and the usual 4 or 5 self conscious guys. Mrs. Lloyd gave the students a fast refresher course in finger paints and puzzles and set them loose.

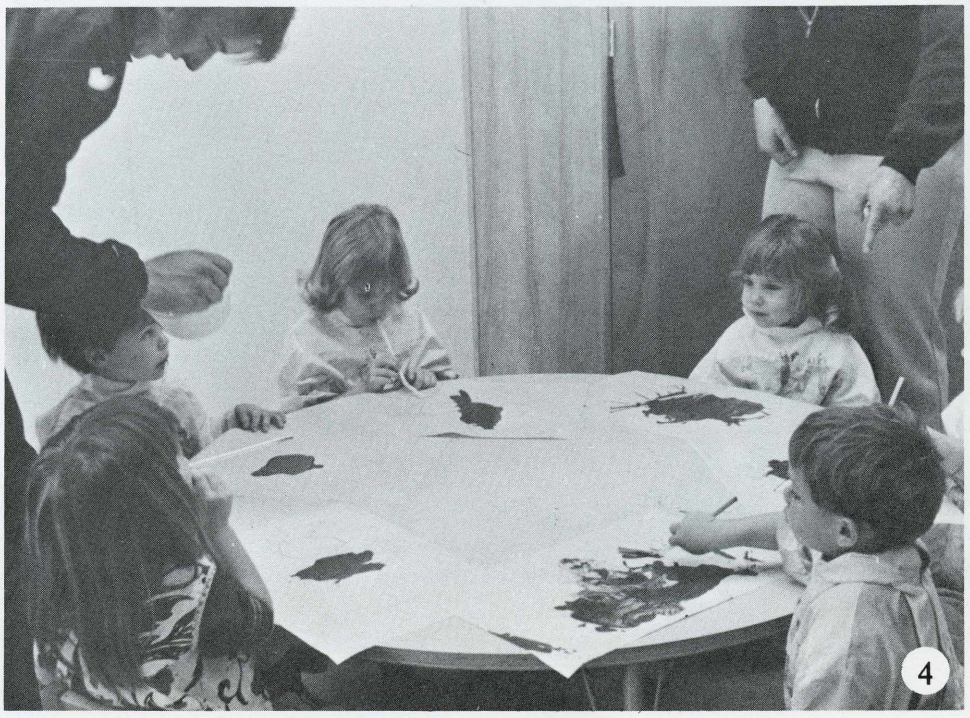

D building was converted into a nursery school as busy parents dropped their children off for students to entertain.

In Food and Nutrition students learned the importance of vitamins and other minerals in the daily diet. Food was cooked from each of the food groups, however, Friday was a free day in which students were allowed to cook anything they liked.

Clothing covered embroidery, sewing, and other needlecraft arts.

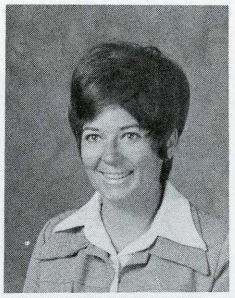

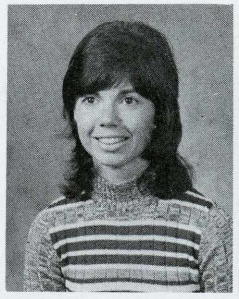

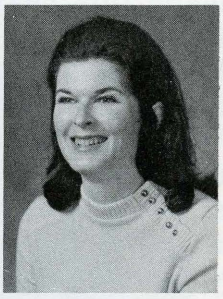

1. Jesse Lloyd helps a little boy put on his smock. 2. Steve Gelardo and John Swanson make a salad. 3. Children show Jeff Gilley how to put a game together. 4. Jesse Lloyd tries his skill with paints. 5. Hiedi Zoech and Bev Fritz embroider clothing.

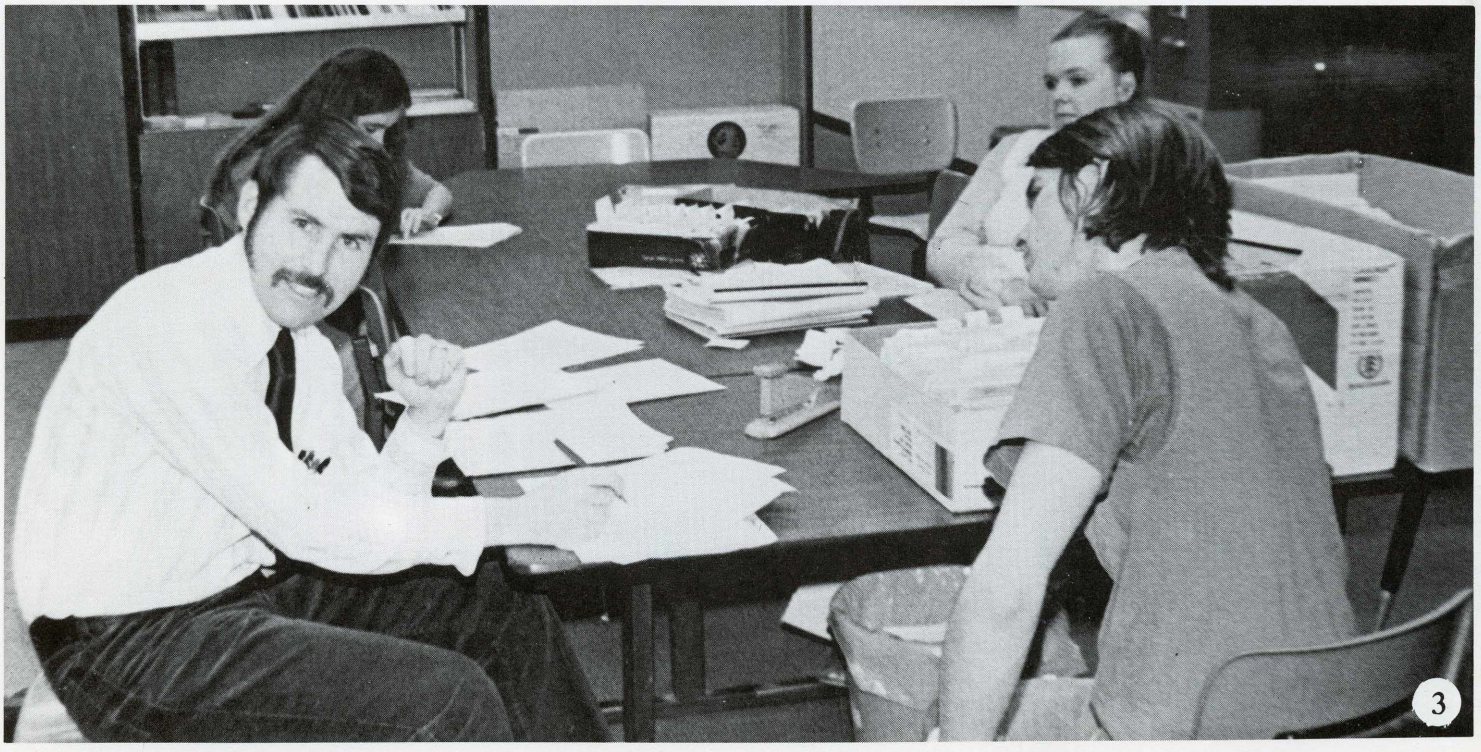

Virginia Lambert, Paula Levand, Geraldin Lloyd.

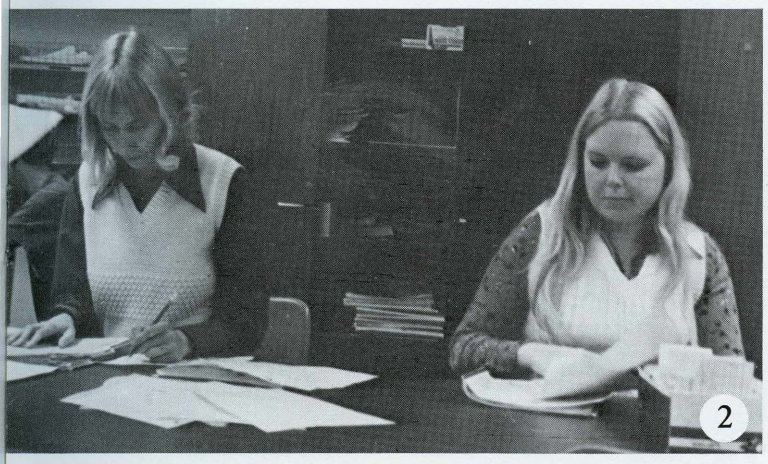

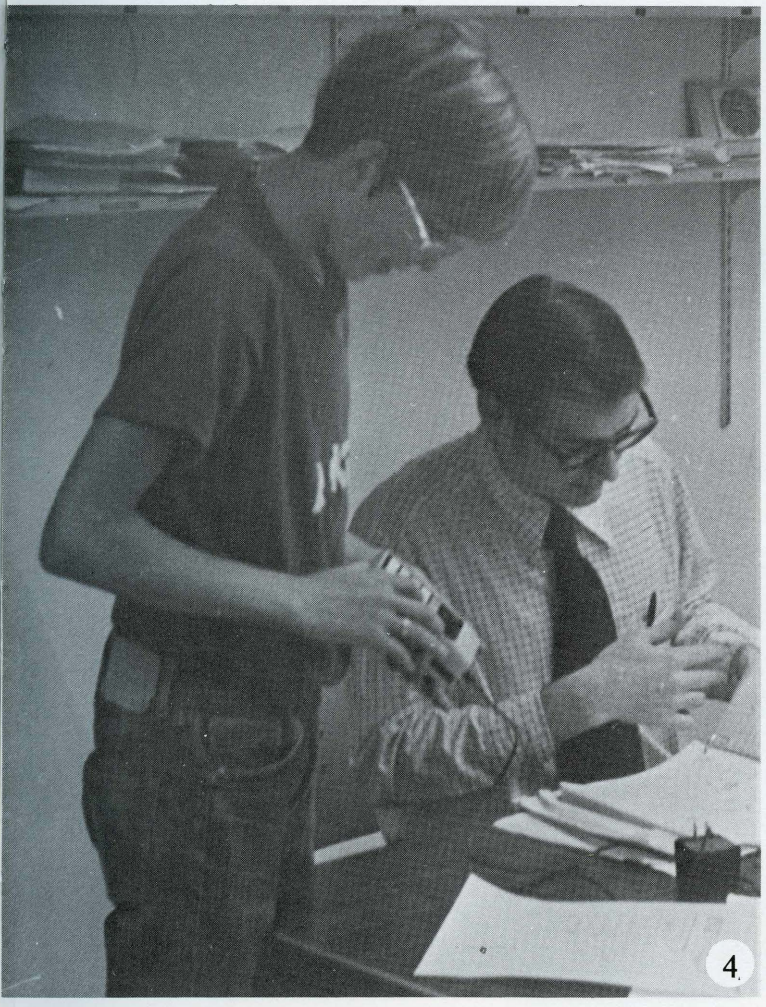

Math Students Work At Their Own Pace

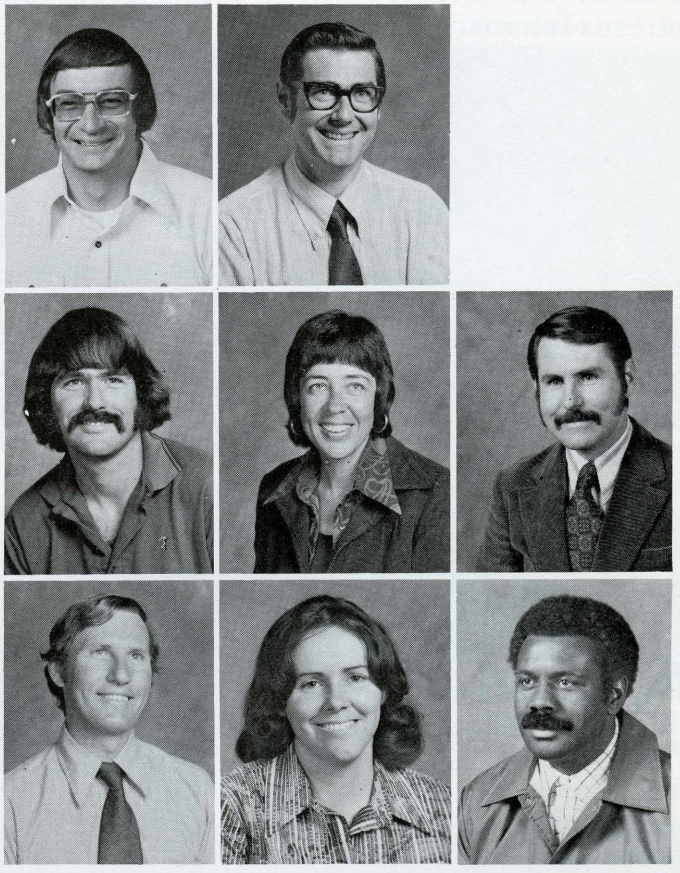

Many advancements were made this year in the Math Department. Among them being the addition of 20 calculators and two new teachers, Mr. Wade and Mr. McIntyre. Two new courses were added, one semester geometry class and the Lock Step method class, where students work at the same pace until they've completed the five Praise books, giving the students the option of working at an individual rate or having an instructor telling them what to do.

1. Cherl Dill works diligently on a math test. 2. Teacher-aides busily correct math tests. 3. Mr. McGreevey poses for a "candid" shot. 4. Tim Ake shows "Doc Foster" how to work the new calculators.

Students Become More Involved

Canyon's Wind and Jazz Ensemble, went through Europe this year to participate in the Geneva Musicale and the Motreaux International Jazz fest Their tour lasted seventeen days, in which they travelled through Germany, Austria and Switzerland. The funds for this were raised by the bands in nine long months.

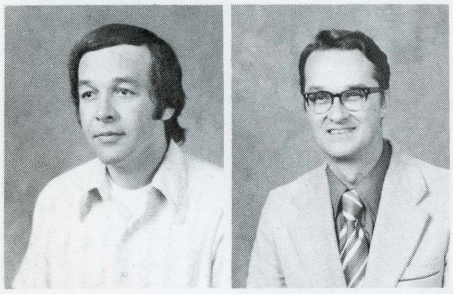

On May 17th, the Canyon bands hosted the first International Jazz Festival, held in the Santa Clarita Valley. Bands from schools all over Southern California were present.

Music Theory, one of the hardest classes offered on campus, became one of the most popular for music students.

But instrumental music was only a small part of Canyon's fine arts. Concert Choir, Madrigals, and Girls Chorus also had an industrious year. The groups sang many times during the year, at assemblies, concerts, and the Christmas play. All three groups got together during The Golden Years of song, a nostalgic, musical trip.

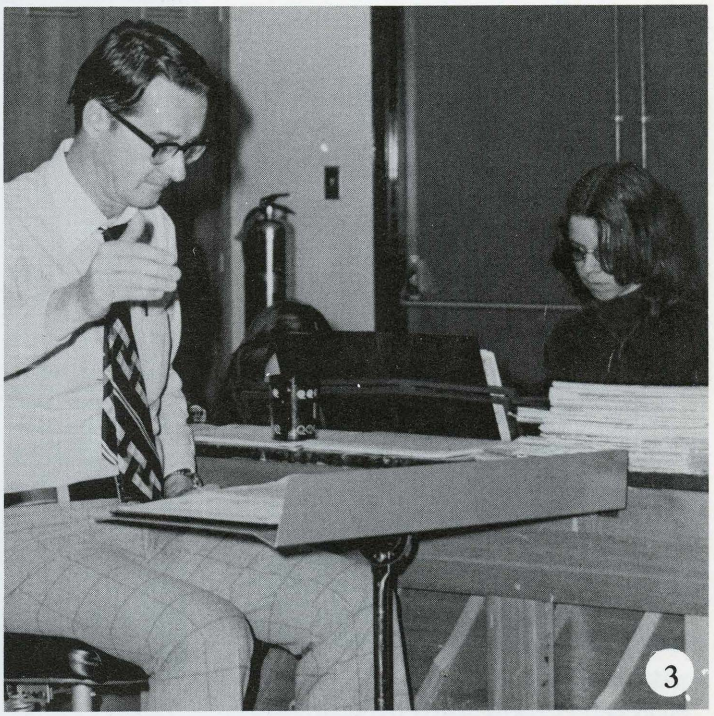

Ignacio Cabrera, Robert Scott.

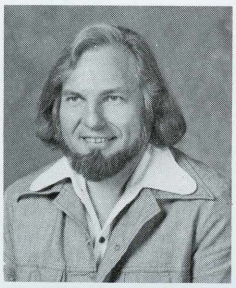

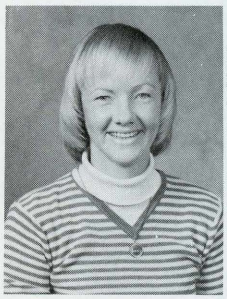

1. Mr. Scott leads the Girls Chorus. 2. Carrie Campbell solo's in "My Valentine." 3. Jane Wells assists Mr. Scott. 4. The Canyon Marching Band. 5. Jim Alvarez and Diane Roberts harmonize. 6. Chuck Perry practices on Nadal.

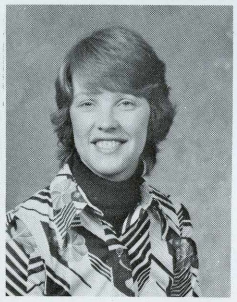

Robert Brown, Carol Lommen, Louise Munyan.

Music Keeps In Tune With The Times

Students were more interested in lunchtime activities this year. During lunch various students flocked into Q-2 and worked on improvisations, sensory work, pantomine, and dance. These activities helped them think quicker and to have poise on stage.

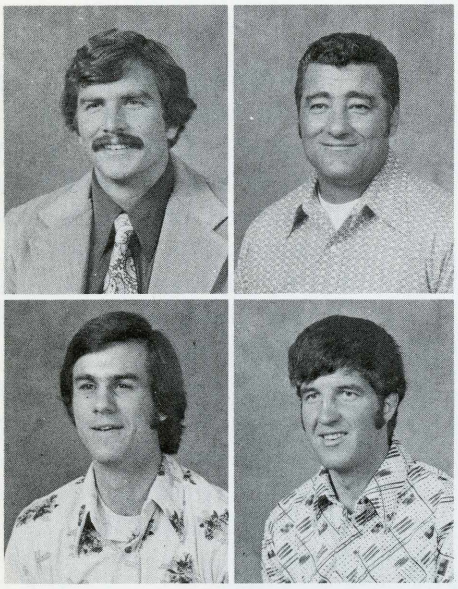

More students than ever joined Drama 1, the result being a burst of enthusiasum. They enjoyed participating in class activities and learning new techniques.

Art cards were used for buying art materials. This was the first time they were used. Students bought a card for $2.00. With the card they could buy beads, leather, clay etc.. Also new was the art kits. The art kits contained most of the utensils students needed for their class. Because they were bought, students had more pride with their materials.

Leather work was offered in the Art classes for the first time. Students enjoyed making watch bands, bracelets, etc..

1. Freddy Gelardo and Susan Rutherford demonstrate test cheating techniques. 2. Gaby Klugman clowns with the head she cast at Monday night showcase. 3. Mr. Brown shows students how to stain a canvas. 4. Julie Farmer puts make - up on Kim Kilgore right before a scene. 5. Art students sketch a live model as a special art project.

School Within A School

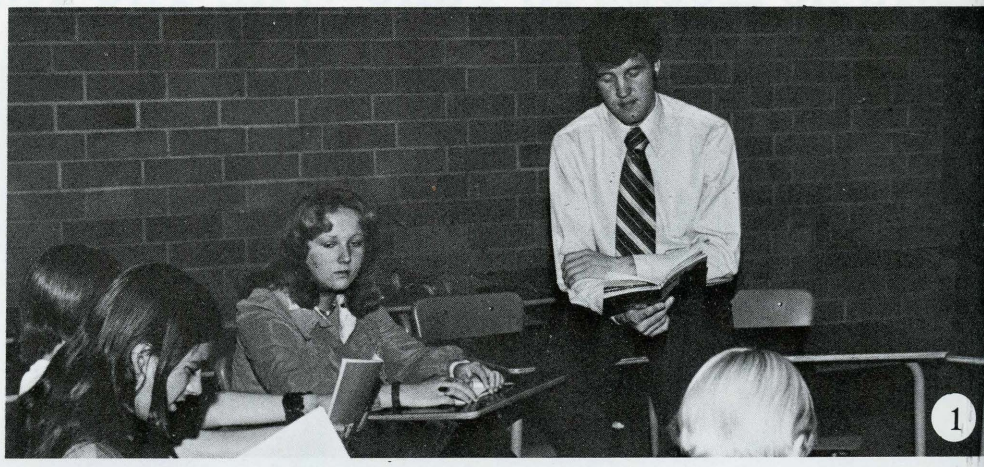

Tom Huss, Mike Silletti, Robert Silsbee, Frank Wright.

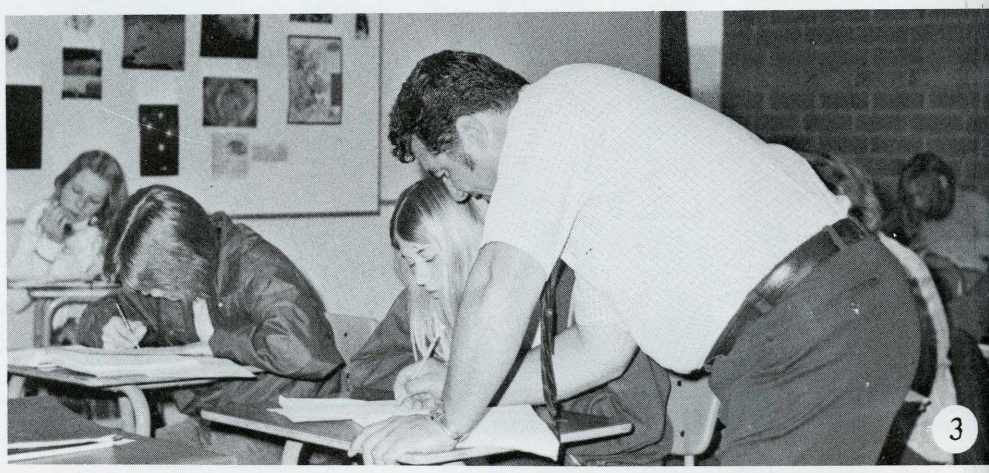

S.W.A.S. (school within a school), was a pilot program started this year in the attempt to deal with students who have attendance problems, and in need of individual help.

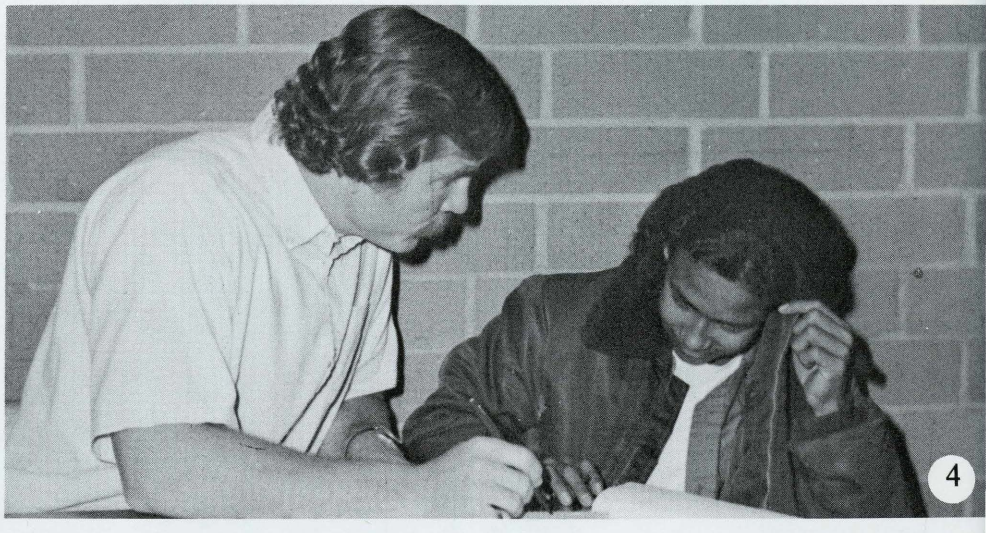

The program covers the usual requirments such as Math, English, Social Studies, and a P.E. class that includes a counseling session. S.W.A.S. also has its own schedule which is from 7:30 to 12:05.

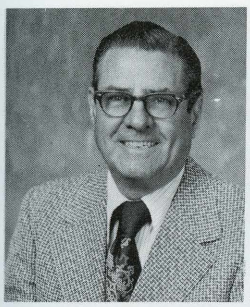

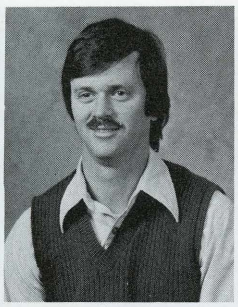

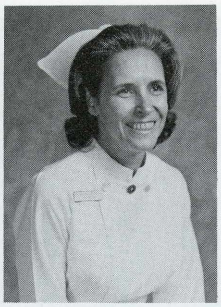

For Fieldtrips and special activities the S.W.A.S. students flew to Catalina, took trips to the observatory, went to ABC studios to see a game show filmed, and have also been both roller and ice skating.

The main idea of S.W.A.S. was to turn absentee students on to school. So far the program has been succesfull and will be continued next year.

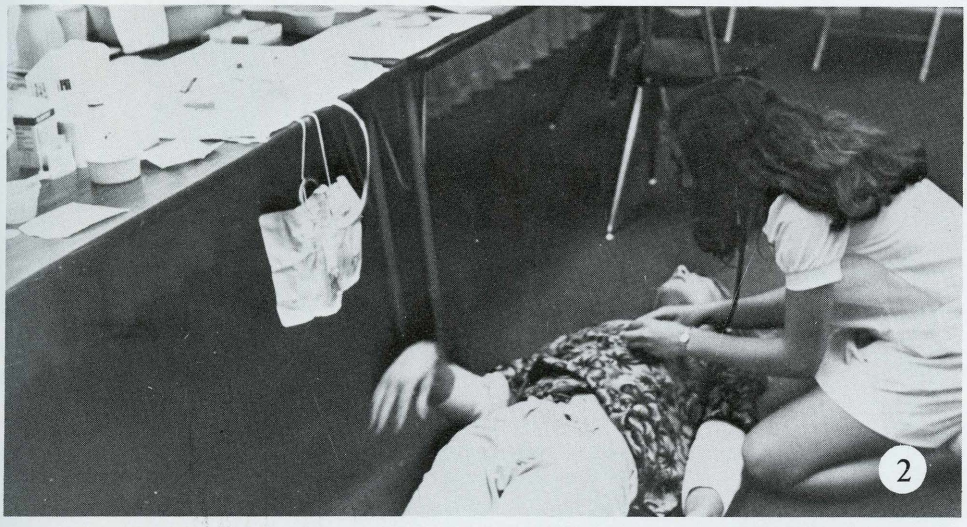

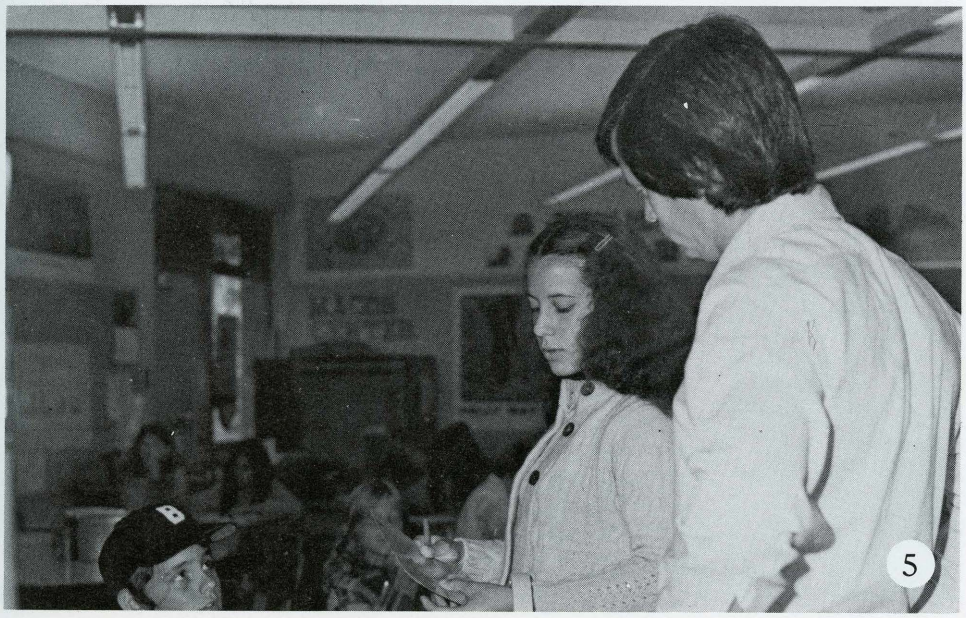

Tilden Barr, Robert Shumer, Helen Taylor.

