WILD AND CRAZY

We went crazy. That's exactly what the class of '89 did. Who ever said school was no fun . . . ?

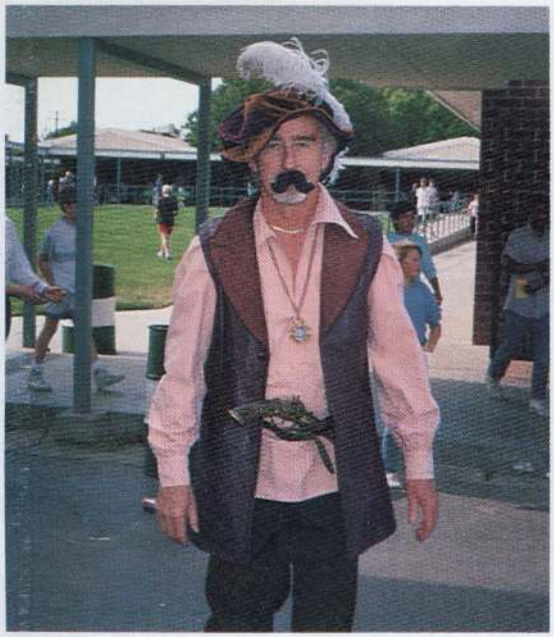

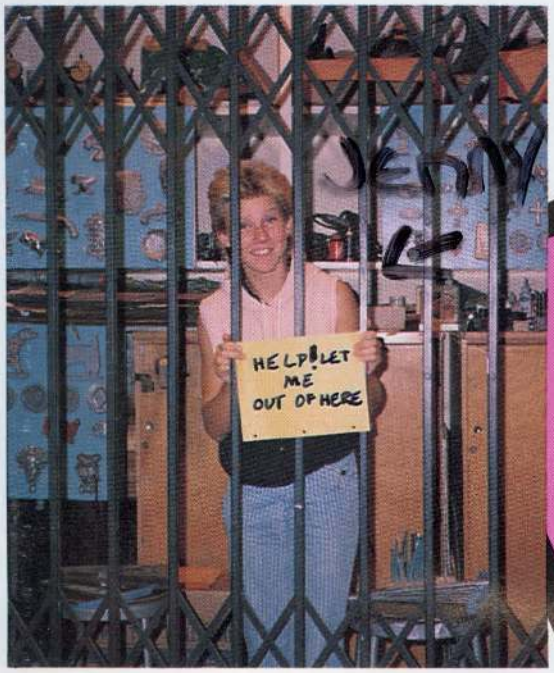

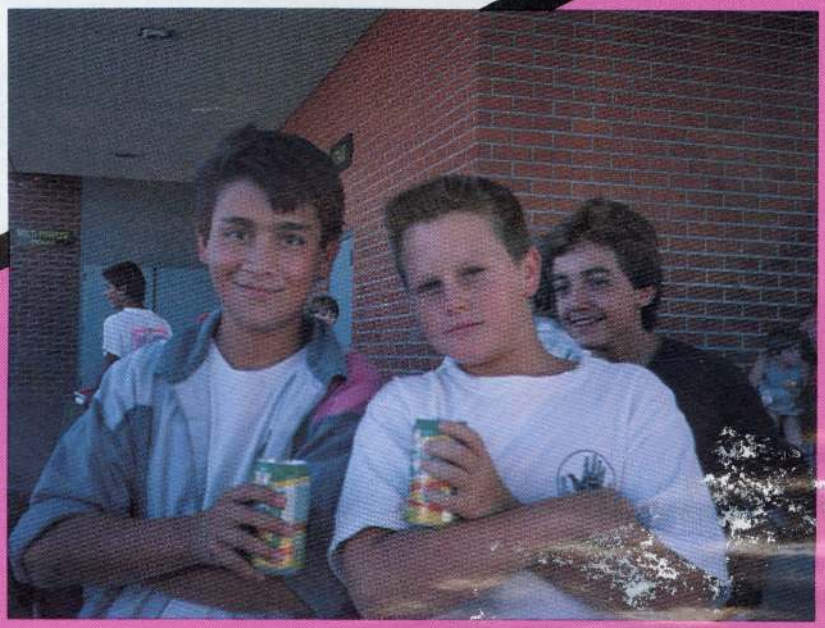

THE YOUNG AND RESTLESS

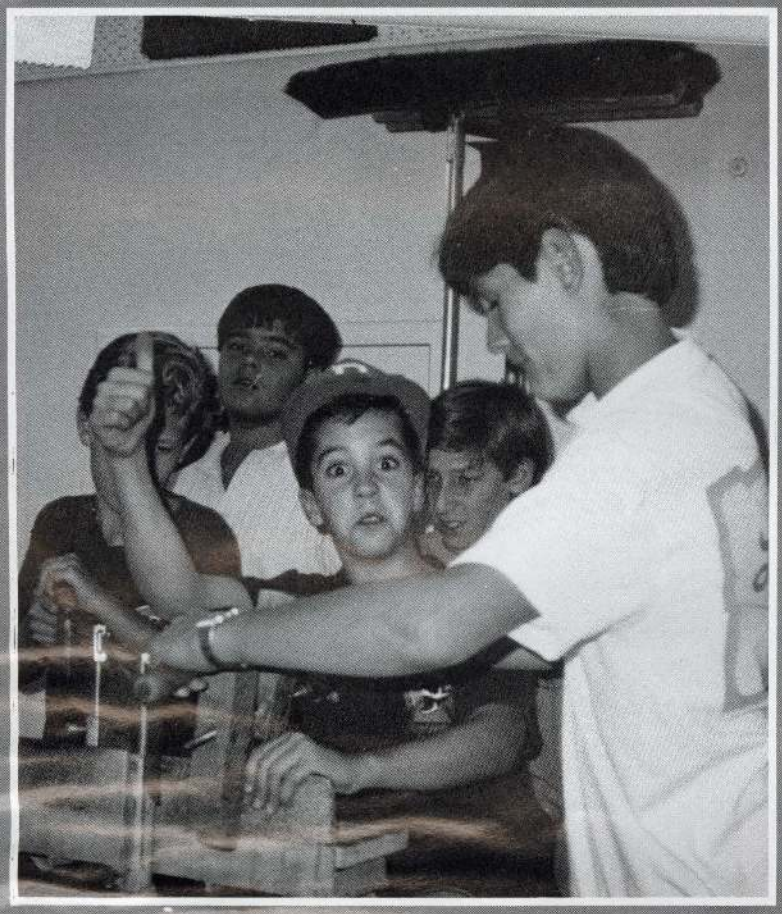

