1985

The year '1985' is rendered in a large, bold, sans-serif font. Each digit is filled with a fine cross-hatch pattern. Small, stylized cartoon characters, resembling spies in trench coats and hats, are positioned as if peeking out from the various openings and curves of the numbers: one from the left side of the '1', one from the top loop of the '9', one from the top loop of the '8', one from the bottom loop of the '8', one from the top of the '5', and one from the bottom loop of the '5'.