Exploritory Programs Offered At Canyon

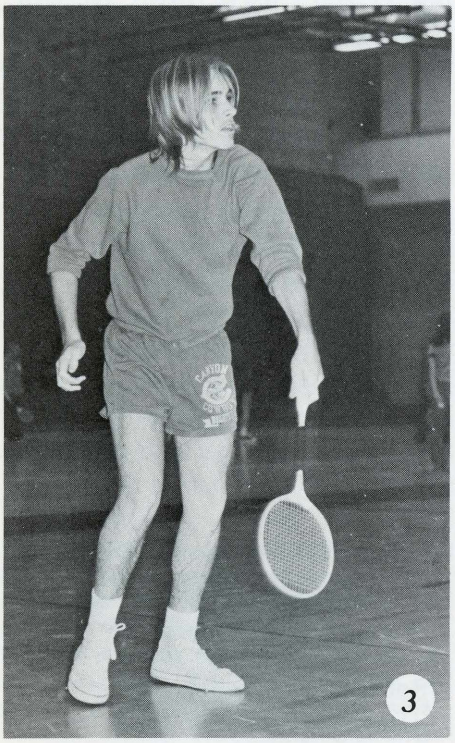

This year, Mr. Shumer took over Urban Workshop and Work Experience classes as a full time position. Urban Workshop offers students the opportunity to gain experience by assisting elementary students at local schools.

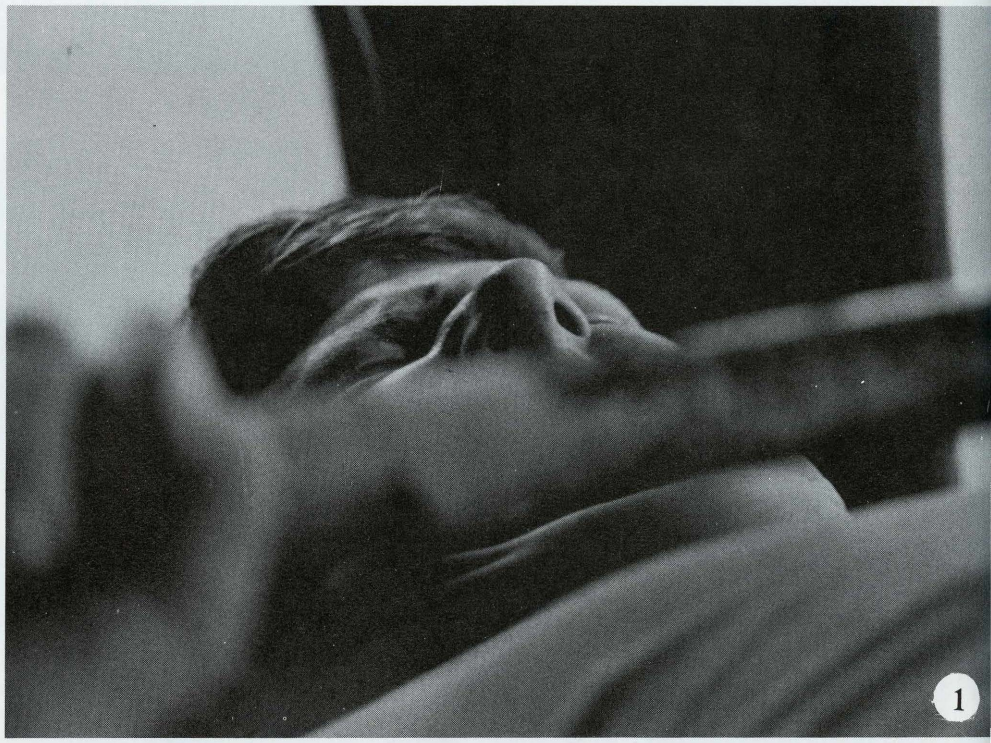

A variety of exploritory programs were offered both on and off the Canyon campus. The Regional Occupational Program (R.O.P.), was open to both Canyon students and adults. The program gave the students a chance to acquire knowledge of a particular trade, as well as obtaining a Certificate of Merit.

Helen Taylor taught Medical Services, a morning off-campus nursing program, providing practical experience for aspiring young nurses. Students in Home Renovation, under the direction of Tilden Barr, restored nearby houses while developing usable skills.

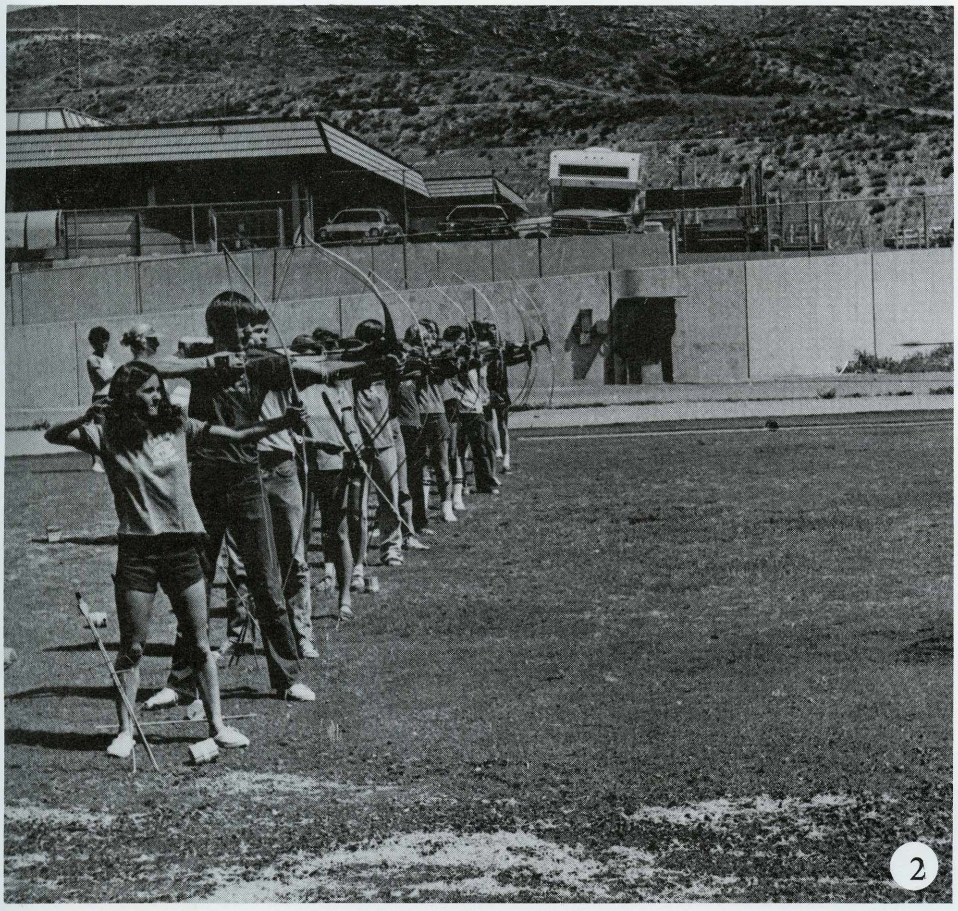

1. Dave Reed reads aloud to the class. 2. Students learn how to use the stethescope in the nursing program. 3. Mr. Silletti helps S.W.A.S. student, Gail Jones, with her work. 4. Mr. Huss gives Efrain Escalante help with his math homework. 5. Linda Monhollon shows Mr. Shumer the elementary students math homework.

P.E. Posts Top Score Results

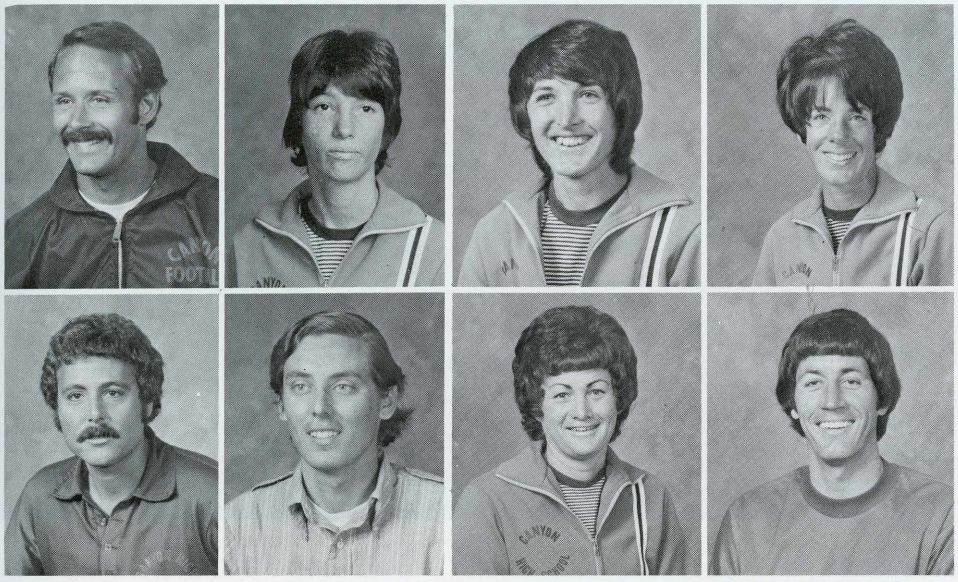

To instal pride into the Physical Education department this year, teachers posted the student's names of who achieved highest on their P.E. scores. Students were inspired to try harder on their actual test and this created a high rate.

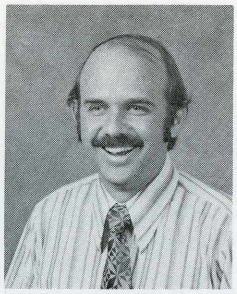

New tennis rackets, bows, badmitton rackets, balls and bats were a welcomed addition to the department. Special care was taken with all these items, they had to be checked out, during class and checked in and counted after class. This helped keep damages down to a small percentage.

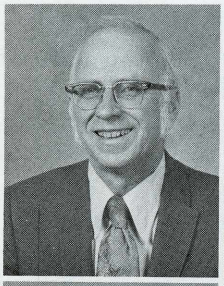

Mike Newman and Steve Spracher were added to the department's staff.

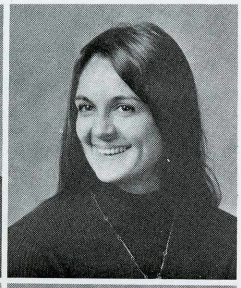

1. Mike Leggett strains to push his weights up on the bench press. 2. The Archery class shoots for the target. 3. Dan Harvey wacks the birdie across the net. 4. Lynn Glasier yells out her signals for football.

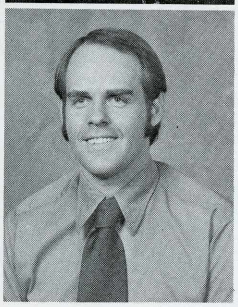

Charles Ferrero, Marlene Holoman, Mary Klein, Pam Miller, Mike Newman, Steve Spraker, Ardyce Standford Robert Gravett.

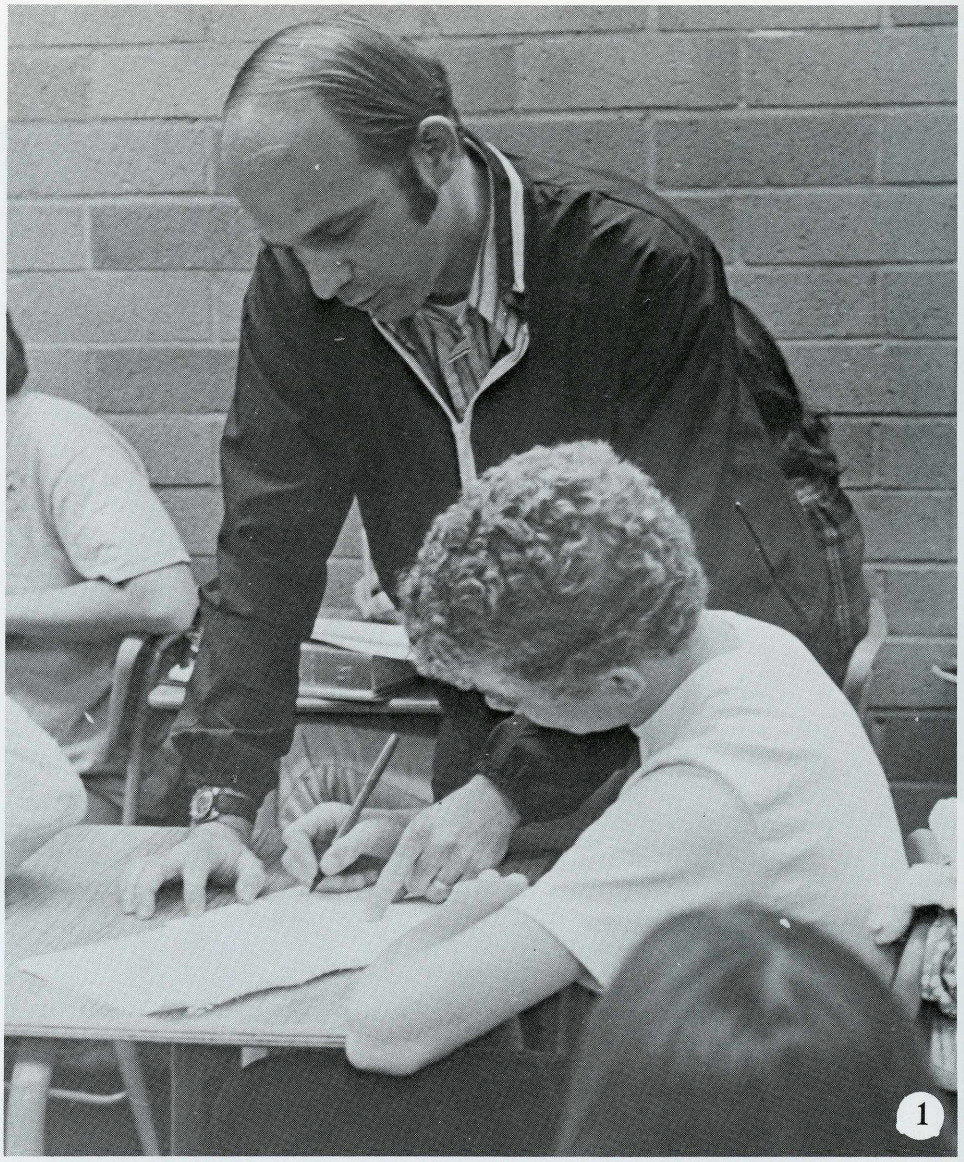

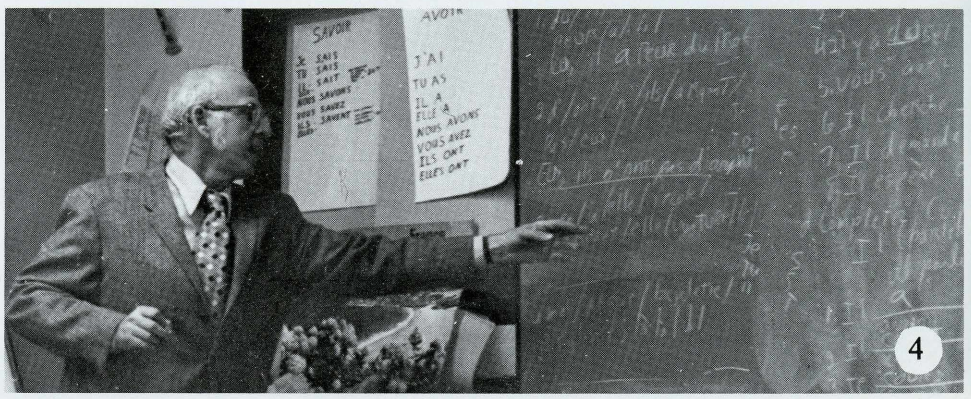

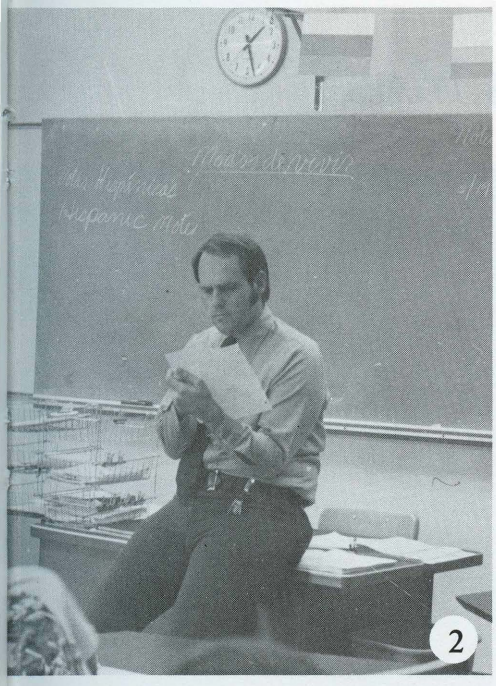

Along with the regular stringent study routine, parties, fieldtrips, and good humor were included in the language department this year. Three parties were featured in Mrs. Kruglak's classes, and Mr. Edwards sense of humor kept his classes laughing. To break the monotony, field trips such as dinner at German, French, and Mexican restaurants, were also a part of the forgien language classes.

A new class was Basic Spanish. This course was primarily offered to those students not planning to go to college. Basic Spanish taught the fundementals of Spanish and how to communicate.

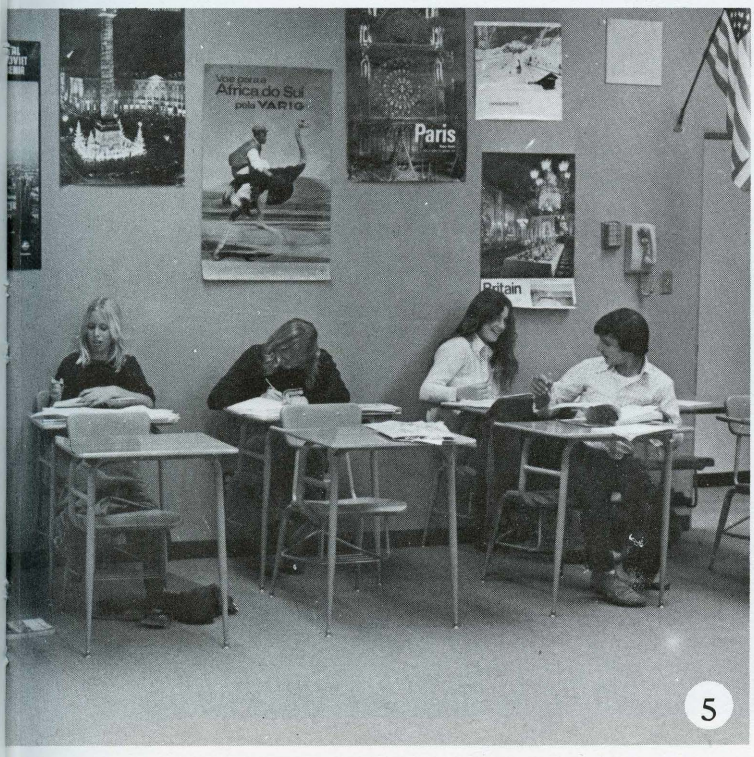

Language Classes Hit the Road

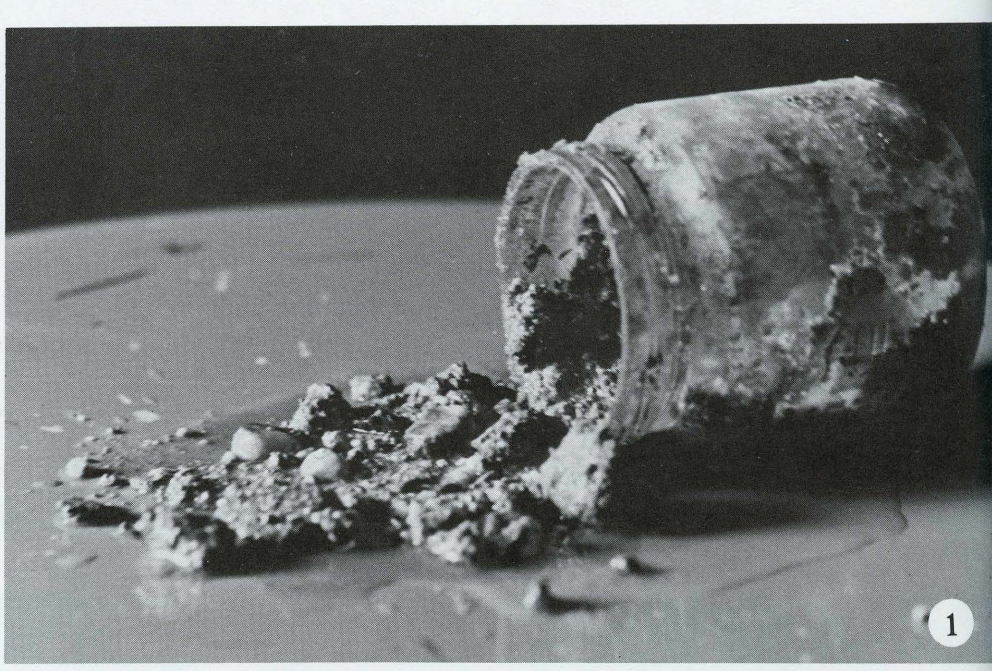

1. Mr. Edwards helps John Murphy. 2. Mr. Smith in one of his more serious moods. 3. Mrs. Kruglak has informal party in German II. 4. Mr. Hurd pointing out new words for French II. 5. Mrs. Meersand's class works in Spanish workbook. 6. Mrs. Meersand corrects Spanish papers.

Arthur Edwards, Raoul Hurd, Natasha Kruglak, Andrea Meersand, John Smith.

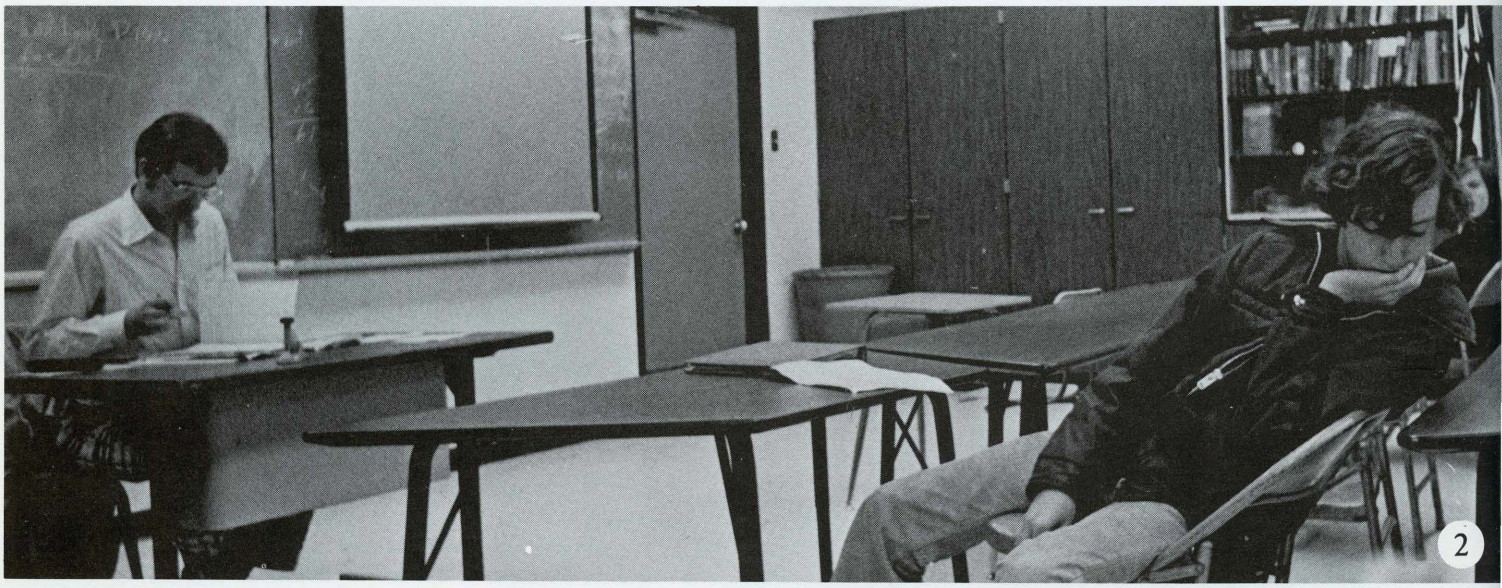

Sludge Test Proves Messy

The beginning Science Coarse at Canyon this year was Introduction to Physical Science (I.P.S.). One of the highlights of the coarse was the Sludge Test, which was a five day, 50 point test in I.P.S. for all students. The students were given a small jar of unknown substances and then proceeded to discover the various elements in their particular mixture, using all previous experience and knowledge. Often this wasn't enough, so they resorted to guesswork.

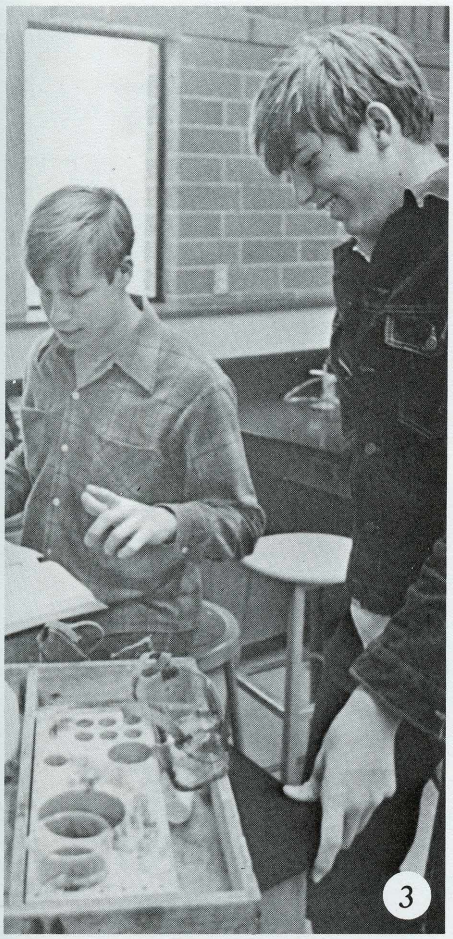

When one student was asked to state his most profound learning in the Foundation of Science class, he concluded that, "Similar causes produce similar effects and similar effects are brought out by similar causes."

David Crissman, Frank Diaz, Dean Hurd.

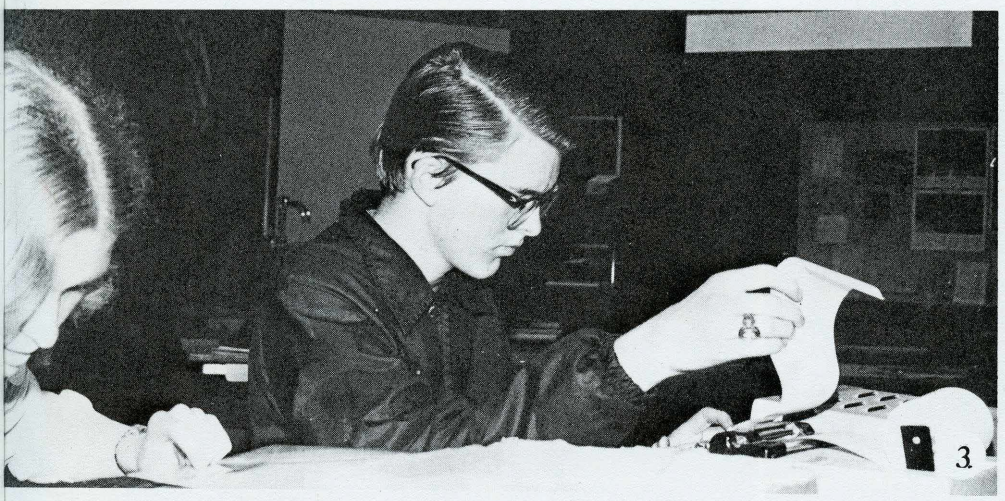

Computor Learns Facts Of Life

The Advanced Science cources this year included Advanced Biology,Chemisty, and Physics. The biology and Physics classes received national recognition for their audio-tutorial program. Mr. Hurd returned from a year in Hawaii and picked up with his successful audio-tutorial program. The trailer that was won through this special program was used quite frequently by his Physics students. They were taught how to use such scientific machinery as a modifying telescopes, computors, and various taping devices. By utilizing computor programming, Mark Muntean and Bob Litjen composed a unique experiment called "A computor learns the Facts of Life."

1. Mark Muntean discusses the next chapter overlays and lectures. 2. Ross Wright works individually in the Physics Lab outside of the Physics room. 3. Kevin Fountain solves his problems the easy way (with help of the computer). 4. A picture of the Orion Nebula taken through a telescope in the Physics Lab by Mark Muntean. 5. Physics experiment produces computer read out.

English Gets Down To The Basics

The English department made room for another course last year. Taught by Mr. Hunt, Magazine and Newspaper Writing was very well accepted. Students tried their hand at T.V. commercials and radio shows along with the development of basic composition skills.

Elective classes as always were enjoyed by everyone. Classes like Poetry/Folk Rock, Creative Writing, and Myth and Folklore were always first to be filled at registration. This year, however, emphasis was placed upon basic English courses, Comp. 1 and 2 and Lit. 1 and 2. In these classes students reviewed elementary rules of grammar, sentence and paragraph structure, and spelling. Having the largest teaching staff of the various departments stressed the importance of English.

1. Don Silvers offers Judy Kerr his hand. 2. Fransico Medina, John San Martino, Diana Hollowell, and Jeff Tracy read some home made poems. 3. Mr. Hunt discusses Newspaper, and Magazine Writing to the class and his pal the scarecrow. 4. Mr. Welch's Bible as Lit. class celebrate Passover.

Elizabeth Andrews, Tony D'Addario, Tony Fadale, Dennis Huckaby, Lee Hunt, Floyd Moos, John Pfaff, Linda Rodgers, Roberta Tropp, Cindee Volker, Harry Welch, Paula Williams.

Library Opens With Longer Hours

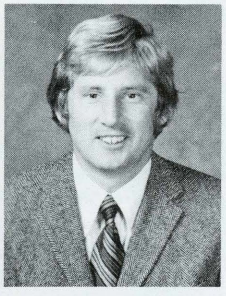

Canyon's library facilities were used more frequently this year. The library was open at lunch, as well as before and after school. There was also a larger selection of micro fish, which gave visiting English classes a useful resource, and put the micro film scanners to better use.

To help the librarians and students, a new checkout system was adopted. Each student was issued a number, which was stamped on the book cards. This eliminated the problems caused by illegible signatures, but caused a new problem, the students forgot their numbers.

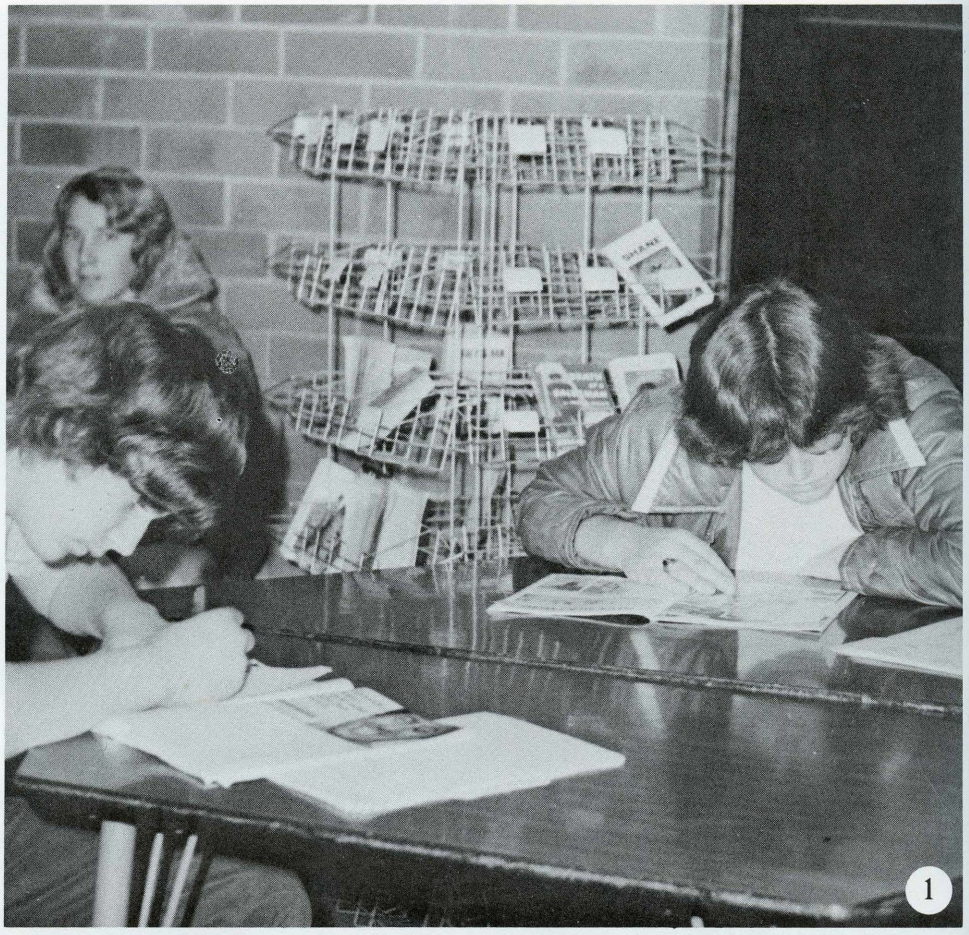

Generally, things ran smoothly, except that many needed books were missing.

1. John Wright reads a magazine in the reading lab. 2. Walter Daniels and Rick Harrison look up an article for their History class.

Canyon Returns To Individualized Registration

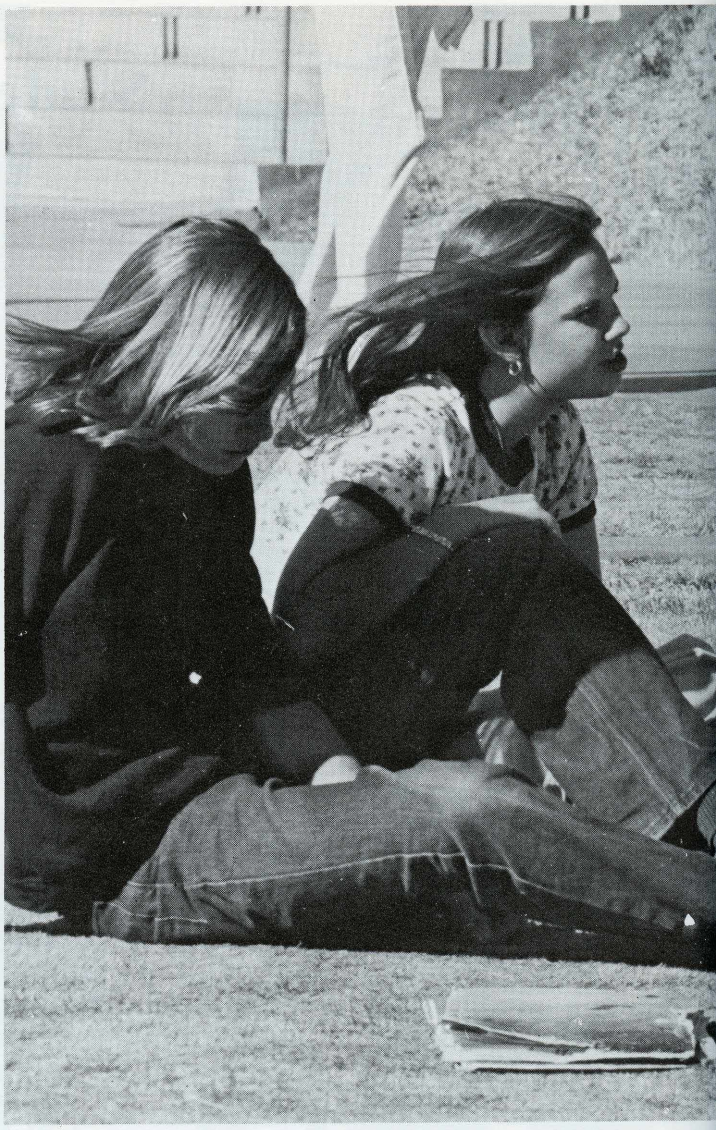

Confusion was less evident this January during midsemester registration. After last September's computerized chaos, everyone was prepared for the worst. But it was a pleasant surprise to find out that we were returning to the walk around method.

Spring registration as in the past included walking through various check points, in alphabetical order. The order was chosen by various class executives. Atheletes and band members did not get first priorities and were forced to register with the rest of the student body.

The finals schedule and good weather allowed individuals leisure time. This time was spent surfing, backpacking, biking, and of course studying for the next days finals.

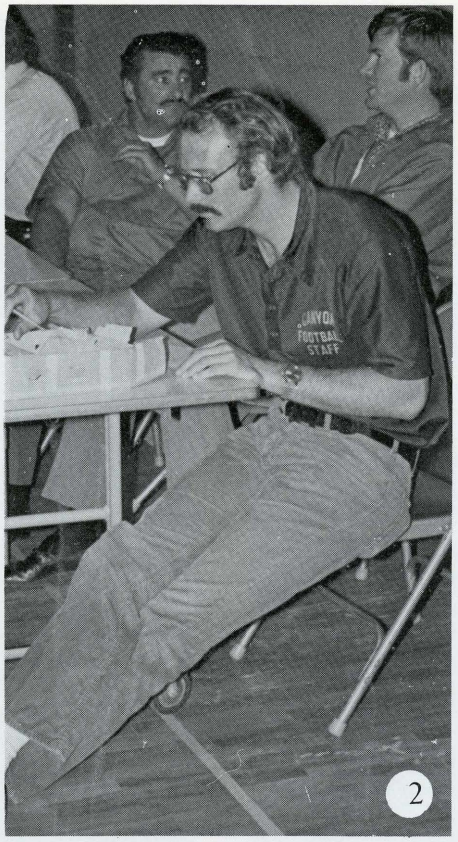

This year organization as well as cooperation on the part of both students and teachers were the main factors for the success of registration.

1. Dave Latch and friends decide what to do with their leisure time during registration. 2. Teachers Ferraro, Silleti and Lynch prepare to face a mob of students. 3. Students find comfortable positions on the quad, to examine registration materials. 4. A student claims a spot on the crowded gym floor, to copy his schedule. 5. Kandy Kurisu waits outside the multi - purpose room with Ed Nunez.

Serious Drama Introduced To Canyon

Serious drama was featured in this year's Fall production, The Little Foxes. It told the story of two brothers and a sister, Oscar, Ben, and Regina, and their plans to get a large sum of money from Regina's husband.

The scheme of the play involved Regina persuading her sickly husband, Horace, into giving her the money for the purchase of a cotton mill. When Horace has a heart attack Regina refuses to give him his medicine. Horace dies and Regina inherits the money.

Although enthusiasm was not apparent in audience attendance, each character was excellently portrayed.

The ten member cast included: Mike Mendoza, Mike Ingrassia, Sarah Berreth, Leslie Bandle, Kim Gormley, Darren Wamhoff, Craig Cochran, Joanie Chappel, Bob Monteleone, and Dan Viramontes, with Miss Carol Lommen directing and Gaby Klugman assisting.

1. Birdie Hubbard drowns her sorrows in a bottle of wine. 2. The Gidden's servant Addie serves Horace coffee on his return from Baltimore. 3. Brothers Ben and Oscar Hubbard discuss their plans to open a cotton mill. 4. Ben Hubbard proudly explains his plans in exacting detail. 5. Regina Giddens instructs her sister in law Birdie, how she proposes to spend her new found wealth. 6. The little foxes discuss how to confiscate Horace's money.

Homecoming Festivities Prelude To Victory

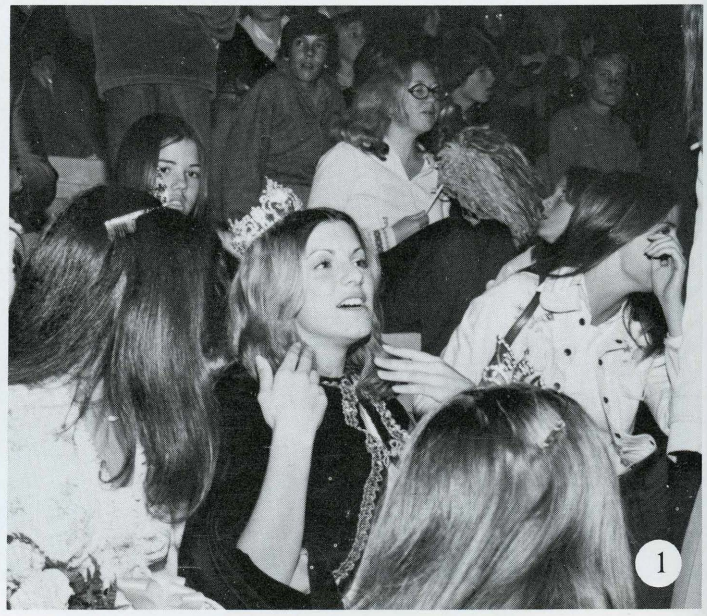

Crowds cheered both our Junior Varsity and Varsity teams on to victory for this year's Homecoming. The Cowboy's bombed the Dynamiters with a fantastic triumph to make Homecoming seem like something special.

As tradition goes, the Homecoming court was introduced at half time. The title of Queen was given to Sydney Risser, and her court was made up of princesses, Emily Morrazo, Peggy Boron, Nannette Robinson, and Cindy Tripp. The Junior class was Cheryl Mason, Amy Frazier took the sophomore crown and Dianne became Freshman princess.

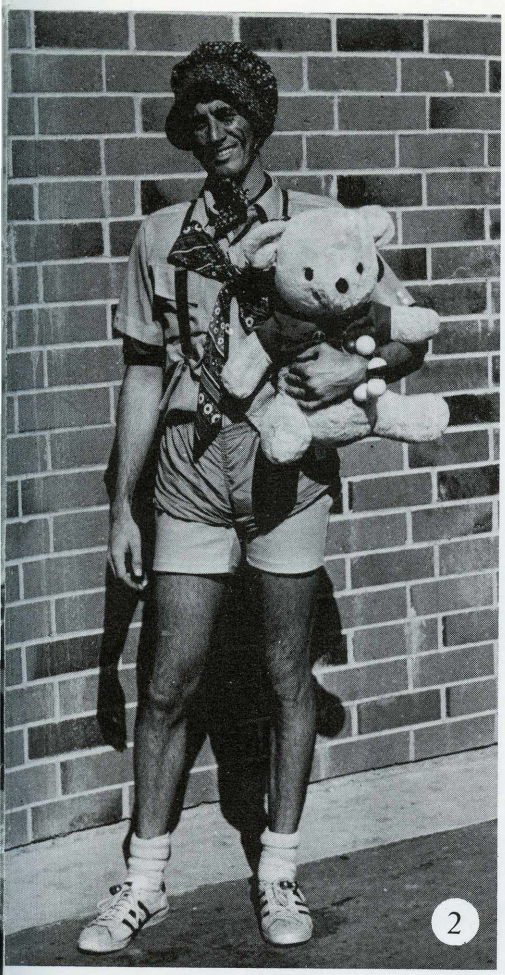

The Freshman class took the honors in the float competition with eight foot tall Canyon Cowboy and a small terrified Glendale Dynamiter.

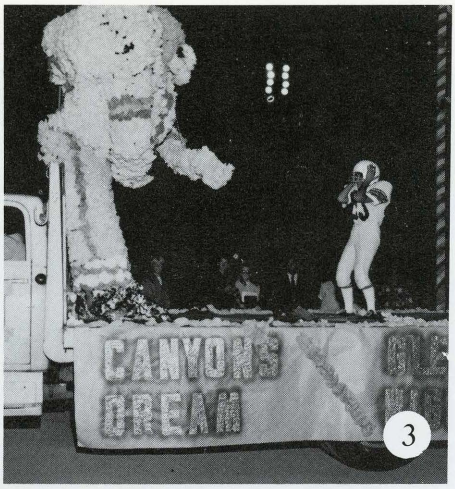

Thus, another Homecoming has come and gone with new faces and personalities filling in the annual roles.

1. Syd Risser beams with joy, after being crowned Homecoming queen. 2. Mr. Gravett, a victim of slave day, poses. 3. The prize winning freshmen float. 4. The Homecoming Court from left to right, Cheryl Mason, Amy Frazier, Cindy Tripp, Emily Morazzo, Peggy Boron, queen Syd Risser, Nannette Robinson, Diane Ubale, and their escorts. 5. Homecoming queen, Sydney Risser is crowned by Gayle Johnson, as Debbie Dwyer and Mr. Jerry watch. 6. Brian Kersh and Casey Gagan cream Amy Frazier.

Students Rear Up After Another Defeat

As in the past years, Donkey Basketball was a favorite among the people. The A.S.B. funded the activity with Casey Gagan and Robert Goldstein in charge. The students to be on the team were those chosen by Executive Council and those teachers that volunteered were on the other team. The Donkey Basketball cheerleaders and flag twirlers were also chosen on a voluntary basis. The cheerleaders were : captain-Mike Heckathorn, John Butler, Rick Fresquez, Ken Kennedy, and John Mayton. The flag twirlers were: captain-Bill Heins, Tim Chandler, John Christenson, Rick Cooper, and Bret Hogge.

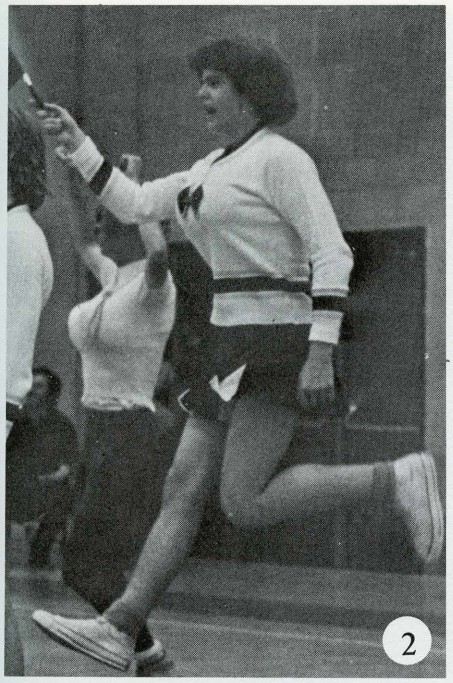

The event was full of excitement. Our cheerleaders and flag twirlers were most entertaining with their various chants and stunts. Happenings ranged from the cheerleaders and flag twirlers human pyramid, to when Bill Heins' bra strap broke.

All this had been interesting, as well as exciting, but the event that highlighted the occasion was the coronation of the queen. Out of the five candidates who were:Brian Coleman, Leo Le Compte, Casey Gagan, John Hunter and Brian Kersh; The latter of the five won and received his budding bouquet of radishes with the congratulation of his court.

1

1. John Mayton takes a bow. 2. Tim Chandler leaps through the air during a cheer. 3. Players struggle to haul donkeys towards the basketball. 4. Rick Tayrien goes in for a lay - up on his donkey. 5. John Hunter smiles radiantly as he is crowned princess.

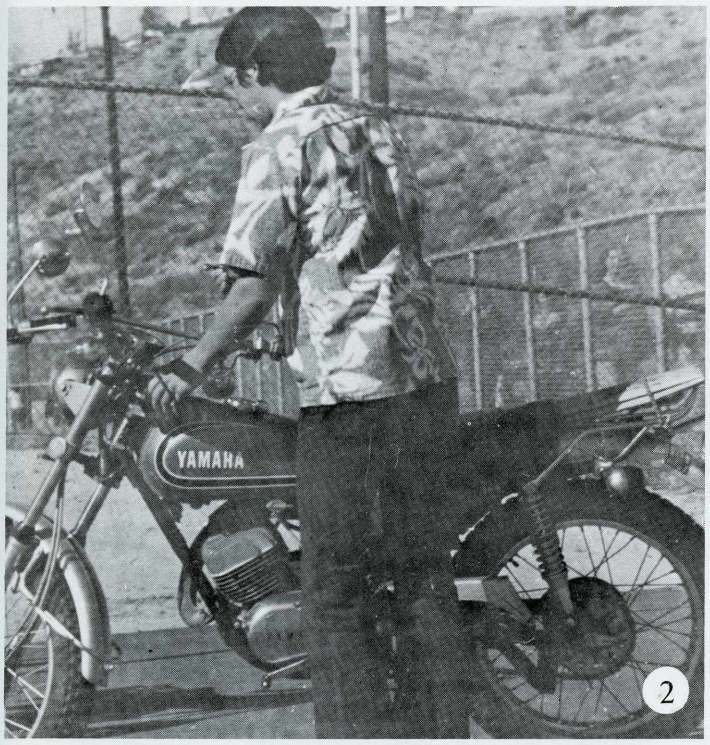

1

1. Dave Zeosch leaves after registration for a day of surfing. 2. Mounting his Yamaha, John Cedillo gets ready to leave for lunch. 3. Jeff Hagel sneers at a passing - rider. 4. Steve Pozza and friends leave for a day of dirt wompin'. 5. Surfer cars increase in popularity.

3

Cars Characterize Students Personalities

2

Looking in Canyon's parking lot, one thing was evident, students personalities were reflected in thier cars. There were cars that seemed to be only a fraction off the grounds and others that would appear to be jacked up on stilts. Colors ranged from flashy purples and lime greens to unliberal blues and greys. There was the adventurous crowd who sported jeeps, dunebuggies, and motorcycles, usually covered with mud from lunchtime bouts of 'Dirt Wompim.' In complete contrast were the students who borrowed their parents cars. They could be spotted easily as they were the ones who used their turn signals in the parking lot, never forgot to lock all four doors, and had Disneyland stickers on the windshield.

Then of course there was the ever popular Vans. Sun bubbles, porthole windows, pinsripes, and mag wheels decorated these vehicles, some were even given names.

But whatever it was, be it bicycle or Porshe, wheels played an important role in the life of Canyon students.

Winter Formal Receives Record Attendance

"Photographs and Memories" was the theme for this years Winter Semi-Formal. The dance was the best attended formal in years.

Some special events took place during the evening. Barry Curtis sang the theme song while accompanying himself on the guitar. The date of the formal was also the date of the M.C, John Mayton's birthday. The couples all joined in singing Happy Birthday to John while his date, Julie Farmer, brought out a birhday cake.

This year Julie Gawrylak reigned as queen, and her court consisted of Laurie Falk, Debbie Murphy, Cindy Villalba, and Stephanie Medina. Sheri Bays was crowned senior princess while Amy Little recieved the sophomore title and Lisa Falk won the freshman crown.

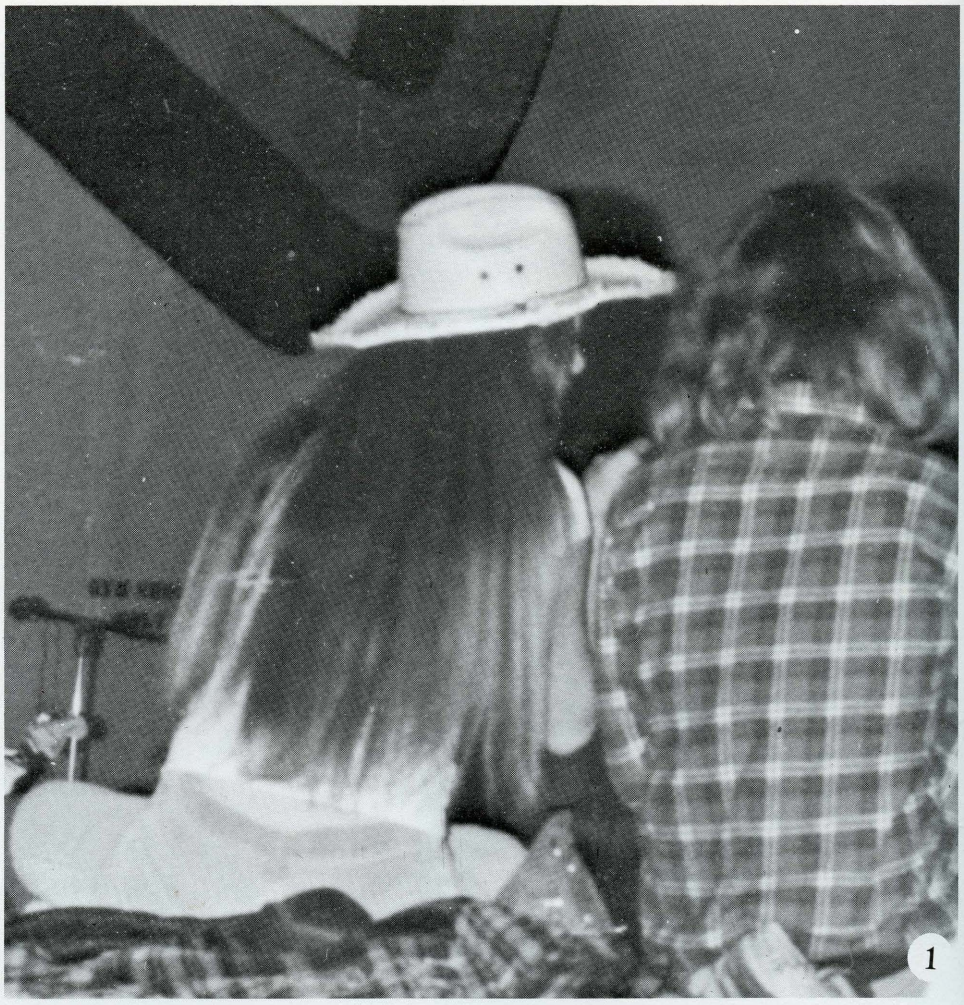

The couples danced to the music of Black Watch, a well established band with a long list of impressive engagements behind them.

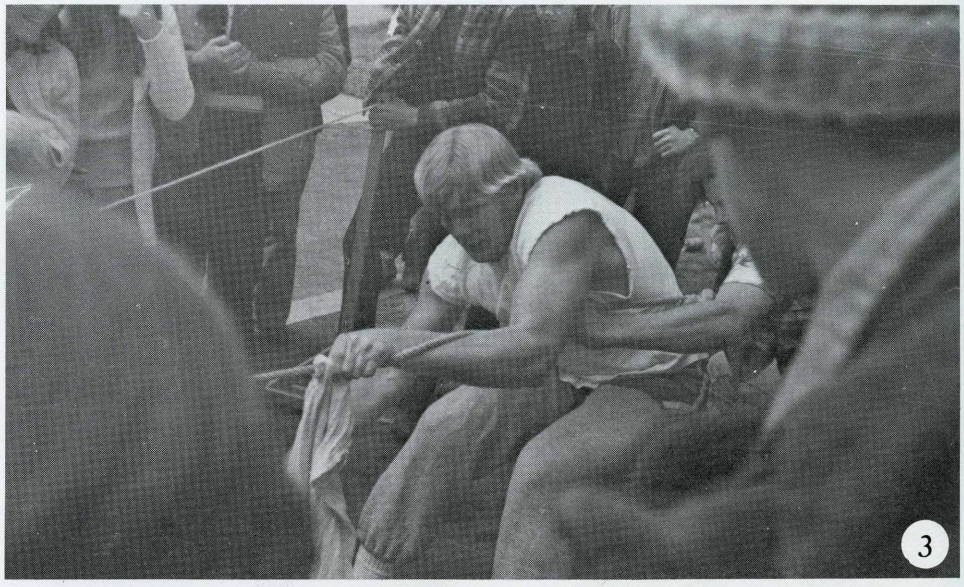

The success of this years formal was due to enthusiastic members of the formal committee who did all they could to make this one of the liveliest formals for Canyon.

Sadie Hawkin was as eventful during the day, as it was at night. This event found many students, and teachers, dressed in stereo typed "Farmer John style" clothes. Bandanas, Levis, checkered shirts and overalls were amoung the most popular.

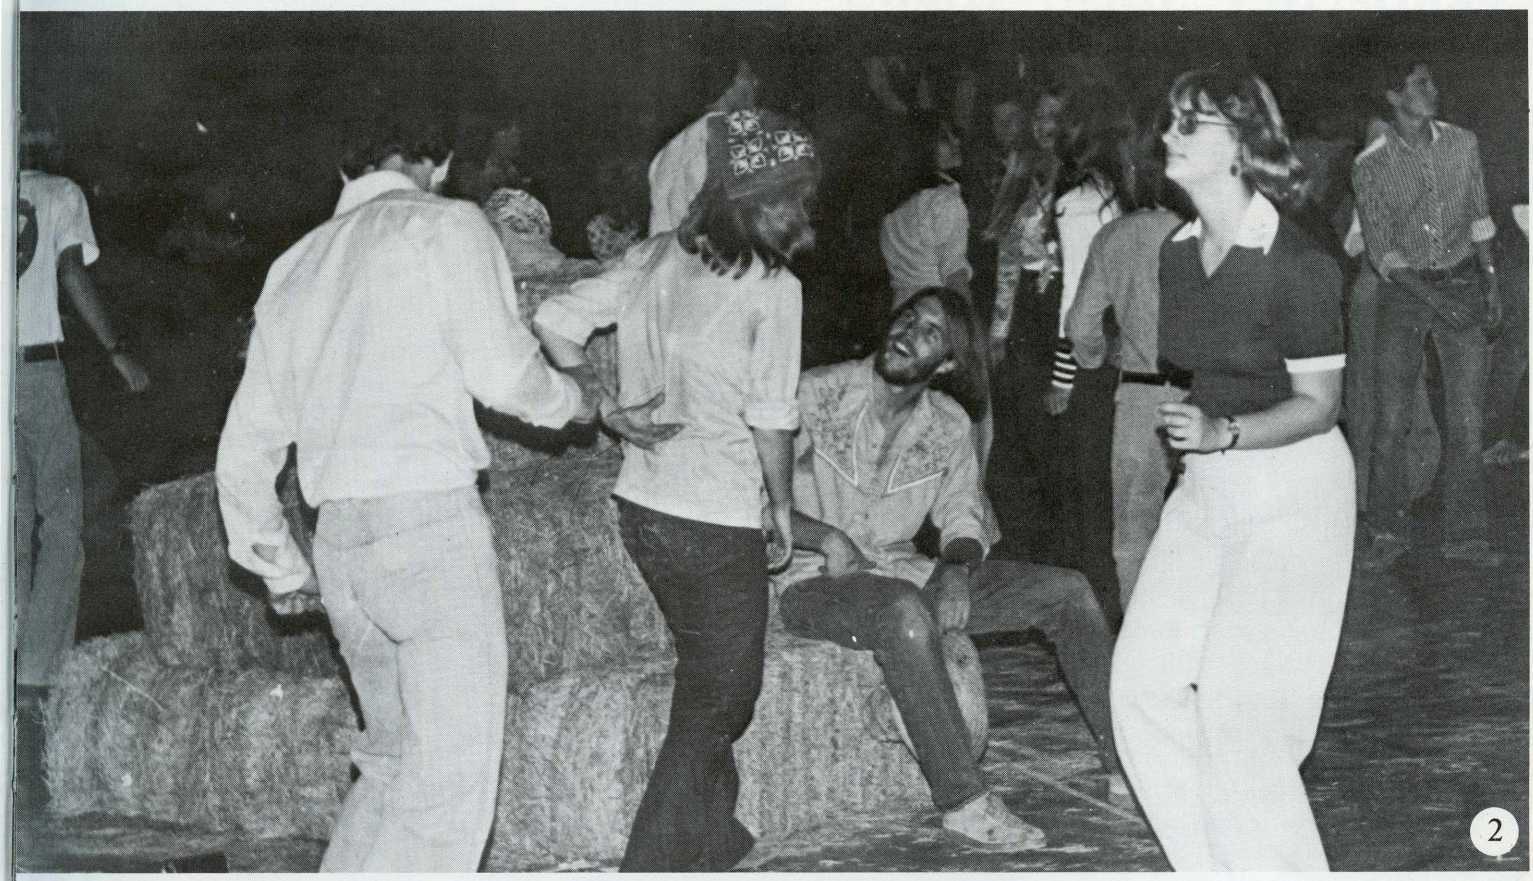

An interesting activity during the day was when the Juniors and Seniors challenged the Freshman and Sophomores to a tug of war. The Juniors and Seniors eventually won with a last hard pull, while the Freshmen and Sophomores' interest was momentarily drawn to two streakers gallivanting around the lunch area.

The dance in the gym was once again disguised by hay stacks, marriage booths, and the band completed the evening.

Small Scale Christmas Musical Performed

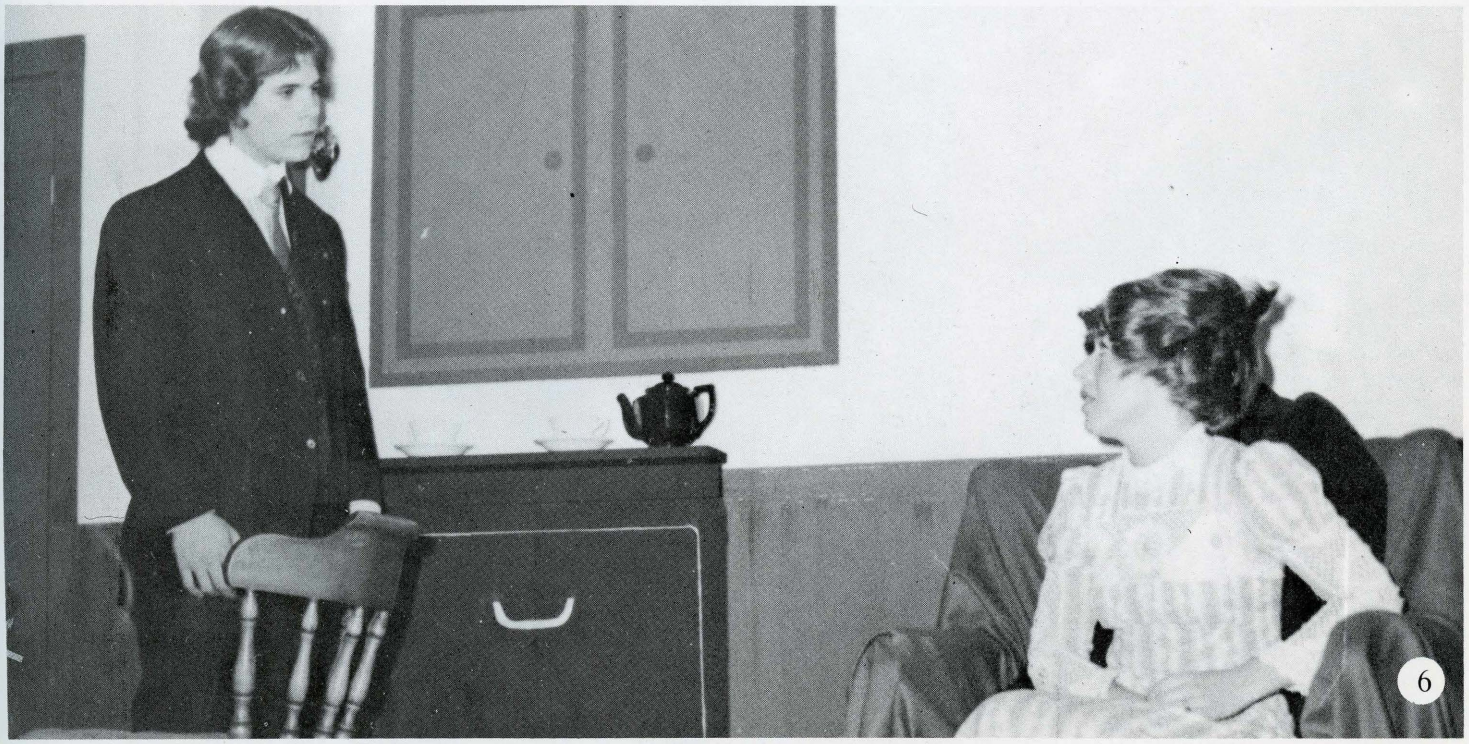

Drama, Chorus, and band combined this year to present the Christmas musical. The Gift Of the Magi.

Large audiences were in attendence for all the performances of the play. Girls Chorus, Concert choir and the Madrigal singers presented a musical program of Christmas songs preceding the presentation of the play.

The play told the story of a young couple, Jim and Della, and their first Christmas together. They wanted to buy each other really special gifts, but neither of them had any money. So Jim hocked his gold watch and bought Della a set of ivory combs for her long hair. While Della in the meantime sold her hair in order to buy Jim a gold chain for his watch.

The cast members worked hard along with Carol Lommen and Robert Scott to make the Christmas play a success.

1. Della convinces the wig maker, Madame Grimaldi, to cut her hair. 2. Mrs. Ambercrombie chains herself to a fence to protest for women's rights. 3. Jim and fellow workers at the office party join in a song. 4. Jim hocks his watch. 5. Jim and Della greet each other in the morning. 6. Jim reacts to Della's hair cut.

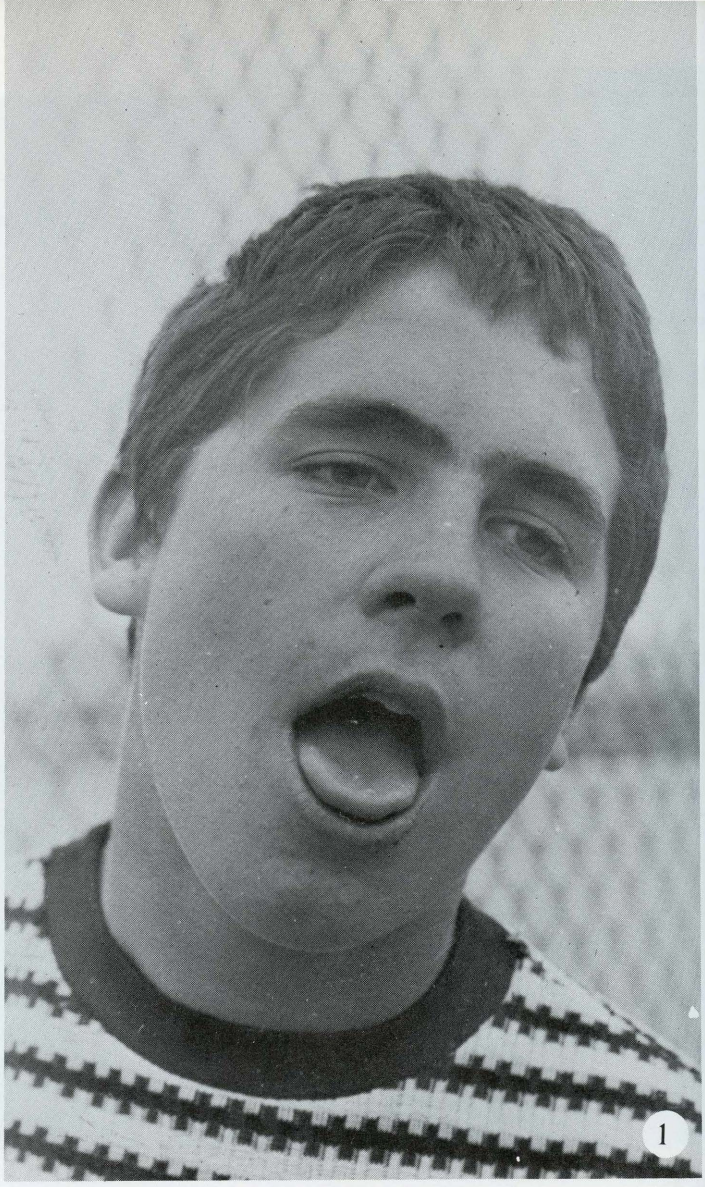

Canyon, The Face Of Many Expressions

Traveling down Canyon's road to find out students found it littered with memories found in their own expressions. Valient cries of freedom and individuality echoed through the halls when the beach bound crowd sounded a chorus of "Surfers Rule". Not even the roar of their cars or the volume of their tape decks could drown out the "Lowriders" specialty "La Loca Con East L.A."

Students also came together to express themselves in brotherly love and everlasting faith by defacing Canyon's walls with an all new kind of graffitti, "Jesus" and "Agape". One of the main hang outs for Canyon graffitti artists seemed to be the girls rest rooms. Though these scribblers were rarely seen, their works appeared daily.

Expression played a big part at Canyon this year and was equally important in the individualism of students as well as spirit and pride.

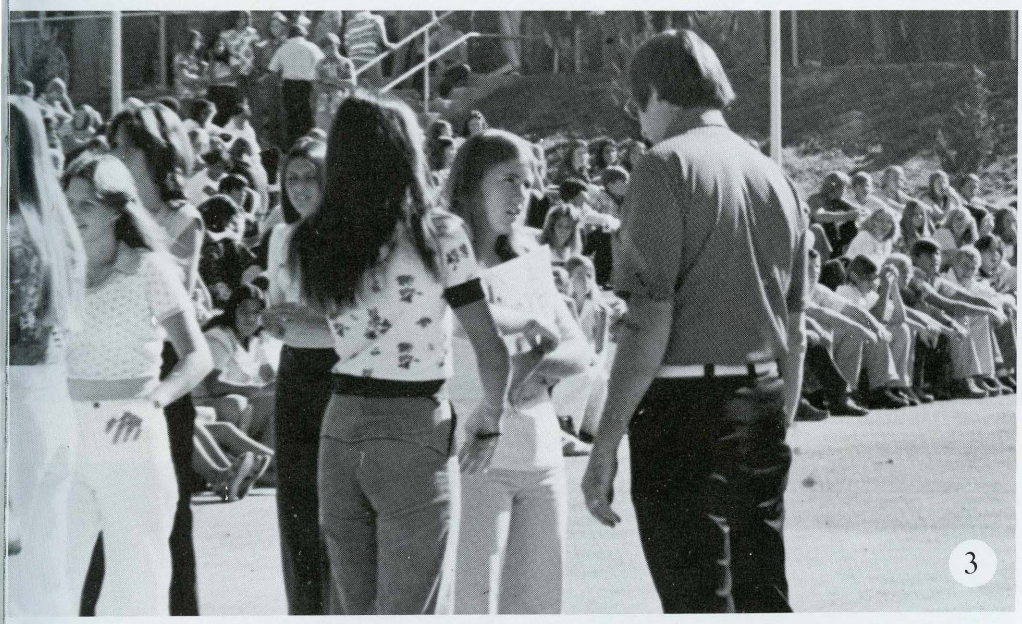

1. Tim Thomas pants after running the track. 2. Hiedi Zoesch enjoys her lunch on the ampitheatre. 3. Julie Oswell and Mr. Burrill discuss first day confusion. 4. Laurie Wezolowski stifles a laugh. 5. Assemblies Provide Entertainment

This year, Canyon had a wide variety of performers and guests visit the school. The assembly chairman, Anita Owrey, and those involved did their best to provide students with entertaining and exciting assemblies. Students really enjoy these performances but as is only natural with large crowds they sometimes got a bit out of control. When the talking, whistleing, cheering, and booing got too loud many assemblies were cancelled until further cooperation could be assured

Assemblies featuring Science, Sports, and Psychology were of special interest to students. Besides these special guest performances Canyon also enjoyed the traditional ones, such as pep rallies, choral and band presentations and the annual class elections, yearbook, and award assemblies.

A chance for some good entertainment and the five minutes knocked off each class made assembly days favorites with everyone.

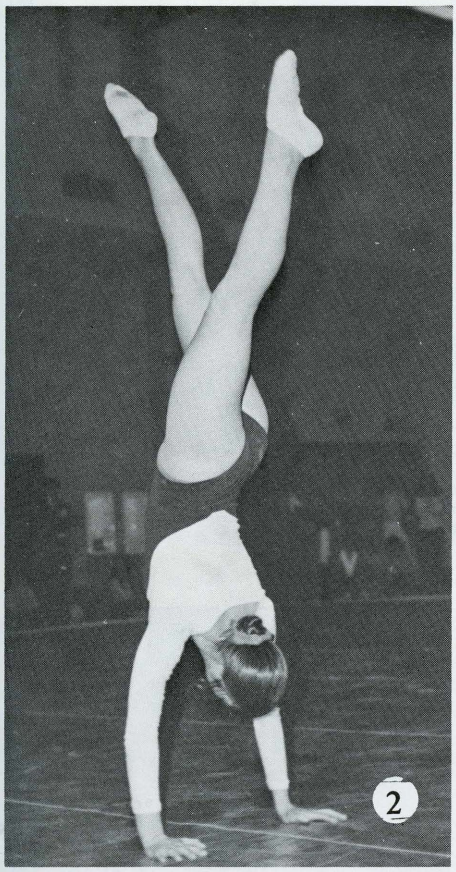

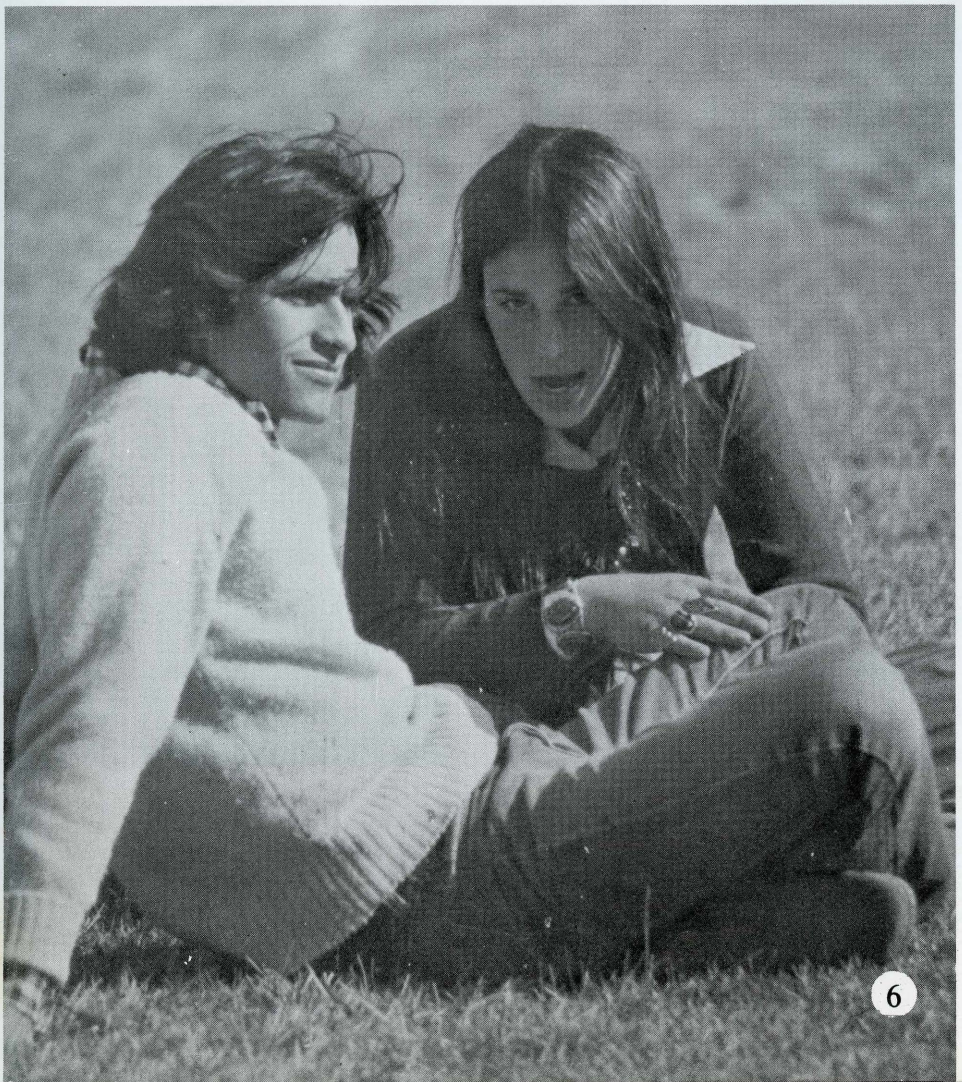

1. Mike Heckathorn collapses during the hypnotist assembly. 2. A member of the University High School gymnastics team does a compulsary floor routine. 3. Instead of going to an assembly Joannie Chappell decides to get a head start on lunch. 4. University High displays a difficult ring routine at the gymnastics assembly. 5. Lisa Falk, Frosh - Soph cheerleader, leads the two - bits cheer at a pep rally. 6. Rafael Elliot and Luanna Belda relax on the Freshman quad.

Although assemblies featured many varied talents, they could not attempt to hold the interest of all the students. Anyone who didn't attend an assembly would find that they weren't alone. This year, Canyon gave the students a choice of going to assemblies or sitting on the amphitheater to visit with friends. The only problem was that students couldn't leave campus early.

During this free period, many took the time to catch up on last night's homework, or exchange the latest gossip, and some slowly but surely, found a way to sneak off campus to grab an early lunch.

Canyon Continues To Host Exchange Students

Four Foreign Exchange Students were exposed to Canyon's lifestyle this year. They were Edgar Correa, and Sylvia Dantas from Brazil, Satoshi Takahashi from Japan, and Gaby Klugman from Germany. Students exchanged unique information on customs and habits and almost and International member could boast knowing how to cuss in four different languages.

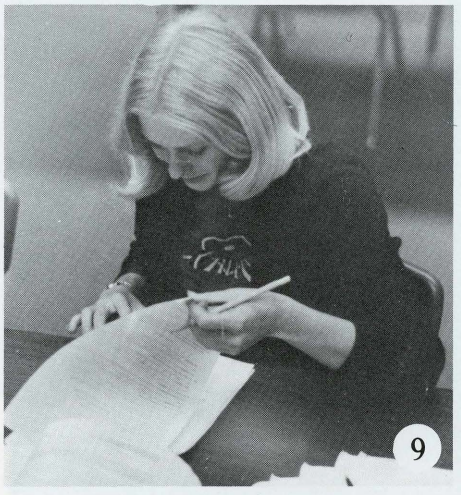

The four students quickly got caught up in Canyon's wide variety of activities They participated in Sports, Drama, Art and many other areas.

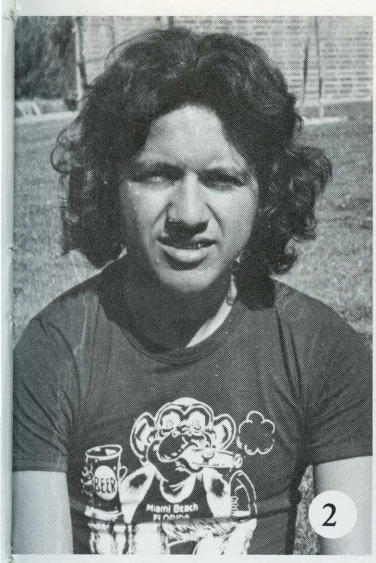

Language barriers plagued some foreign students as they could not decipher much of Canyon's intricate slang. "Vhat is to make you zhink zat I have an accent?"....It's cool, for sure, right on...."zhese words is to be difficult for me to understand?!"

Basketball Homecoming Draws Large Crowd

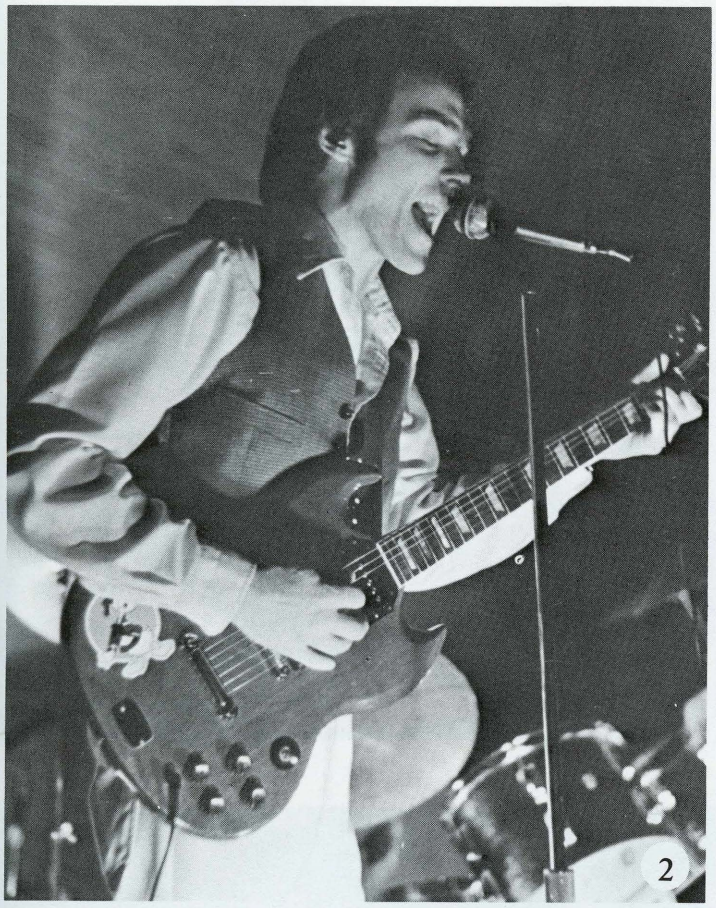

Basketball Homecoming has always been an event that Canyon students look forward to and this year was again one of our most colorful activities. The basketball game itself was not victorious, but it was enjoyable. Canyon battled the tough team of Glendale.

Although the game may have been somewhat disappointing, the crowning of the queen was not. As the evening progressed, the girls anxiously awaited the coronation ceremony. At the inauguration, exclamations of joy, and tears were expresses as Lisa Villalba became Homecoming queen. She regeined that evening through the game and dance.

The one abject comment made about Basketball Homecoming this year was that there was a lack of activities prior to the game. But as a whole, the game was one of Canyon's most successful events.

Individuality Stressed At Canyon

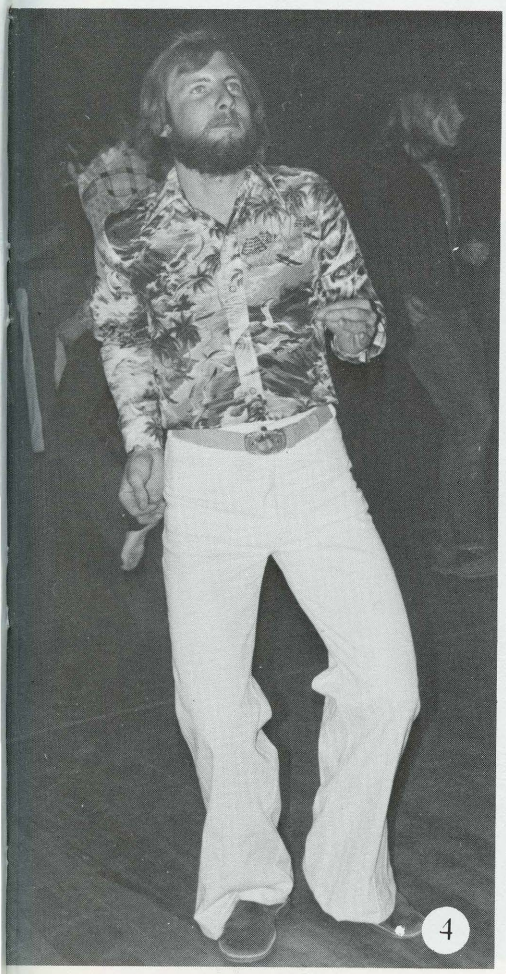

Who would have the courage to discard our established modes of living? Who would have the confidence of speaking their mind and knowing that it makes sense? Not very many people have the self-esteem to go against the grain or be different than everyone else. Individualists seem to have this dynamic ability to be different and not care what other people think.

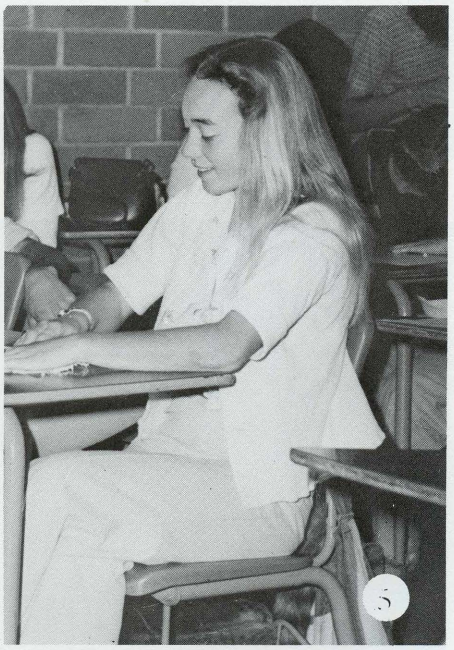

There were many areas which individualists were involved in, such as art, athletics, drama and instrumental vocals. It just shows you that individualists were recognized at Canyon.

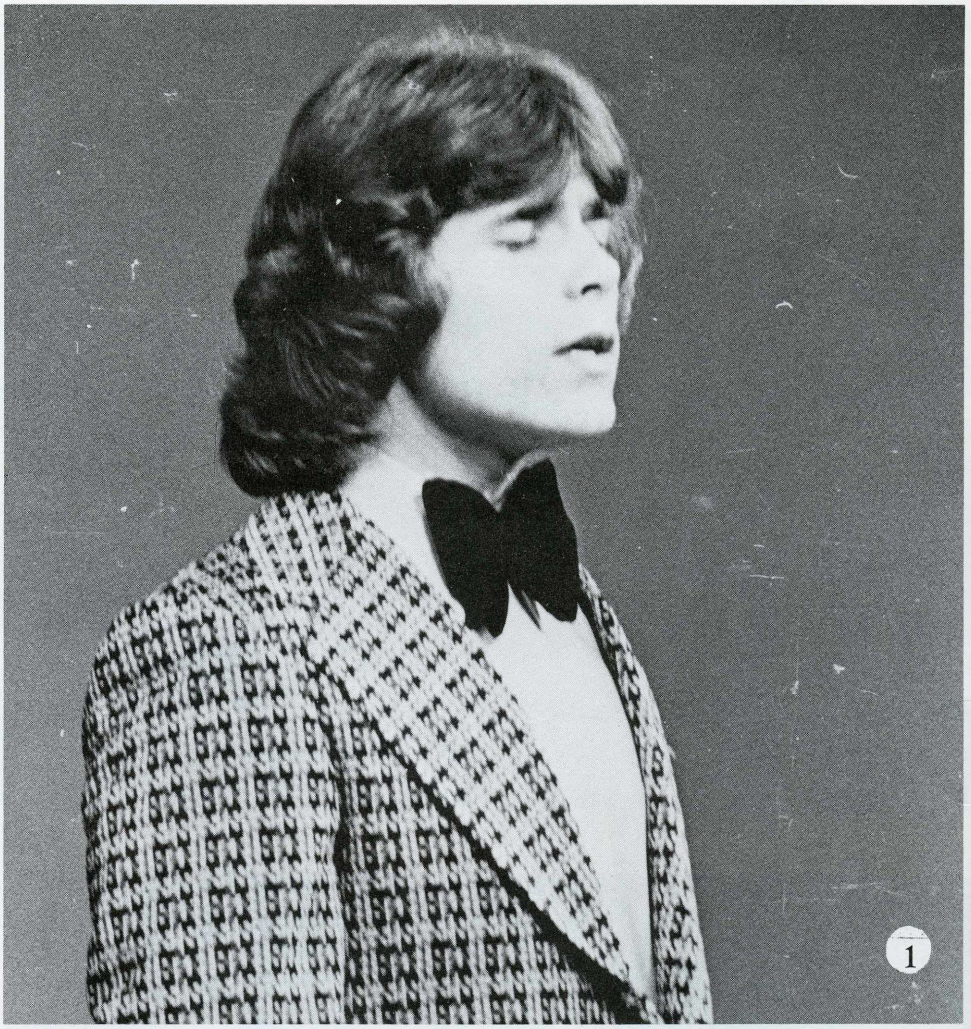

1. Bonnie Robertson sketches in the desolation of the Art room. 2. Students have a buffet style picnic on the ampi - theater lawn. 3. Examining Women's Lib, finds Theresa Hall deep in thought. 4. Rick Desing joins students at a dance in the gym. 5. Jinger Rood.

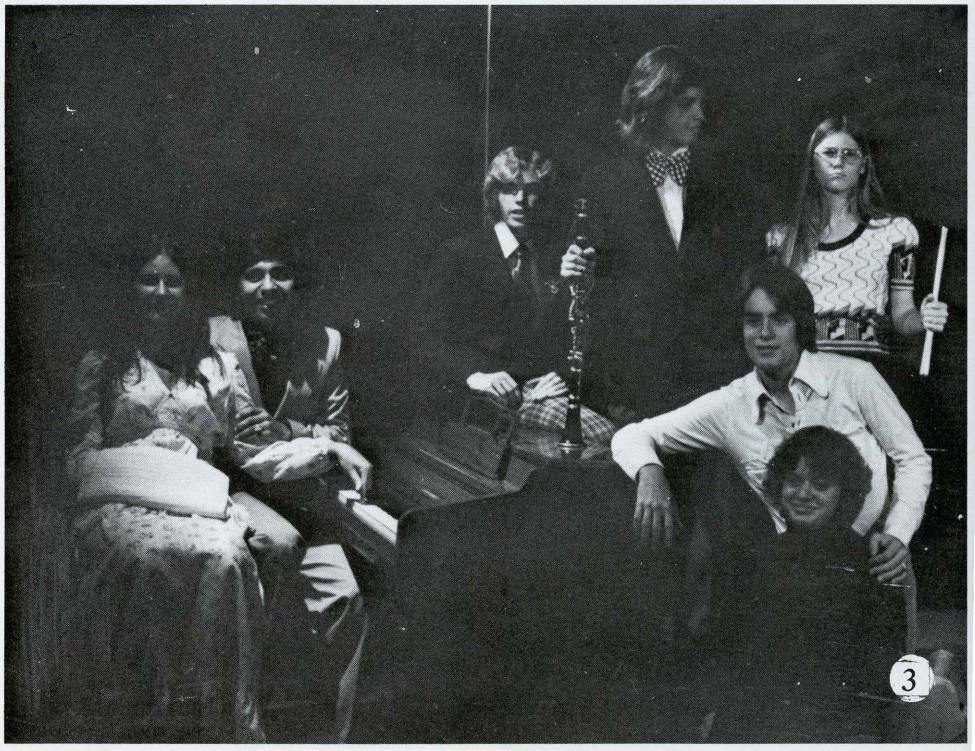

Showcases Provide Talent Outlet

Showcases were presented twice this year by the Fine Arts department. These showcases were designed to give fine art students a chance to display their various talents. The first was held Nov. 25th in the multi-purpose room.

A scene from the play "The Jewish Wife" was performed by foreign exchange student, Gaby Klugman and Craig Cochran. Barry Curtis and Jim Alvarez sang two solos and afterwards combined to do a duet of "Grand Old Ivy". Instrumental music was played by Chris French on clarinet and Denise Barrus on drums with Patty Baldwin on piano. Art by Kevin Gansz, Tim Gustafson, Jeff Jennings, Gene Moore, Mary Ann Reidel, Tim Smith and Steve Sakolowski was displayed.

The second showcase was held on March 17th. It featured the flute trio of Cheryl Ambrose, Catrina Burress and Joni Haney. Doreen De Hart and Leslie Bandle performed the one act comedy "Lemonade". Dave Leger sang a few folk songs and one he wrote called "The Old Tree". Art was on display featuring works by Anita Sisul, Jeff Jennings, Elaine Roessler, Bonnie Robertson, and Ron Wilkerson.

Many students personalities emerged during the classroom scenes.

3

5

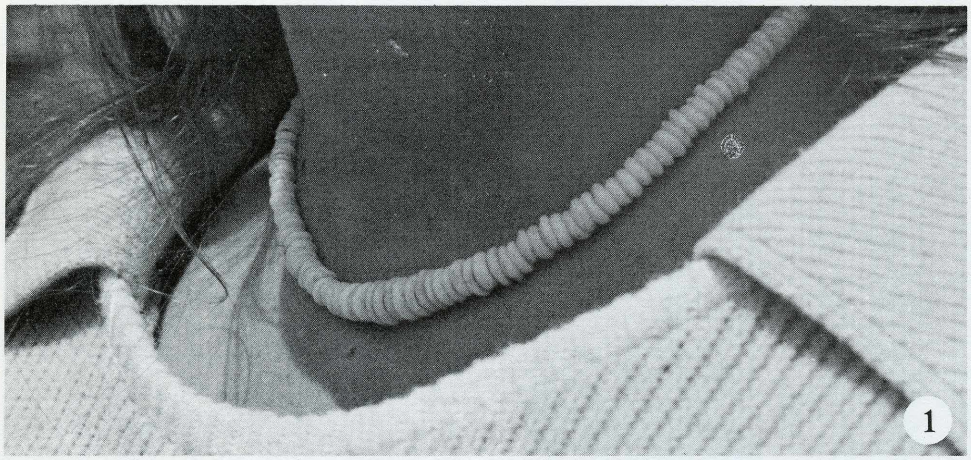

Up the Down Staircase, the spring play, was an enormous sucess. With the first sell out performances, of a non-musical play, it was by far the most popular theatrical endeavor of the season.

The popularity was mainly due to the subject dealt with in the play. Up the Down Staircase dealt with the hilarious and heartbreaking situations occuring at over crowded, understaffed, Calvin Coolidge High School. Sylvia Barrett, the heroine, a new teacher at Calvin Coolidge she came there very optomistic, but soon learned what a struggle it was to teach English. The facilities were poor, and no one on the staff seemed to care about the students. Everyone cared only to keep some semblance of a school about them, as the administrative assistant put it "Keep your imagesintact, and you students in their seats!

Many of the students feeling this oppression became rebellious, some became silent and sullen, others boistrous and a few, insolent. These fine characterizations contained in several classroom scenes made up the spring play.

Members of the cast were; Rhonda Amerson, Leslie Bandle, Patty Baldwin, Don Bell, Sarah Berreth, Michelle Broviak, Christy Carsten, Joan Chappell, Michael Cole, Matt Darland, Jim DeLaHoz, Brendy Fasano, Julie Farmer, Rick Fresquez, Steve Gelardo, Gayle Glasnow, Jeff Hagel, Rebekah Harjo, Kim Kilgore, Gaby Klugman, Simon Lucas, Debbie Marti, John Mayton, Michael Mendoza, Mary Mountan, Kelvin Ricketts, Suzanne Rush, Danny Viramontes, Jane Wells

With Canyon's new look of dress for 1975, came the now famous "Levi" skirt. Worn with faded blouses, knee socks, and Indian sandles, this casual look was really a very studied effect in planned poverty. Another addition to Canyon's fashion line was a new kind of shoe, the "Earth Shoe"

Although some clothes went out with the '73-'74 year, many remained, if slightly altered. Sweatshirts reappeared with the cold weather, but they were worn around the shoulders instead of the hips. Wallabies, surfer shirts, tank tops, cords, and jeans enjoyed another year of popularity at Canyon.

When selecting apparel, some chose clothes for comfort, some for style, and one over came the problem altogether, as was witnessed during Sadie Hawkins day as he did a return of last year's craze, streaking.

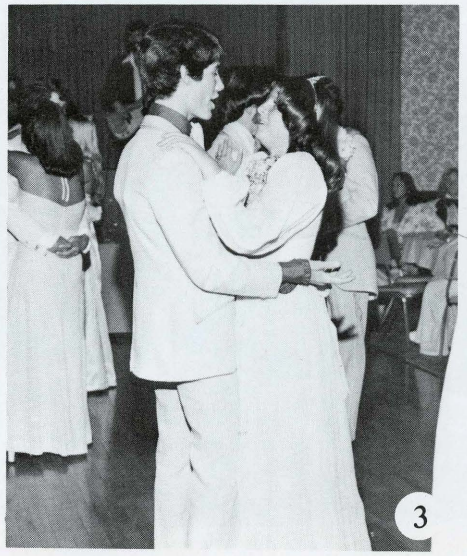

First Dinner Served at Prom

With the theme song, "We May Never Pass This Way Again", the Junior-Senior Prom got under way at 7:30 on Saturday, May 17th. Over one hundred couples attended the Prom, which was held at The Castaways in Burbank. For the first time in Canyon Prom history, dinner was served to the guests, moving the occasion up a notch in elegance.

Despite the traditional formality of the Prom, Casey Gagan and Mr. Bill White added a note of humor when they read the guest list and put in little anecdotes of their own. Brad Garrison and John Speaker cane in tails, top hats, and canes. They both received a round of applause as they seated their dates and then proceeded to fold up their top hats!

Later in the evening, Cindy Fellenz was crowned queen and was congratulated by her court which consisted of : Lori Brain, Debbie Dwyer, Michelle Goldsmith, Karen McCaslin, and Chris White. After the Prom Many of the guests went to the beach in bunches.

Honor Scholars Dominate Graduating Class

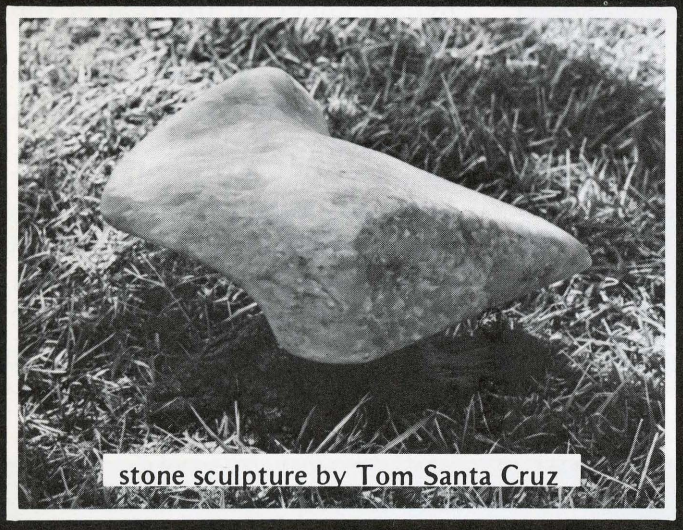

Graduation was once again Canyon's last memorable event of the year. The green and gold clad graduates marched solemly down the aisle to begin the seemingly orderly ceremony. Mr. Jerry gave his annual speech, followed by Casey Gagan's salutatorian speech, and Robert Goldstein's valedictorian address.

Then came the long awaited moment, the distribution of diplomas. 350 seniors ran up to accept their diplomas, and then, with the ordeal over, they helped cheer on the rest of the class.

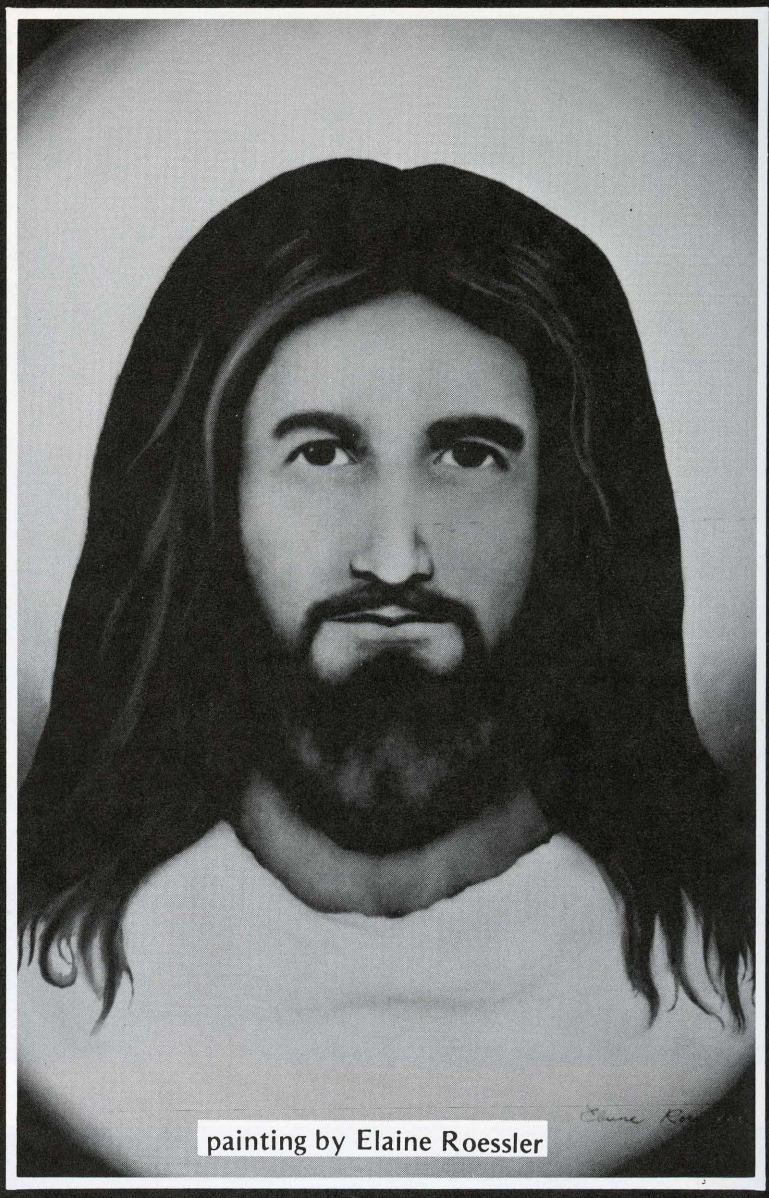

Canyon's 1975 Senior class was by far the most spirited at graduation. The ceremony ended with the entire class hugging, pushing and shoving up the ampitheater. But the real climax of the evening was at grad night, an event more looked forward to than the actual graduation.

Canyon has always stressed the development of students individual artistic talents. This year we have taken the time to recognize this personal success by displaying a cross section of student art.

Traditional arts such as painting and sculpture were exhibited in some of the art classes, but Canyon pupils were not limited to these medias. Creativity was also put to work in music, literature as well as a photo contest.

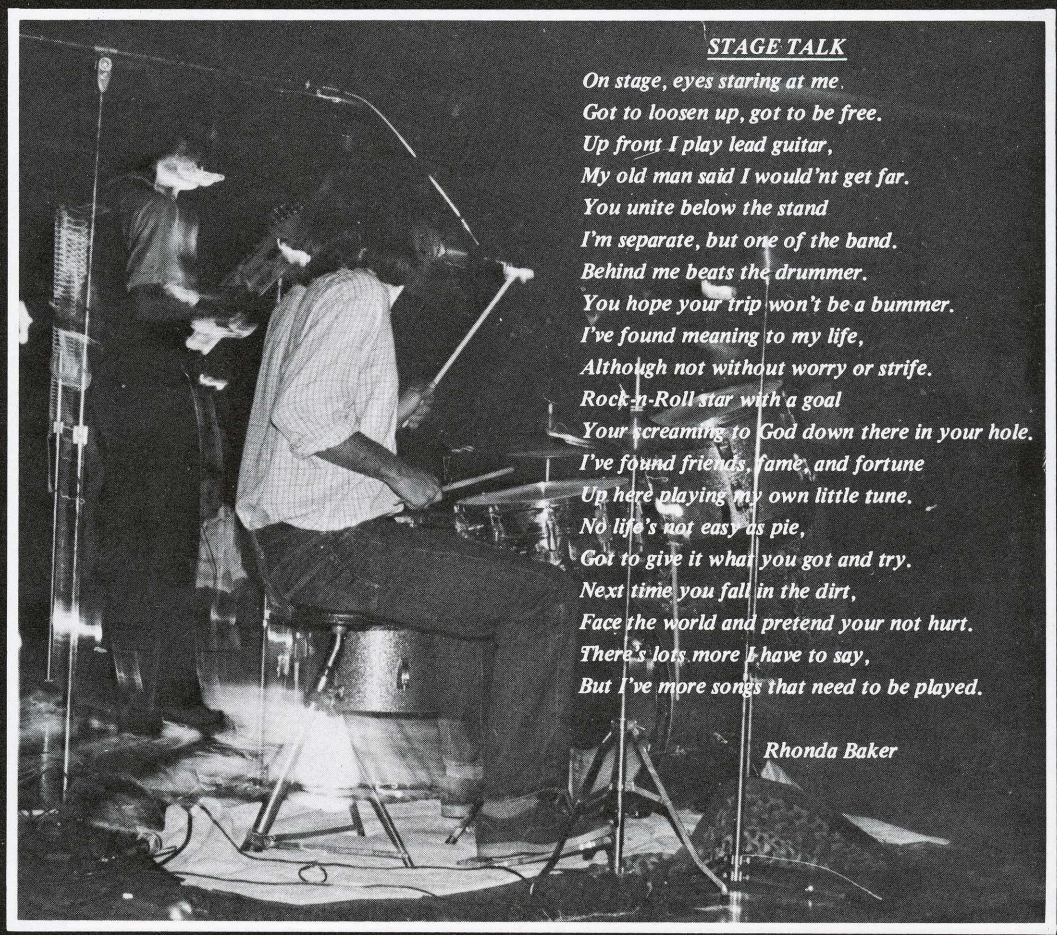

In each aspect of artistic expression, Canyon students were extremely adept. Hopefully the pride we have found in art will surpass the general feeling of apathy towards our school.

YOURS

Reason to me
Say all the things
I've told you not to say
and stay.
It's lonely
while my home be
hours away
I see I miss
the scented kiss
of yours
I find now
that some how
by being alone
I realize
my eyes
have grown tired
so uninspired
of being alone
while my home
be hours away
and today
I see I miss
the scented kiss
of yours.

STAGE TALK

On stage, eyes staring at me.
Got to loosen up, got to be free.
Up front I play lead guitar,
My old man said I would'nt get far.
You unite below the stand
I'm separate, but one of the band.
Behind me beats the drummer.
You hope your trip won't be a bummer.
I've found meaning to my life,
Although not without worry or strife.
Rock-n-Roll star with a goal
Your screaming to God down there in your hole.
I've found friends, fame, and fortune
Up here playing my own little tune.
No life's not easy as pie,
Got to give it what you got and try.
Next time you fall in the dirt,
Face the world and pretend your not hurt.
There's lots more I have to say,
But I've more songs that need to be played.

Organizations

perhaps the activities we enjoyed outside of school, encouraged us to join together on campus.

Executive Council Strives for Student Involvement

Nadal Street, cross town rivalry, on campus smoking, and student rights were just a few items that were on the Executive Council's agenda. Casey Gagan was first semester A.S.B. president. He had a good term in office and worked closely with his vice-president Bryan Coleman, who was also in charge of Legislative Council meetings.

When Bill Heins came into office, the members of the Executive Council were busy organizing the annual Donkey Basketball game. Cheerleaders, queens, and riders were chosen from the class.

But there was also a serious side to the group. When tape decks and tires started to disappear from the parking lot, the council had to get down to business. Rules for the use of the lot made to be made.

Another problem that was brought to the attention of the student government was the assembly behavior. There were many complaints about the noise level during the flag salute and during the actual performances. A letter was sent out to the control period teachers, informing the students that if the problem wasn't stopped, all up-coming assemblies would be cancelled. At the next assembly it was apparent the students got the message.

Some of their other activities included; after-game dances, class elections, and the sales of pom-poms and balloons at football games.

Legislative Council Gets Involved

Legislative Council members became more involved this year. The Council consisted of a senator from each control period. Legislative Council was under the leadership of Brian Coleman(1st semester), Mike Heckathorn (2nd semester), while being advised by Rose Romeka.

The group met at least twice a month to discuss problems dealing with the school and student concerns. They had been working on changing the bylaws of the Constitution. Main interests were : assembly behavior, good sportsmanship conduct, vandalism, and the destruction of school property.

This year may certainly be summed up as successful and encouraging, due to much involvement and concern of the students.

Pep Squad Gets New Advisor

Canyon's Varsity Cheerleaders had an industrious year. They should be commended for the efforts they have made to help our teams. The girls spent their own time and money uplifting the Cowboy's spirit.

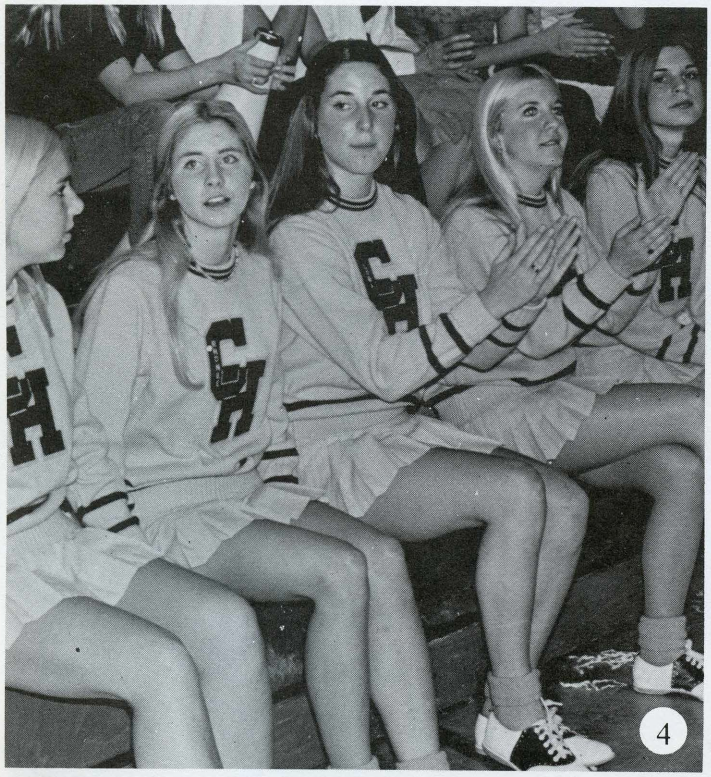

Our mascot, Michelle Goldsmith and Mrs. Shulte, planned pep rallies, car washes, button sales and bulletin board sales.

Our songleaders went to camp this year and did really well. They have kept up the spirit at games even when the mood of the crowd was filled with apathy.

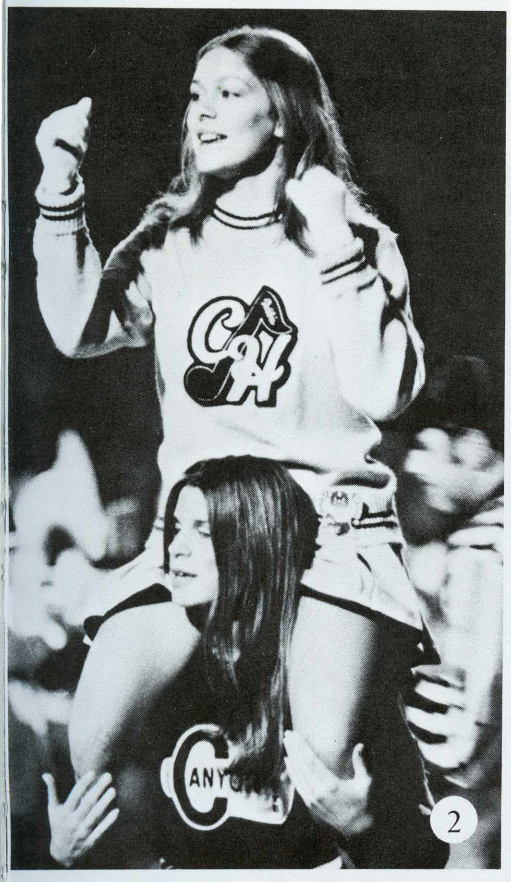

Debbie Murphy had to quit songleading, so try-outs were held to fill two spots. Sandy Porter and Lori Duchemin were chosen.

Frosh—Soph Are Prominent At Rallies

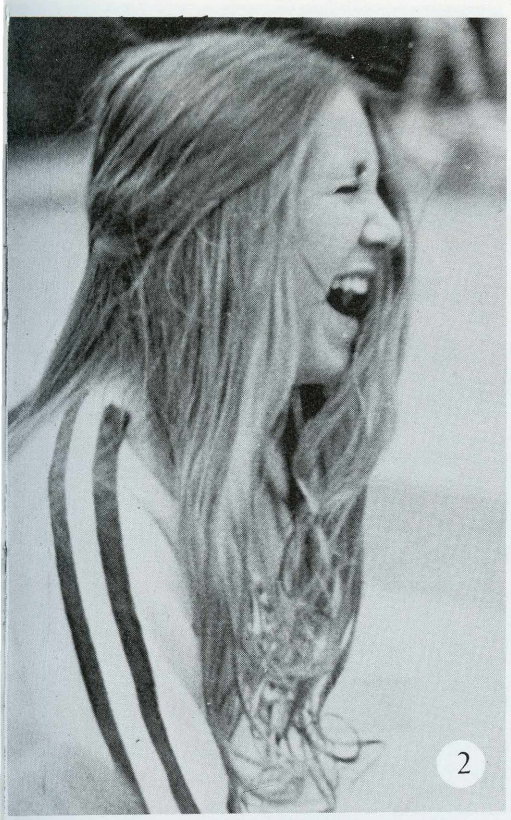

30 hopeful girls tried out for the prestigous positions of J.V. and Frosh-Soph cheerleaders for the 1974-75 school year. 12 of the most qualified were chosen and went on to be trained at a week long summer camp. Camp is one of the customs newly chosen girls go through. They were coached in stunts, chants, cheers, and they participated in supervised competitions. Some of their less supervised activities included skateboarding in the halls at six in the morning.

The camp obviously helped, as the girls astonished their audiences with their skill and precision cheering. The three girl sit was a new stunt this year. It involved balancing three girls on each others shoulders and it was really accepted well by the audiences who witnessed it.

Horses Join Drill Team

The drill team itself was made up of 30 girls who marched at five parades including Camarillo where they placed 3rd. The 12 best made up the small precision. These girls performed at rallies and basketball games.

The drill team was headed by Mrs. Jenny Lambert, and captains Tanya Sellers and Kathy Hearn.

Halloween insurance, candy, donuts, and poster boards were sold to pay for new uniforms and the end of the year banquet.

A new banner was added to the attraction of the 8 banner carriers, headed by Beth Keene.

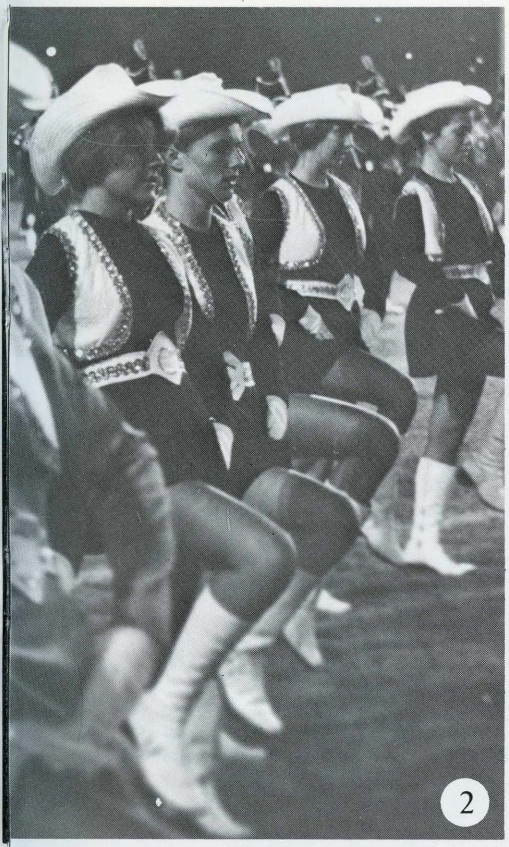

Tall flag carriers, headed by Nanette Ammerman and Diane Upton also improved the formations of the Drill Team at half time shows.

Flag twirlers performed the black light routine again this year. Ooh's and aah's were heard from the bleachers as they did their routines with florescent flags. Along with pep rallies, the squad performed at half-time shows and parades. The six girls did very well at the Camarillo parade this year as they came in second.

Another exciting event for the girls was the pre-game show and half-time finale at the Ram's play off game. The Band, Drill Team, and Flag twirlers made their television debut for this year, when they were invited to perform at this important event. Although there were other problems the most common one was having to dress on the bus with the band.

They practiced every day and two nights a week. Their fund raising included selling posters, bake sales, and car washes.

C.S.F. is Largest Club on Campus

California Scholarship Federation was the largest club at Canyon, with a membership of 103 students. If you came late to a meeting there was standing room only.

Meetings were held about once a week. They discussed See's sucker sales and service activities including hosting the open house and graduation, guiding tours for parents, and debating a possible honor roll.

A scholarship was awarded to a chosen senior from the C.S.F. funds.

Officers were: 1st semester, President: Lee Fife, V.P.: Phil Spriggs, Treasurer: Fred Callison, Secretary: Nancy Lindell. Officers for 2nd semester were: President: Bob Litjen, V.P.: Lynn Glaser, Treasurer: Fred Callison, and Secretary: Dana Van Skiver.

Varsity Club Raises New Flag

The prestigious owners of Canyon letters grouped together again this year to form the Varsity Club. They were mainly a service organization and they helped in the planning of Donkey Basketball, the Homecoming float line-up, assemblies, and numerous activities. They were also the originators of the Two-On-Two Basketball game.

A photograph of the selected athlete of the week was put on display in the administration building by members of the club. For each game won by a Canyon team, the Varsity Club flag was raised in tribute. Trophies were given to one player out of each sport at the end of the year.

There were 25 members in the club. Officers were: Pres.: Tim Browne, V.P.: Leo LeCompte, Treas.: Steve White, Sec.: Dean Hamilton, and the Sergeant at Arms was Richard Gibson.

Pony Express Puts Out 2,200

Canyons own newspaper the Pony Express started out the year with a new Compuwriter. This expensive and complex machine which was purchased by the newspaper staff and a few other groups made it possible to get the paper out more quickly. 18 students distributed the newspaper every other Friday despite the rising cost of materials. Advertisements as well as A.S.B funds, supplemented the cost.

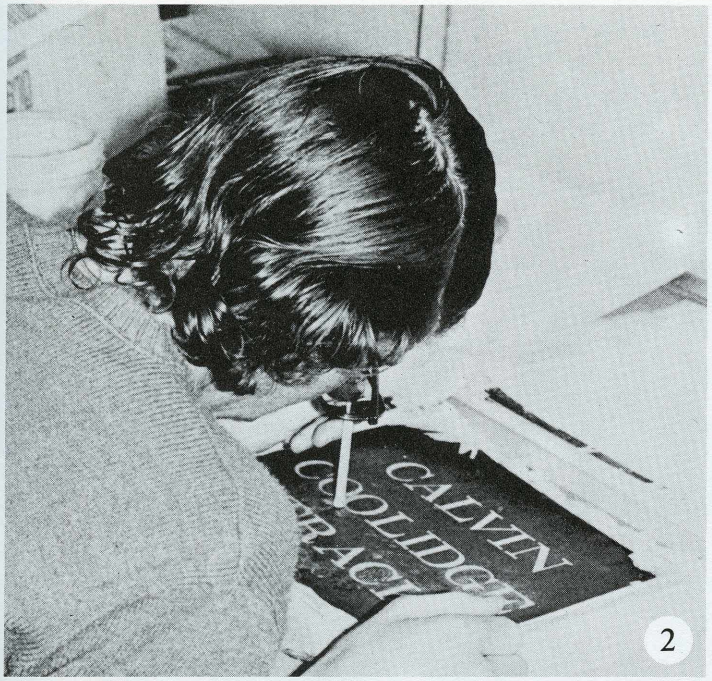

Even though this years staff was only half the size of last years the staff still managed to produce a full four page paper. These four pages covered feature stories, opinions, sports, and sometimes a message from Mr. Jerry confirming his existence.

With a circulation of 2,200 there were still never enough to go around. One copy of the Pony Express would pass through several hands before it was discarded.

Graphic Arts Shares New Compuwriter

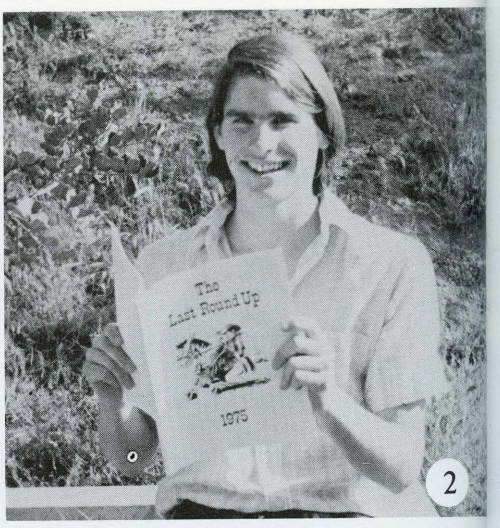

Graphic Arts Club's second year at Canyon proved to be very successful. Students learned skills and theories related to modern publication and production, in addition to printing the Pony Express.

Not only did the Graphic Arts Club print the school newspaper they also dealt with posters, programs, leaflets, and the Canyon Echo.

Mr. Gigler was the advisor for the club. There were actually six Graphic Arts classes. The club consisted of 12 people and met every third Tuesday.

They acquired two new pieces of equipment; a cold type computer which helped compose copy much quicker and a printing machine.

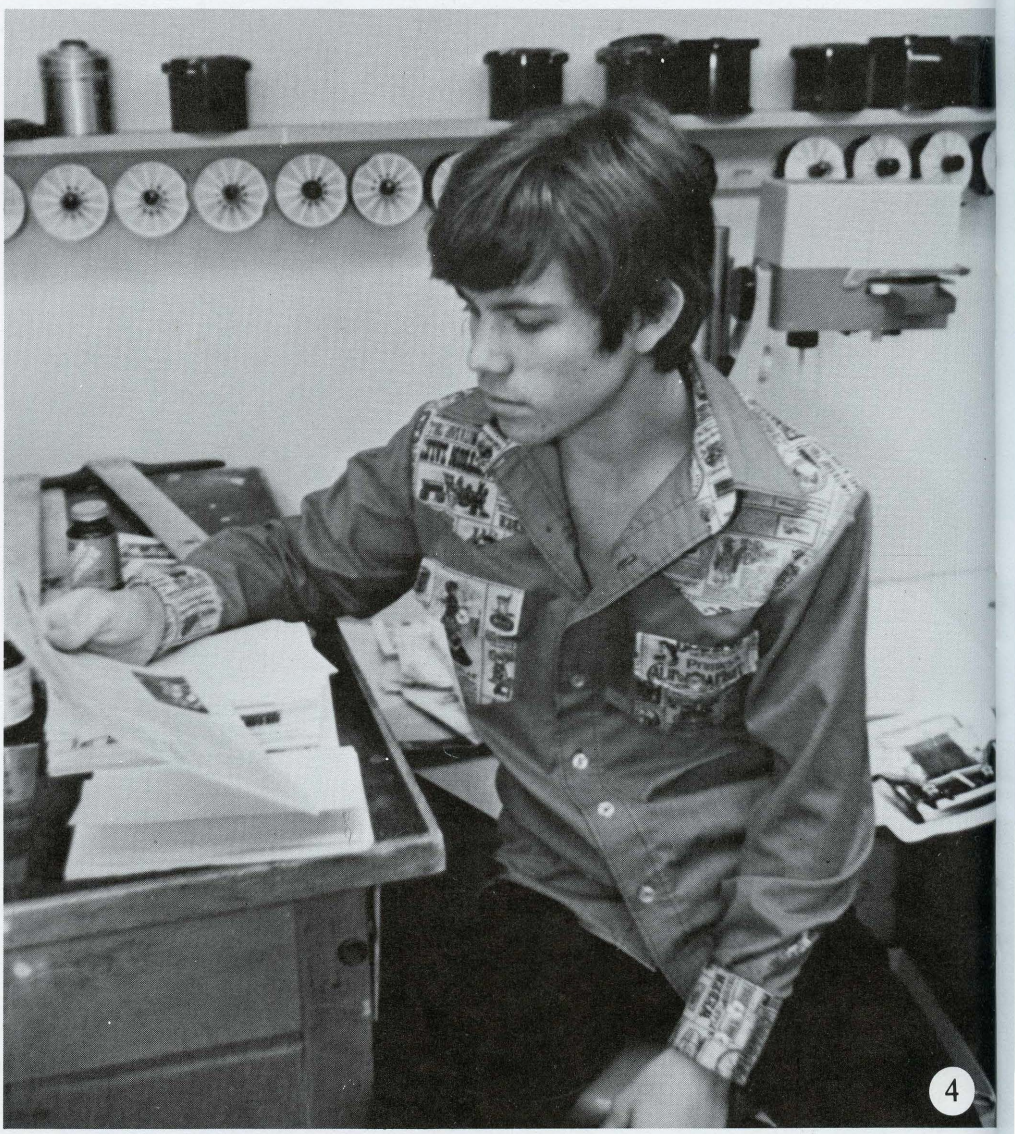

Last Round-Up Acquires Larger Staff

The Last Round Up staff under Mr. Chalberg was composed of 19 members, the largest staff ever. The photographers aimed to provide the students with a publication of informal momentos.

Two new additions to the book were fourth period class group shots, a complete staff section, a total of 75 pages, and 600 editions which brought the price up to $3.75 per copy.

Key Club Holds Concert

Canyon's Key Club was reinstated this year, with the leadership of Mr. Marincola and Mr. Waite. They met once a week.

The purpose of the Key Club was to assist and direct community activities and to raise money for community benefits. This year the Key Club's largest fund raiser was a Gary Woods concert. A couple hundred students enjoyed listening to Woods sing one evening.

The club was only open to males while the Fillies, a club parallel to the Key Club, handled the girls community enthusiasts.

This year, the Varsity and J.V. Badminton teams had their first season in competition. Under the advisort of Mrs. Ardyce Stanford,.Varsity tied for second place and J.V. tied for first. Many hours of hard practice were put into turning out two very good teams. With two teams and one coach, a great deal of co-operation was needed between the girls.

The teams practiced during periods six, seven, and eight, doing various drills to improve their net shots, backhand and forehand shots, smashing, and most of all, serving.

They are looking forward to an excelent Varsity and J.V. team next year.

Gymnastics And Badmitton Become Two New Sports

2

This year, Gymnastics was added to Canyon's long list of athletic teams. The team was originally planned to include both boys and girls, but male athletes were unenthusiastic. Canyon ended up with another girl team. To supplment their minimal equiptment, the girls had a Cartwheel-a-thon. They raised enough money to buy a a badly needed vaulting horse.

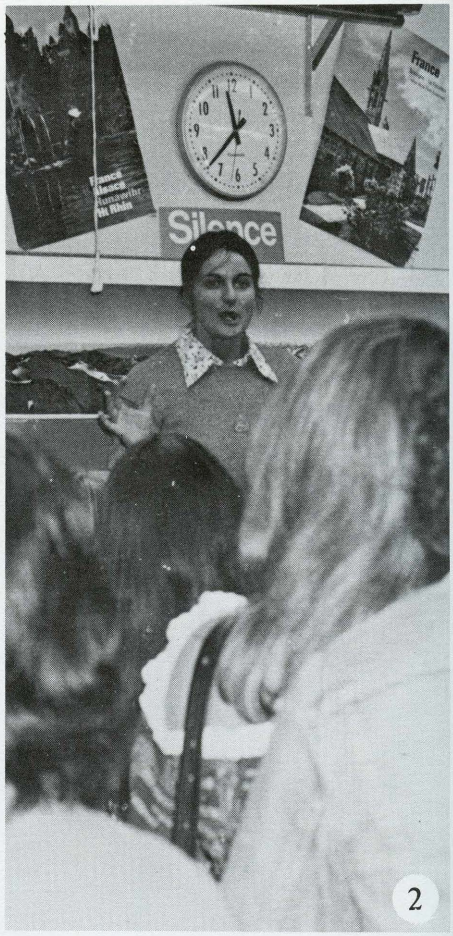

The team did surprisingly well. Although the girls were inexperienced they weren't lacking in spirit or determination. They managed to keep a fairly even win-lose record. Coach Holloman is positive next years team will be improved greatly, if they continue to work at the pace set this year.

International Weekend is a Success

International Club had their most active year since it's existance. The club's activities consisted of a Halloween party, a banquet and a International Weekend.

The International Weekend was an activity where some 42 Foreign students from the San Fernando Valley were hosted for the weekend by our Canyon students. The foreign students were shown around Canyon all day, having discussions with the Social Studies Department and Foreign language classes. After this, they met for pizza and went to Kennedy High for their International program. The next day they went to the beach, where they enjoyed playing music, football, and just soaking up the sun. Saturday night and all day Sunday, the host's family showed the students around on their own. The weekend was a complete success.

The International Club was the first club to put a float in Canyon's football homecoming parade. The float, decorated with flags from all over the world, carried students dressed in foreign outfits around the field at half-time.

The club met two times a month, under the advisorship of Mrs. Kruglak.

Band Goes To Europe

Every year in the past the Canyon Band has received an invitation to play at the Jeneva Music Festival in Switzerland, but never thought they would see this dream become a reality. Through many hours of hard work and dilligent efforts, the musical group was able to make the 17 day trip during the summer.

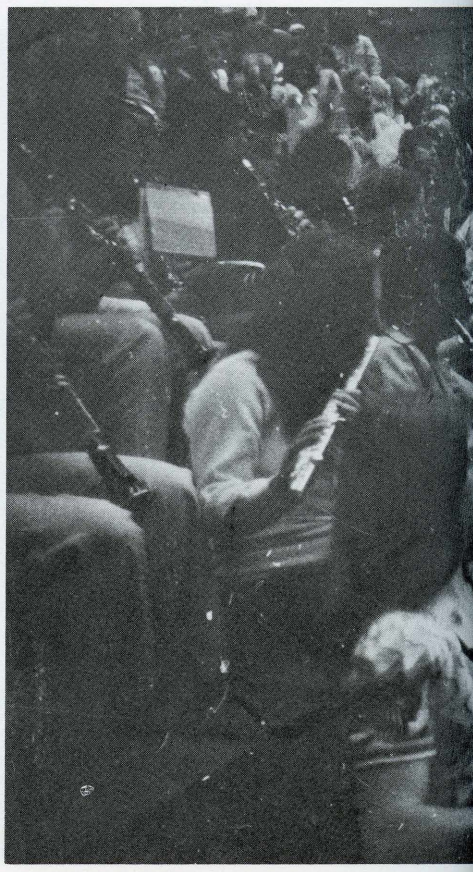

To raise the $54,000.00 needed, the Band Booster Club started early in the year, planning Bottle Brigade, car washes, raffles, cake sales, fruit cake sales, and many other means, of raising funds.

Besides the Geneva Festival, the group played at the Montreaux Jazz Festival in Switzerland. Other places the concert tour took them were, Germany, Austria and parts of Italy.

Director Ignacio Cabrera was determined not to turn the music program at Canyon into a fund raising one. The bands played at all their normal parades, half-time shows, and festivals, not letting Project Switzerland get in the way of their music.

To top off the sucessful marching season, the 90 piece marching unit excepted an invitation to make their nation wide television debut at the Ram's vs. Redskins play off game, where they marched the pre-game and half-time finale.

Rain Dampens Motocross

February 6th was a rainy, gray day but the weather did not seem to bother the crowds surrounding the motocross track which was on the football practice field. The second annual Motocross race was in the making. Last year's race was so popular with students that when the board decided it would not be repeated,(due to damage of the football field) there was a small uproar. Mark Funderburgh and Mr. Lee Hunt were two who did not want to see Motocross go. As a result they managed to wrangle a feeble "yes" from the less than enthusiastic board. 30 riders showed up from both Canyon and Hart and after two hours of earshattering noise and cold rain, Canyon emerged a little muddy, but victorious once again. Prospects for another race next year were dimmed when a chain link fence was installed surrounding the field and blocking the entrance to North Oaks Park. But as the grass begins to fill in the bald spots on the football field and Motocross begins infecting the student population, a mere fence will not cool the fever of the motocrosser. The possibility of holding next year's meet at Indian Dunes is underway.

Woodcraft Launches Boat

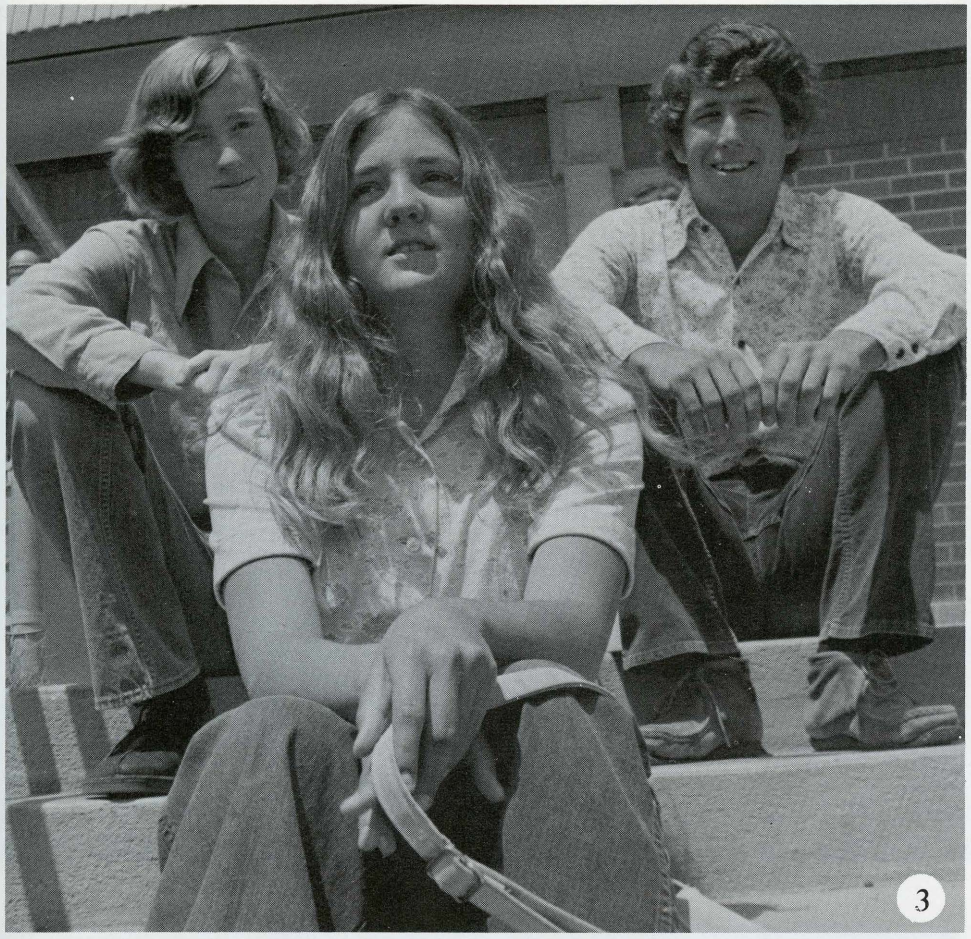

Woodcraft under to advisement of Mr. Blankenburg met once a week. The purpose of the club was to provoke interest in crafting wood.

The members made various items including boats, barns, bookcases and racks for the school. With the money they made from these items, the club bought materials and tools.

Officers of the club were:Pres. Larry Nagler, V.P. Jeff Barret, Sec./Treas. Shirley Howe.

Wrestling Returns

Starting in December for the first time in two years the Wrestling team worked it's way up to win three out of five meets. In past years the team was cancelled because of lack of interest, but this year there was a burst of enthusiasm, so they were able to form it again. The team was predominatly 10th graders and they ended the season successfully against varsity competition. Most of this was due to three hours daily of practice.

The new coach was Mr. Waite. He worked right next to the team to develope a foundation for future years.

We the Trails staff were really on the move this year, literally. Our materials and general clutter were constantly being relocated and by the end of the year we had infested seven different classrooms with our layouts, pictures, cropping equipment, and other yearbook paraphernalia.

We finally found permanent homes in V and T buildings during the second semester and even abandoned our seclusive dark room in the H boy's restroom for the larger one in V building.

The staff prospered under the guiding hands of two editors this year. Leslie Bandle and Doreen DeHart broke the tradition of one overly burdened editor by having two slightly burdened editors who had conflicting ideas of what a yearbook should look like. Glimpses of both their personalities can be seen throughout this book. Ms. Louise Munyan took over this year as yearbook adviser and gave up many a skiing trip so that she could spend her weekends at school, finishing pages for numerous deadlines.

Madrigals Remain Busiest Singers At Canyon

1974-75 proved to be a very busy year for the Madrigal Singers. They performed at the Rotary Club, Womens Clubs, and a Teacher breakfast. They sang at the annual Christmas assembly and other assemblies as well. Every year the Madrigals tour the elementary schools of this area and present shows for the children. This year they toured approximately 14 schools and had a great time. Along with all this they also found time to squeeze in all the necessary concerts and festivals.

The new outfits this year were the most elaborate yet. They were also quite expensive. To raise the needed funds, the singers sold pollywog candy, definitely a culinary delight.

Mr. Robert Scott was the advisor for the group.

Choir Presents "Golden Years of Song"

Following along in the current wave of nostalgia, the Concert Choir and other choral groups performed "the Golden Years Of Song". This musical performance was mainly comprised of rock n' roll numbers from the fifties, sixties, and seventies.

The 28 member Concert Choir entertained Canyon students continually. They sang at the annual Christmas assembly, took part in three concerts, and attended two festivals. The choir sold patron ads to raise funds and had one of their busiest most prosperous years.

Girls Chorus Sheds Blazers

Girls Chorus shed their traditional blazers this year. Instead, they raised enough money to make burgundy colored satin dresses with white lace.

Fund raisers included selling tickets for concerts, a car wash, patrons, and patron ads.

The chorus this year was mainly freshman. They attended three concerts and a festival where they did extremely well and were scored straight A's.

Varsity Cowboys Use Veer Offense

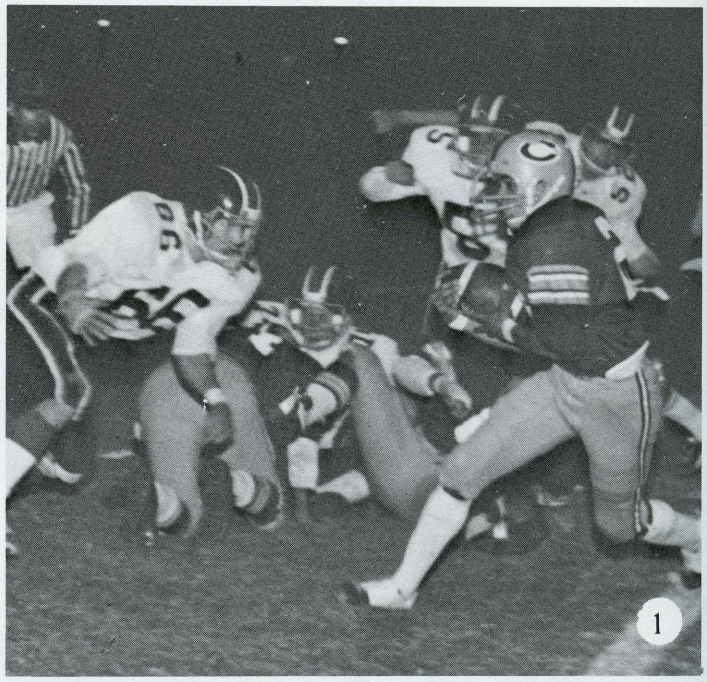

For most Canyon students, Summer vacation started around the second week of June. However, the guys on the Varsity football barely got a chance to soak up the summer sun. Almost every morning, Coach Ferrero and his 24 man squad were out on the practice field working out their newly installed VEER offense attack. This is the first year Canyon has used the Houston Oilers' form of offense, which gives the quarterback the option to pass or run.

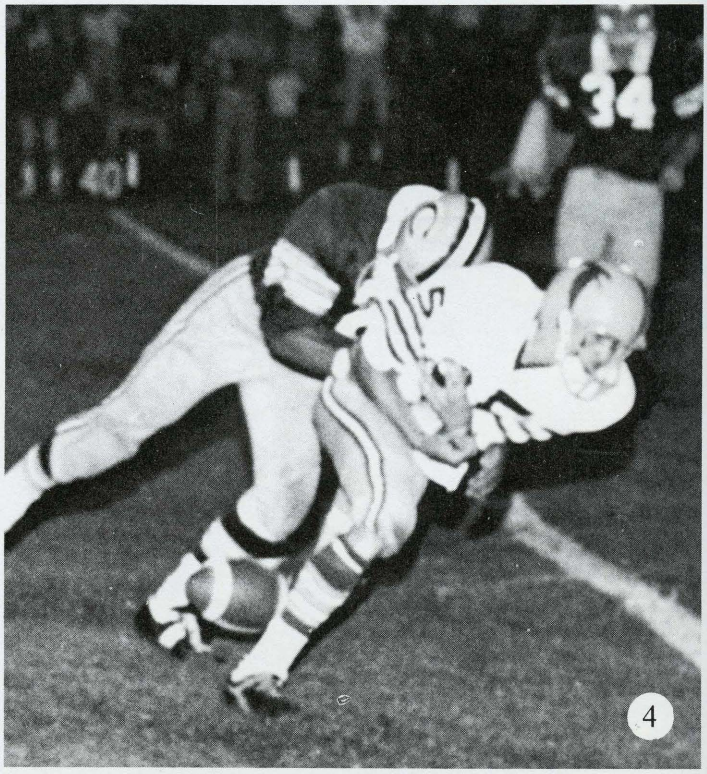

Also, during the summer, just for practice, the team played against non-league schools and never lost a game.

All the hard work and practice put in by these fine athletes was well worth the time and sweat. Three of the seven league games were won. The Cowboys came up short two points against Burbank, one small point with Crescenta Valley, five behind at the Burrough's game and a hard to swallow 13 points at the Hart contest.

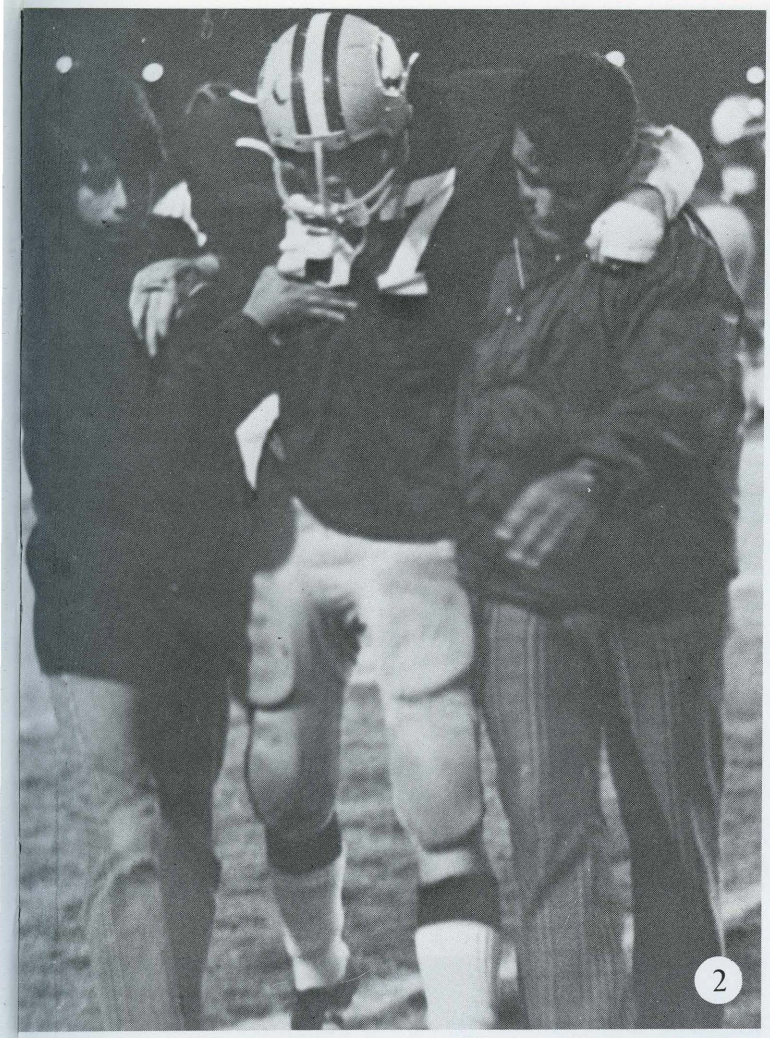

Throughout the entire season there were only three minor injuries.

When the team wasn't out on the field doing their job, they were out selling light bulbs and calenders to raise money for the end-of-season banquet. The varsity team was also responsible for the preparation of the Alumni Bowl.

1. Charlie McLean dodges ten yards for a touchdown. 2. Bill Sonheim is helped off the field after a leg injury. 3. Tim Clay carries the ball for more yardage. 4. Bob Schulte hits hard to cause a fumble. 5. Charlie McLean pushes over the goal line for a touchdown.

J.V. Pulls Ahead

While playing in the shadow of the bigger and older Varsity squad, the J.V team was not overshadowed when it came to scoring. They started out strong winning both pre-season games and by the time the last fistfull of confetti had been thrown they had won nearly half of their league games.

Practice started last spring continued through the summer and was picked up this Fall before football season. Not missing a beat they kept it up even after their games were over.

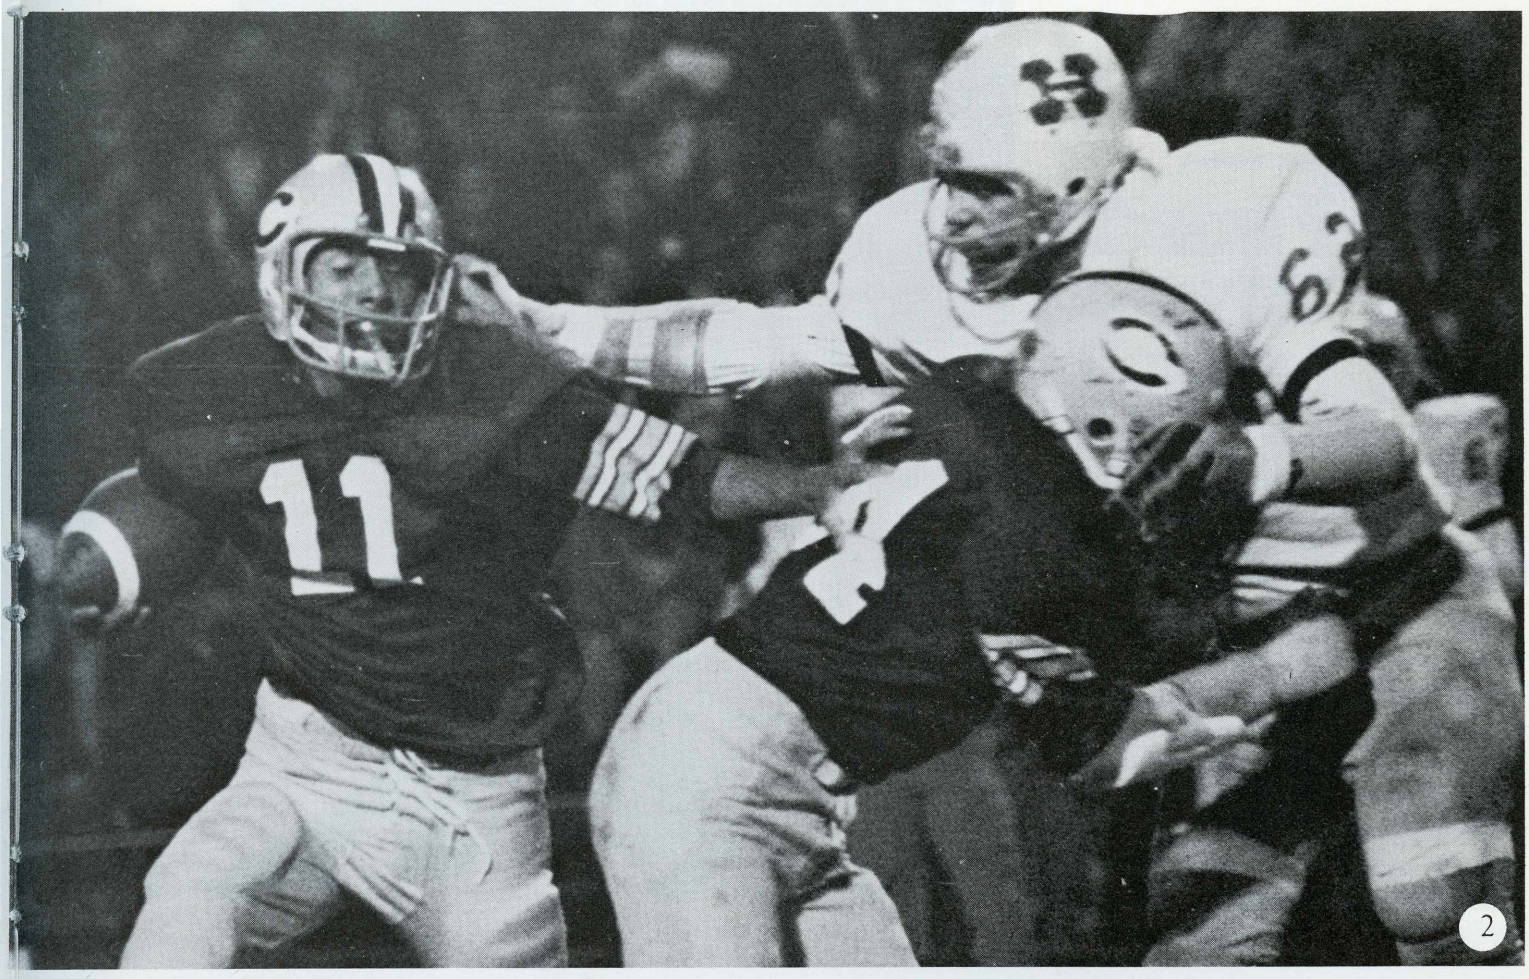

The team was made up of 25 sophomores and one freshman. Their coaches, Marty Spalding and Dave Albert, said that they expect this team to go on to make a very strong Varsity team next year.

Greeen And Gold Came Up Short

Canyon's 1974 Frosh Soph football team was composed of three sophomores and 84 freshmen, making it the largest and most talented team ever to appear in the Canyon football program. In order to develop this large group, they had to be broken in two, making the Gold team and Green team. The Green team competed in an independent league against both freshmen and sophomores. While the Gold team played in the Foothill league against sophomore opponents.

Team work was highly stressed from the very beginning by coaches, Tim Toth, Tony Fadale, Dave Nelson and Chuck Wade.

Both teams opened the season with spirit raising wins over Alemany and Quartz Hill. Despite the team work and hard play, both teams started a down hill streak, losing the next games to Burroughs and Filmore. The team kept declining even though they both showed unending spirit.

Cross Country Jogs To An Undefeated Season

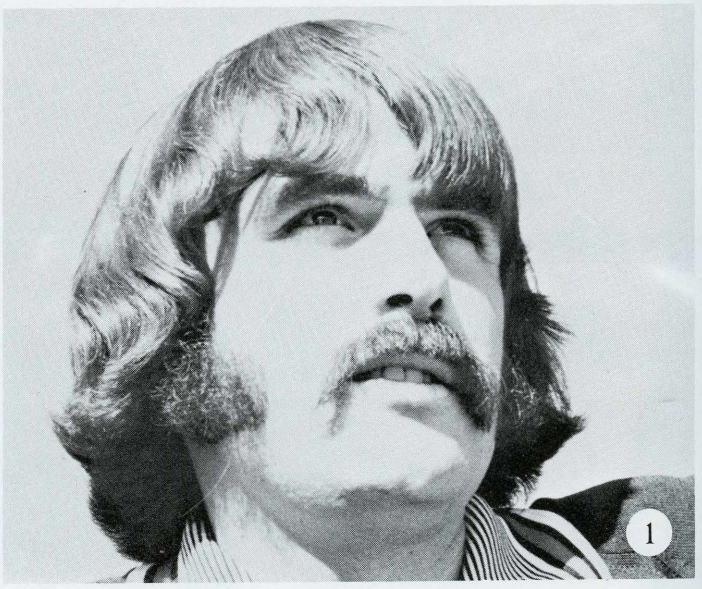

This was the first year any of Canyon's boy's atheletic teams have ever sensed the joy and sense of fulfillment of being sent to theCIF preliminaries. The team came in with a very impressive fourth place in the 4A division at the prelims.

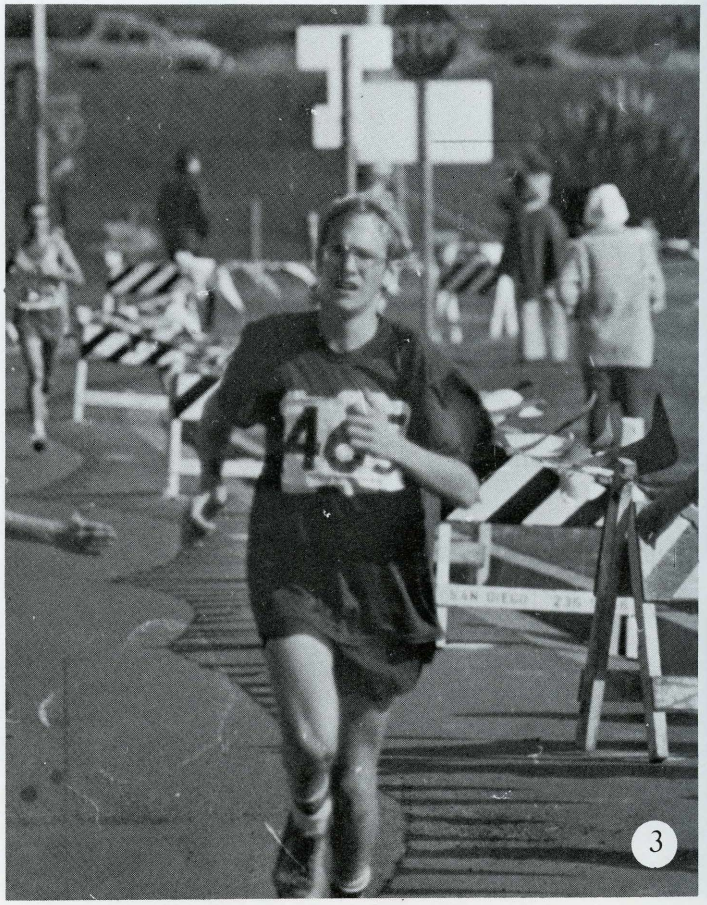

During the season the Cowboy's Cross Country team jogged away with every meet including all the preseason meets. This astounding record opened the eyes of the students and replaced some of the pride that was drained out of them during the football season.

Coach Harvey should be congradulated for turning out a fantastic team. And the team should be congradulated for putting so much hard work and effort into becoming a number one team.

Another thing that helped was the amount of practice the team had. During the Summer they worked out nine times a week and when school started they were out 11 times a week.

During Christmas vacation the team ran a marathon from the Golden Gate Bridge to the Valencia Civic Center. The five day jaunt was made to raise money for the Henry Mayo Memorial Hospital, but they also did it just for fun. There were alot of fun times on the trip ,but there was one that stood out in everyone's mind. While traveling down a windy highway, one of the smaller runners was wearing a large sweat shirt which acted like a sail. He was running backwards while everyone else was going forward.

Track Sends Four To C.I.F.

Ignoring the league record of the Varsity and Frosh-soph teams this season, coach Bill Harvey seemed overjoyed woth his team's outstanding performances.

Miler John Starineri, exploded for a sensational time of 4:21.9, a new school record and good enough for second place and a spot at C.I.F. Abel Uballe, burning the asphalt track in the 440, with a second place time of 50.7, also a record.

Canyon sent three frosh-soph athletes to C.I.F. In two events sophomore sensations, Tom Hethmon, out-kicked two Runners to take a first in the mile with a hot time of 4:29.5. Mark Cotter, another Sophmore, ran the mile placing fifth with his lifetime best of 4:34.2 and a chance to improve at C.I.F. Keith Rickard, sophomore, ran the 330 lows and the 120 highs, as he qualified for C.I.F. in both events.

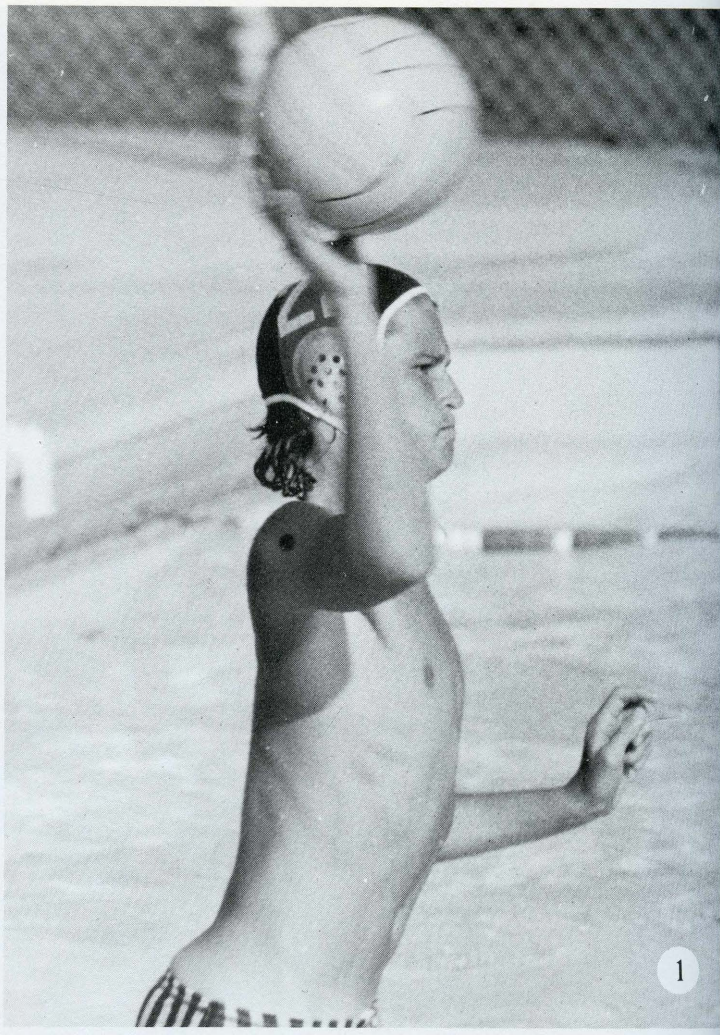

While crowded stadiums cheered and glory was heaped upon the broad padded shoulders of the football team, 21 skinny underclassmen and three seniors trod the frigid waters of North Oaks pool. These unsung atheletes made up the 1974-75 Water Polo team.

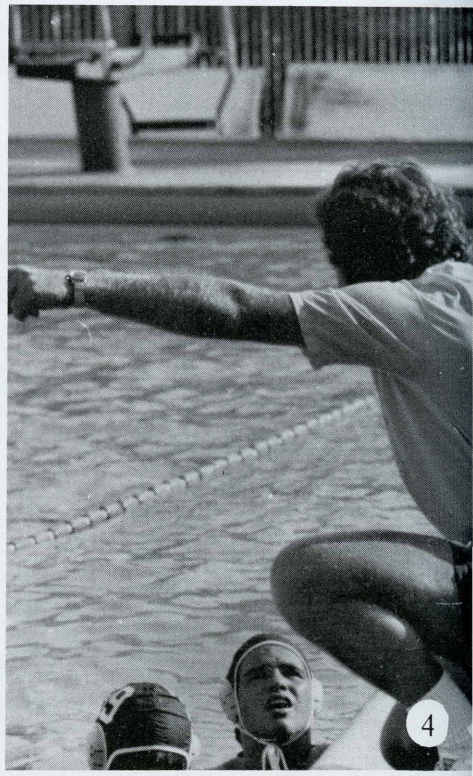

As this was only the second year of Water Polo's existence at Canyon, the young team did not do well in competition, but did win a pre-season game against Chadwick.

Coach Newman, who was new this year, set up a grueling practice schedule that was designed to perpetuate a strong foundation for future generations of Water Polo.

Practice ran from 1:00 to 5:00 every day for three months. During this time the team could be seen in their bright multicolored trunks shivering in the cold dismal air. And though the results of their dilligence was not always apparent, these men were atheletes in the truest sense of the word.

Girls Volleyball Changes Leagues

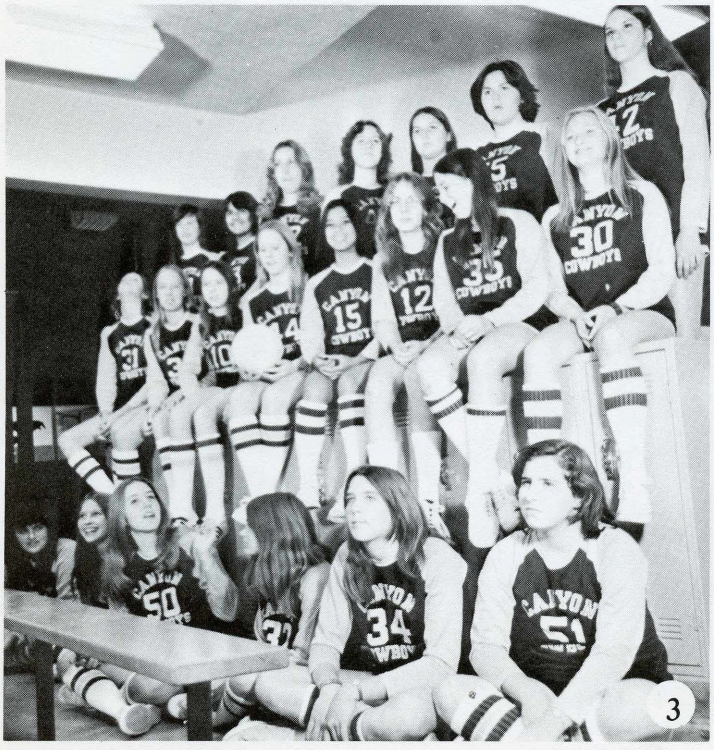

This year Canyon's girl's Volleyball team had the power and skill to be first in the Desert Valley league once again. But, because of the team's previous high win record, they were promoted up to the Foothill league. Realizing that meant they would be up against the toughest teams in Southern California, the girls practiced endlessly, to create one of Canyon's best teams.

But Canyon's best was not enough. The girls ended the season with a large number of losses. Canyon fought hard, and lost their games by very few points.

The girls went to Volleyball camp this summer, and prepared for next year. They hope to put Canyon on top again.

Softball Gets Into The Swing

The girl's softball team had a realatively successful season, which was especially good, because of all the problems they incurred during the season. The team could not practice on the home field. They were forced to commute, without busses, in their own cars, to Santa Clarita. Their regular practice field was being re-seeded, and the boys teams were given first priorities on the remaining field.

The coach had a hard time choosing the team, because never before had so many girls tried out. The final team was made up of almost completely new people, except for two girls who had played for Canyon Before.

The girls placed fourth in the Foothill league, which they had been promoted to this year. Besides the practice problems, the girls were forced to play several games in pouring rain. All together, the team had an admirable season.

Tennis Bounces Back With Winning Season

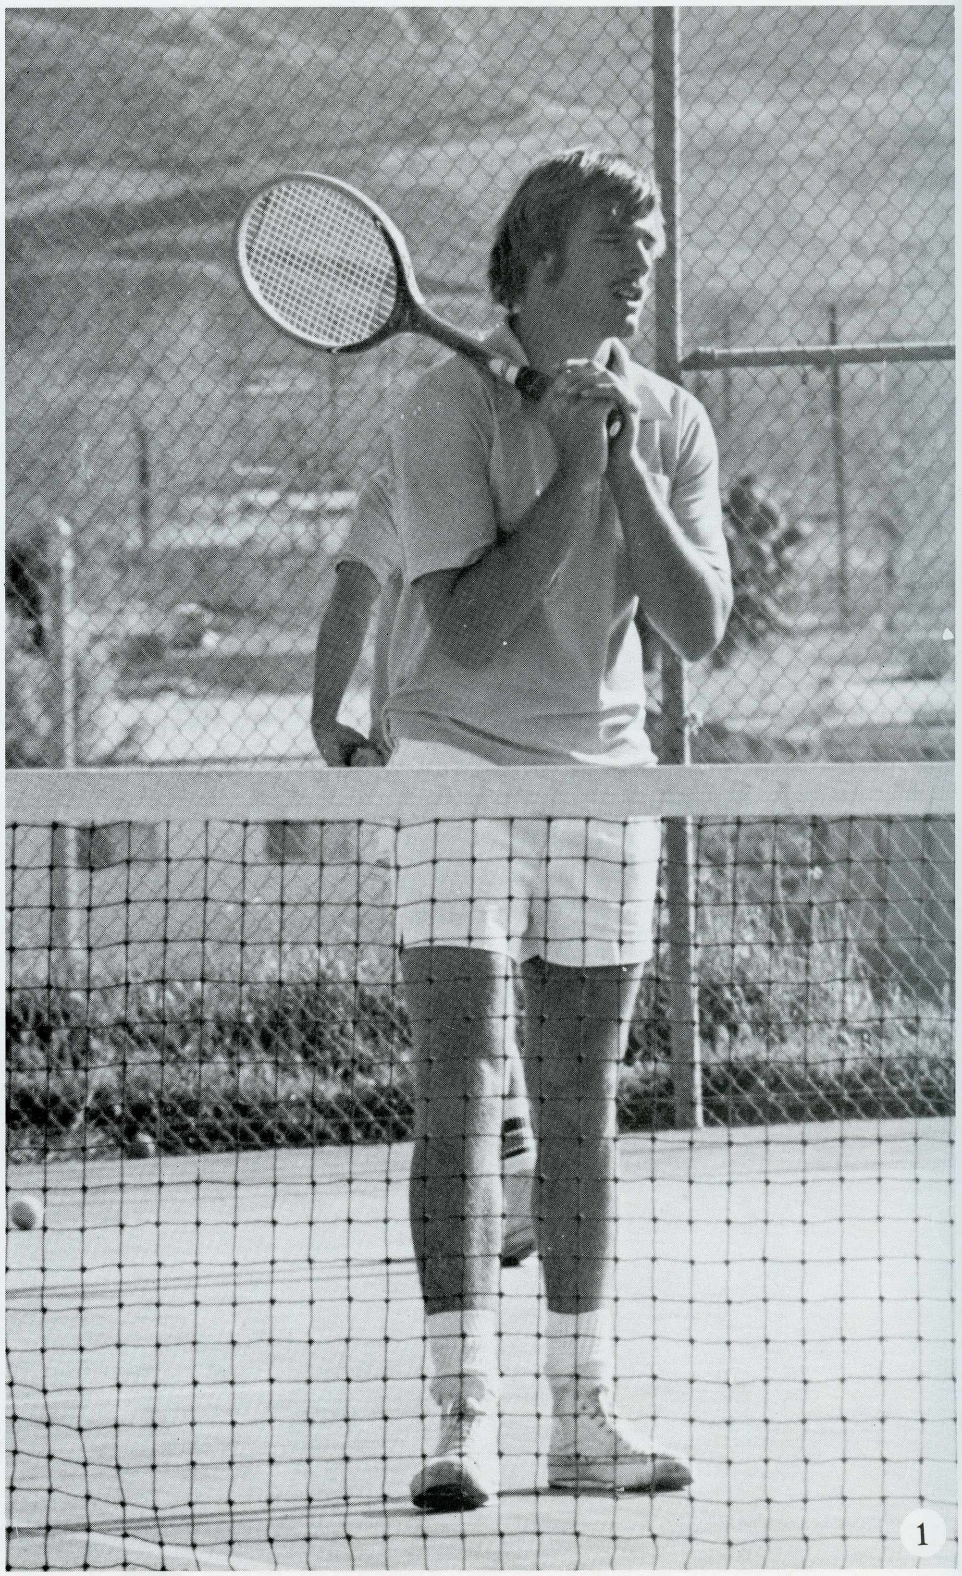

The boy's Tennis team had a very successful season this year under the coaching of Mr. Jon Huss. Their overall score for the season was 11-2, beating Hart both times they played. In the league, the team tied for second overall with two other schools.

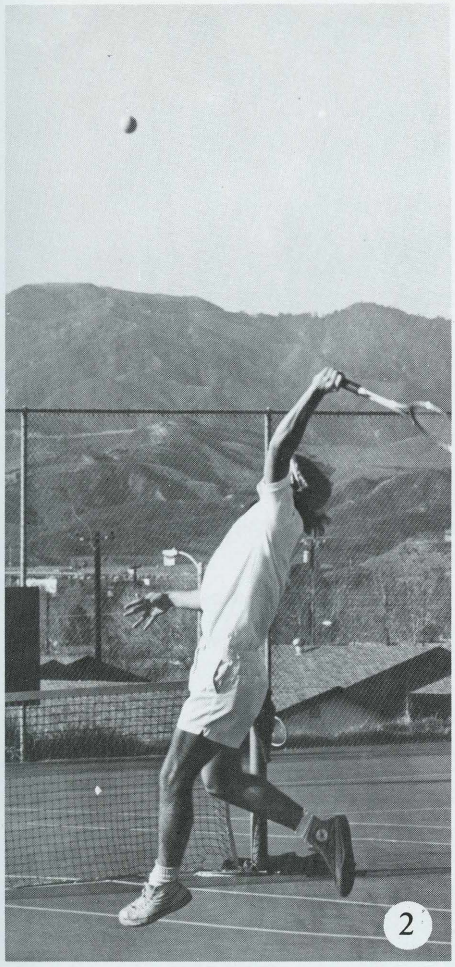

The awards at the annual Tennis banquet went to Tracy Oswell, most valuable, and Jim Merriles, most improved.

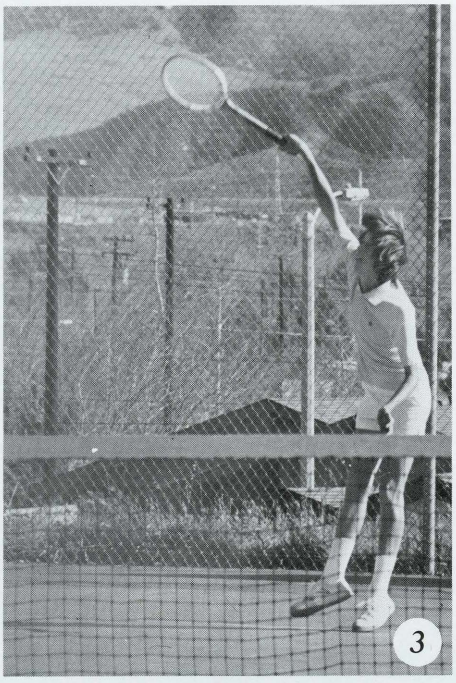

The Physical Education department splerged this year and bought a brand new ball machine. It came in handy for both the boys and girls team.

The Varsity basketball team opened it's season this year under the new head coaching of Mr. Bob Rosene. The team was the smallest in the Foothill League, so coach Rosene's practices had to focus on building up speed and accuracy.

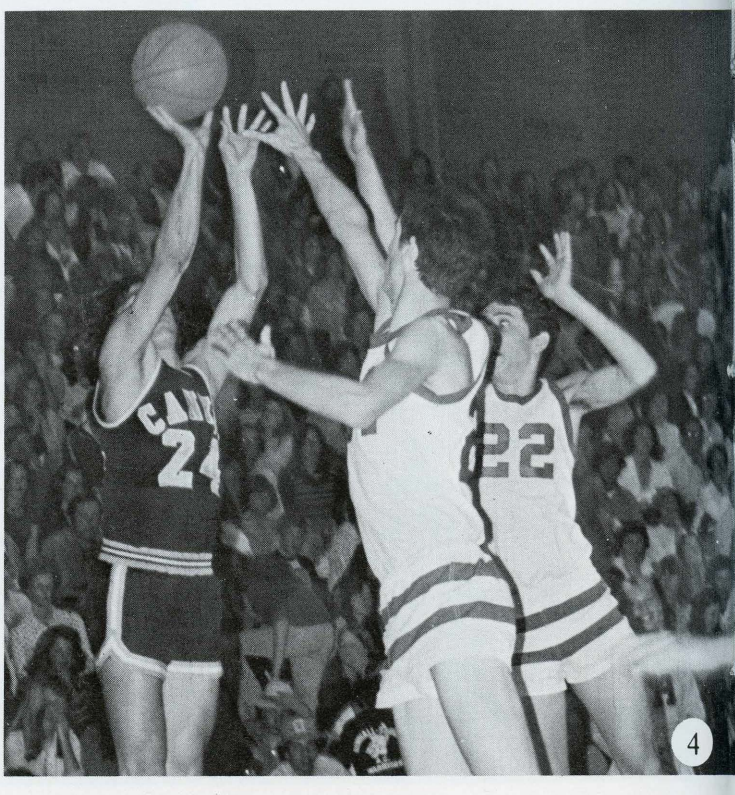

Although the final season record was seven wins, 13 losses, all the games were very exciting to the viewing crowd, and most games that were lost were very close in score. As coach Rosene put it, we gave them a run for their money.

The ten member team sold ads and programs to finance the end-of-the-season banquet. At the dinner,team captain, Rick Tayrien was named the most valuable player.

Sophomores Make Up J.V. Team

The 1975 Junior Varsity team didn't need crowded stands or a noisy band to inspire them to play hard. Their work on the court was very obvious from the minute they stepped out of the locker room to warm up. But their painstaking efforts only proved good enough to win two of the 21 games played.

The team which had a membership of 10, was dominated by sophomores and was coached by Mr. Craig Saliburg.

At the end of the season, Terry Sanks was named most vauable player.

Girls Take Third In League

This year, the girls Varsity and J.V. basketball teams competed for the first time in the Foothill League.

Coaching the Varsity team was a Canyon graduate, Jean Mc Caslin, with Mrs. Mary Klein coaching the J.V. team. With hard practice and team co-operation, Varsity resulted in 3rd place and J.V. tied for first with two other schools.

Leading in height was six foot Cheryl Marietta, who also concluded as highest scorer at several games. Marietta ended the season with two whiplashes and partially paralyzed right side, after a mishap.

Frosh-Soph Teams Improve Over Season

Although spirit and score was low at times throughout the basketball season, the action of the Freshman and Sophomore games were never boring.

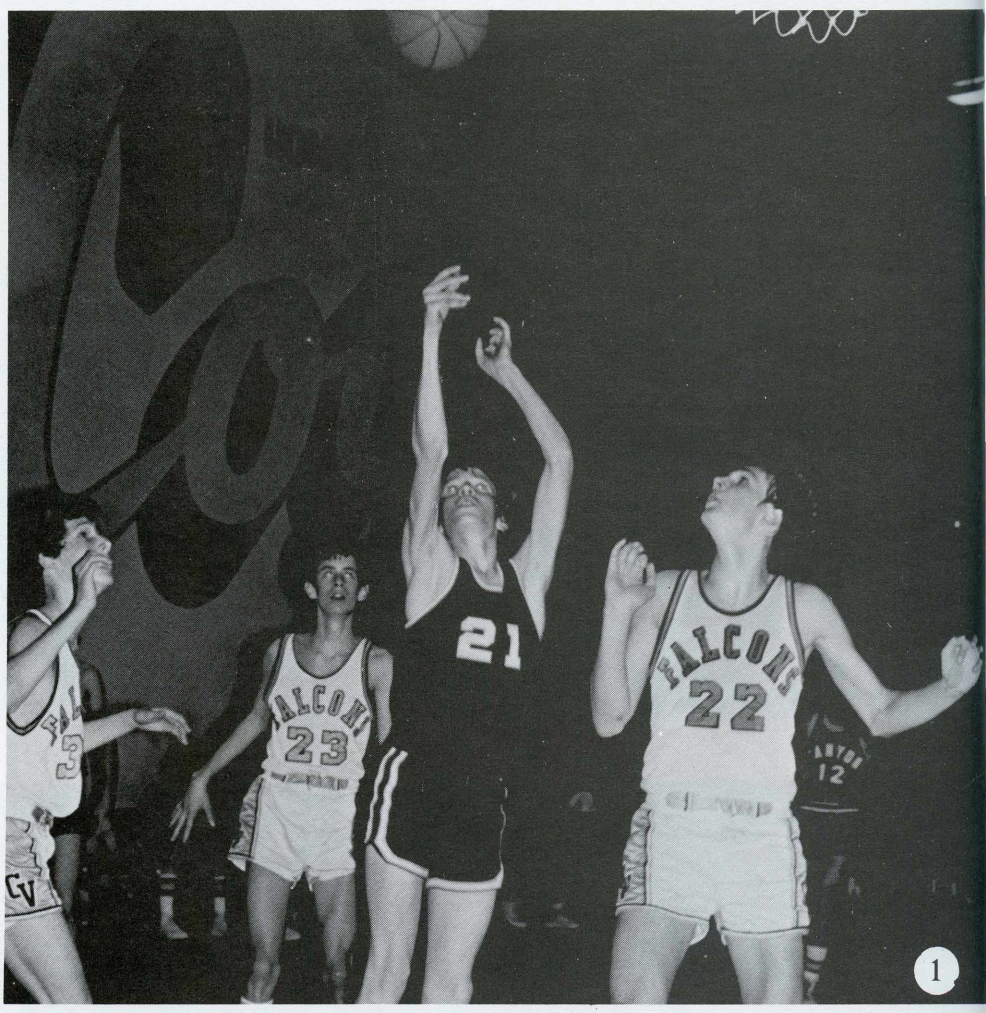

Real improvement started to show around the middle of the season. Burbank, which was the top team of the league, played Canyon the first time and won by almost 40 points. The second time, Canyon won by a margin of eight points.

By the end of the season the Freshman managed to claim eight games out of 20. While the Sophomores picked up only three of the 20 games played.

The two teams sold ads and programs to finance a trip to basketball camp. Mr. Kavorkin and Mr. Wright carried the title as head coach.

Boys swim team really started early in the year to achieve a good record. 19 boys were down at North Oaks swimming pool practicing every day for three hours. At the end of the season they managed to win 2 out of 5 meets. Many personal records were also achieved.

Under thier new coach, Mr. Newman, the team found many enjoyable experiances.

Girls And Boys Swim Team Aquire New Coaches

The girl's Swim team traveled alot this year. Not only to swim meets, but to practice as well. With the heater broken in Canyon's pool, the girls were forced to practice elsewhere. They migrated to the Santa Clarita pool. That however was not an entire solution to the problem. The Hart swim team also used that pool, which caused considerable trouble, because adjusting their schedule around Hart's, and the bus ride to and from the pool, left the team little time to practice.

As one may imagine, this lack of rehearsal didn't do much to improve the teams skill. At the end of the season they had placed last in the league with a no-win record.

Their unimpressive record was not due to any lack of enthusiasm. In the limited amount of pool space available, the team swam the most they could. They also showed extreme spirit in throwing coach Shockley and any other coach in the vicinity into the pool. Besides setting personal swim records the girls used their energy for singing and eating boxes and boxes of powdered Jello on the bus rides.

Freshmen Swing With Spirit In Golf

Canyon golf came from the cradle this year with more freshman players than ever before. Most valuble player was won by ninth grader Bill Latch, and the most improved was given to Steve Sisinaros, also in his first year at Canyon. But pink cheeks and peach fuzz presented no threat to team spirit, determination, and numerous practices. The Golf team played five days a week, and even crammed themselves into Coach Kilgore's car to play schools as far away as Glendale. No bus was provided for away games, and golf clubs, students, and golf bags were shoved together, making a close team in more ways than one.

Coach Kilgore ended the season by showing true spirit when he said;"You don't mind losing as long as you're enjoying yourself."

1. Varsity Golf team; top - bottom; (left - right) 1st row: Coach Kilgore, Will Wasson, Mark Kilgore, Jim Cook, Tim Mihocania, Bill Little. 2nd row: Rick Mailloux, Steve Sisinaros, Kevin Roth, Dan Woods. 2. Mark Kilgore drives his ball to the first hole. 3. Will Wasson taps his ball into the cup. 4. Mr. Chalberg concentrates on putting his ball during the teacher vs. student game.

Coach Silletti, Hammond, and Orozco selected 13 men this year and shaped them into the Varsity Baseball Team. Although the team did not have the sort of season they had hoped for, much improvement and many personal triumphs were witnesses.

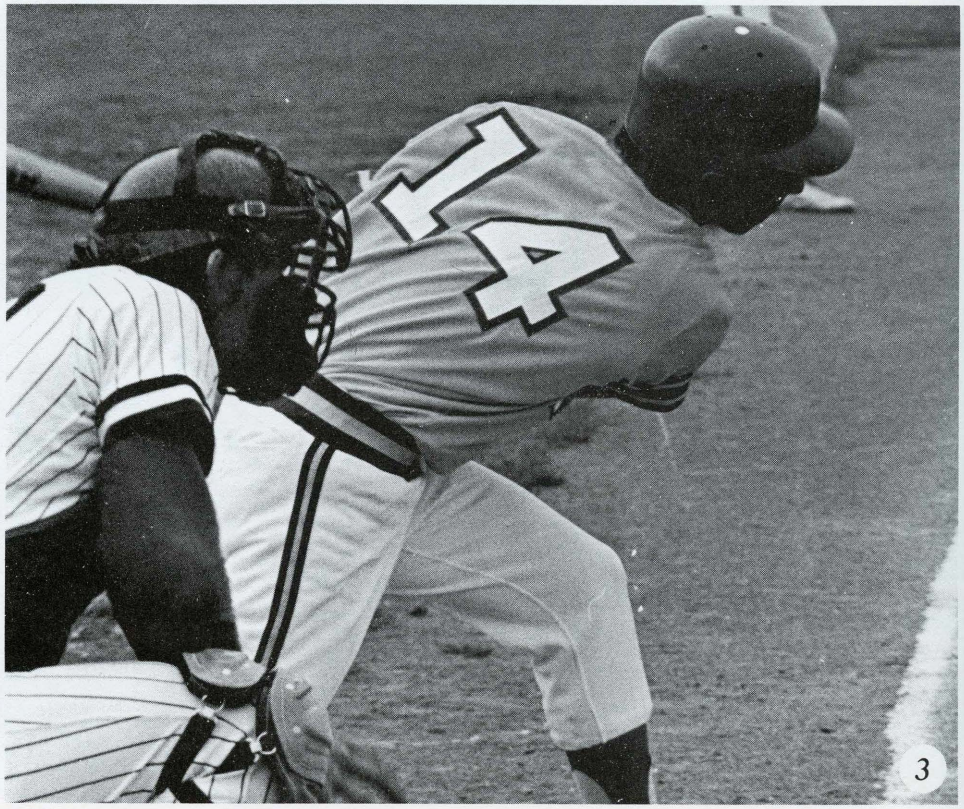

At the awards banquet in May, several players recieved recognition. Captians trophies went to Jerry Koopman, Tim Browne, and Steve White. The coaches award went to Jerry Koopman who hit 208, had the lowest E.R.A., and was nominated for Foothill All-League third baseman. Highest Batting Average was awarded to Barry Dyer who led the team in stolen bases and r.b.i.'s. Barrys' batting average was 417, fielding average 924, and he made second team All-league shortstop. The Freeman Award for the most valuable player went to Steve White. Doc Freeman presented the award in the memoryof his late son.

J.V. Baseball Starts Out Strong

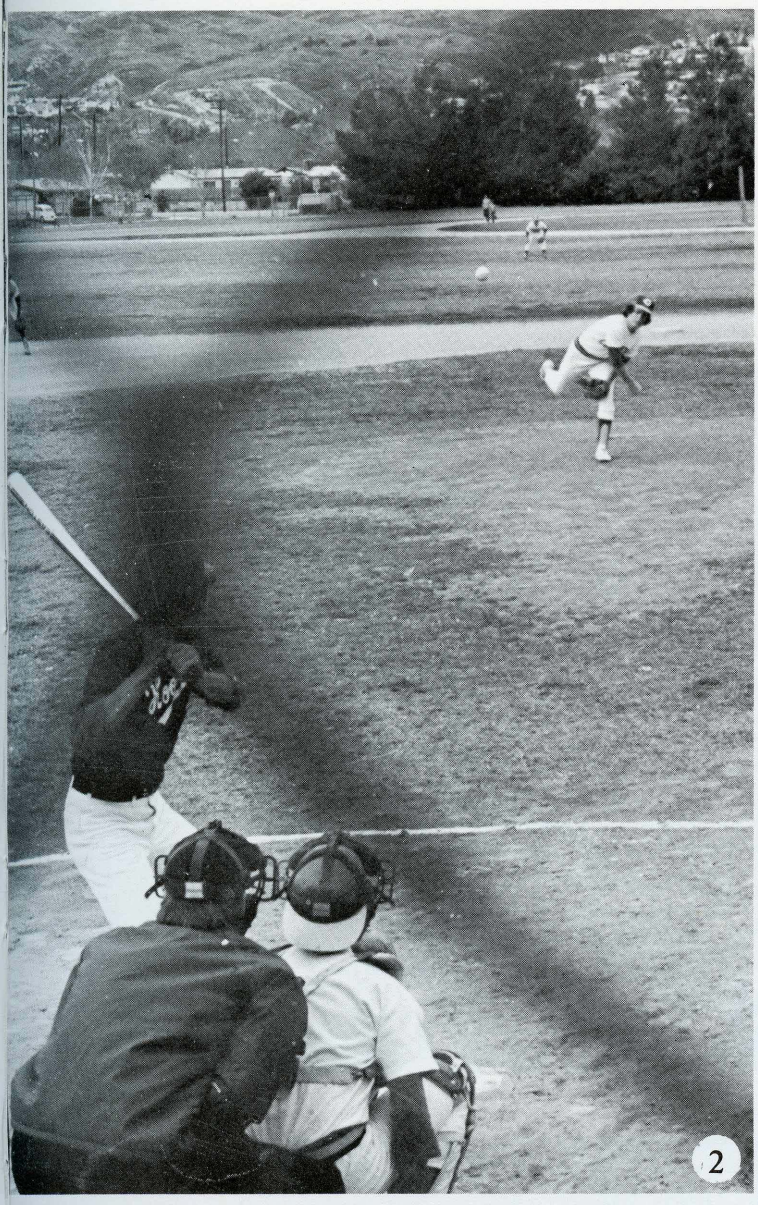

Before the start of the season the J.V. Baseball team looked very strong. During pre-season they won five and lost only one. When the actual season started it was a slightly different story. They tried their hardest and could only win four, leaving them with ten losses. Overall the team did very well and next year they should have an even stronger team.

During the awards banquet Coach Lynch handed out the awards for the J.V. team. Rick Fletcher was given the coaches award. Most improved went to Eric Poitrus and most valuable player was Dave Smith.

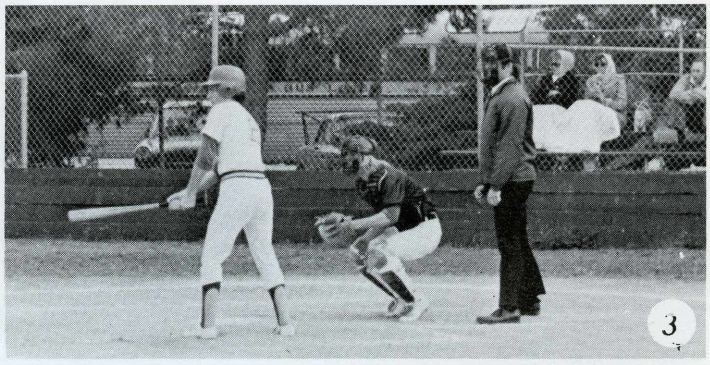

1. Jim Van Housin catches the ball for an easy out on first. 2. Allen White pitches a strike to a Hoover team member. 3. Richard Fletcher prepares to hit a run. 4. Frosh-Soph Break Even

Frosh-Soph Baseball really started out strong this year. They won their first four games and then went on to win three more. Under their new coach, Mr. Lynch, they practiced every day after school. They worked hard enough to earn a seven win, seven loss record.

At the awards banquet there were two players that won the coaches award, Dennis Maggiora and Teto Arispie. Most valuable player was given to the pitcher, Paul Lazenbee.

Girls Tennis Purchases Ball Machine

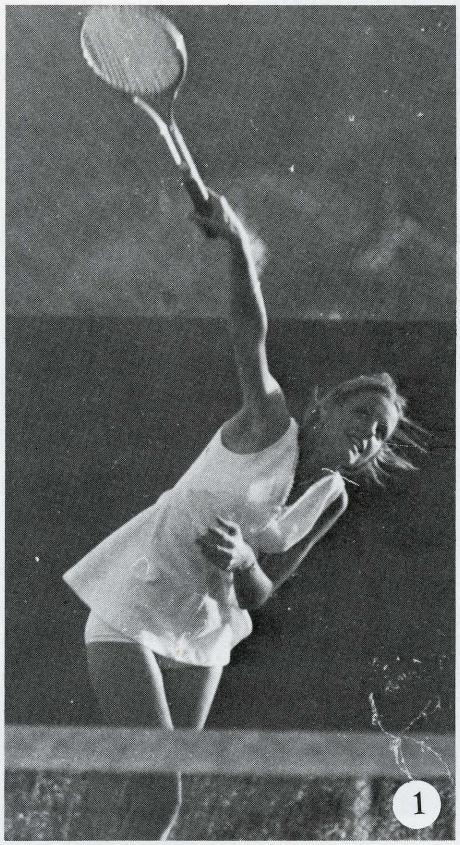

Canyon's Girl's Tennis team was exceptionally outstanding this year, with Varsity taking third in the Foothill league. The team consisted of four Varsity and J.V singles and three doubles. Coaching both teams was Mrs. Pam Miller.

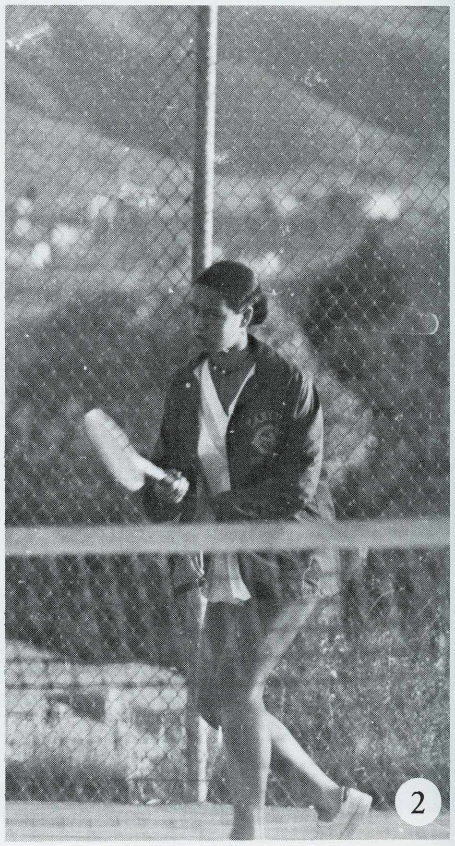

All the girls practiced two and a half hours each day, playing sets against each other, doing drills, and taking turns on the new ball machine. The new ball machine added to the improvement of baseline and cross-court shots,and helped in developing various strokes.

Most of the girls practiced all Summer which got them in shape for the coming season.

Michelle Broviack eats her watermelon.

"but I don't want to go among the mad people", Alice remarked. "Oh you can't help that", said the cat. "We're all mad here! I'm mad, your mad." "How do you know I'm mad?", said Alice. You must be", said the cat, "or you wouldn't have come here!"

Sheryl Broege
recieves a playful tap.

Well, here it is. The page we thought we'd never see. And with it's completion comes the end of a very long nine months. Painful as they have been, these months of work and worry have left us with something 12 years of formal education did not. We have become master name forgers, fence climbers, cupboard unhingers, and lock smiths, as yearbook cabinet keys were lost more than once. Living in a loophole made of sticky red tape has given us a deep and unending sense of sneakiness. Being co-editors has been an experience and in some ways a plus. When one of us lacked the nerve, the other was always there to supply what was needed.

We'd like to thank Suzanne, Gary, Allen, Tom, Lynn, and all other staff members. Thanks also to Mr. Chalberg, Mr. Gigler, and especially to our adviser Ms. Munyan for all the lovely postcards from Hawaii. Special thanks to Peter Graves of MISSION IMPOSSIBLE who was our sole model and inspiration.

i'm on the road to find out
the seconds tick the time out, theres so much left
to know and i'm on the road to find out. . . . .