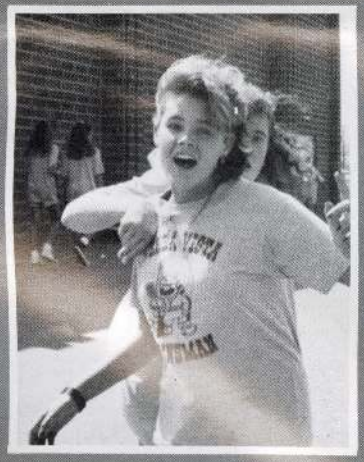

ROLLIN' THROUGH THE GOOD TIMES

Friends - They dressed alike, they talked alike, and they even started to look alike after a while! They felt what you felt and you felt what they felt!

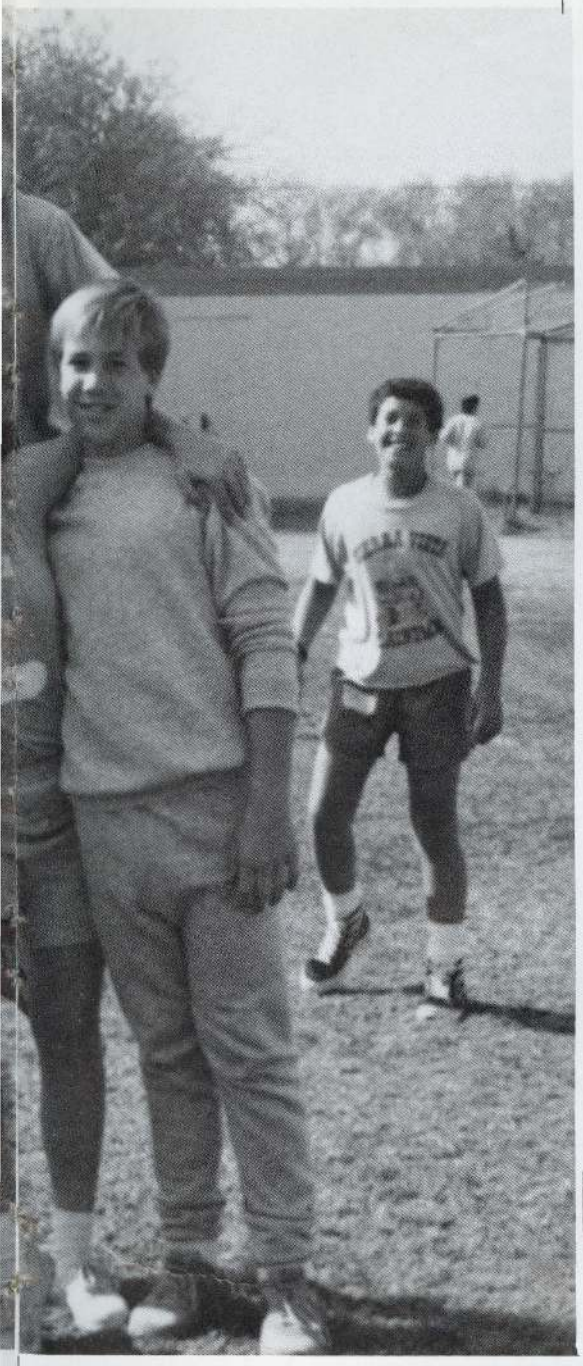

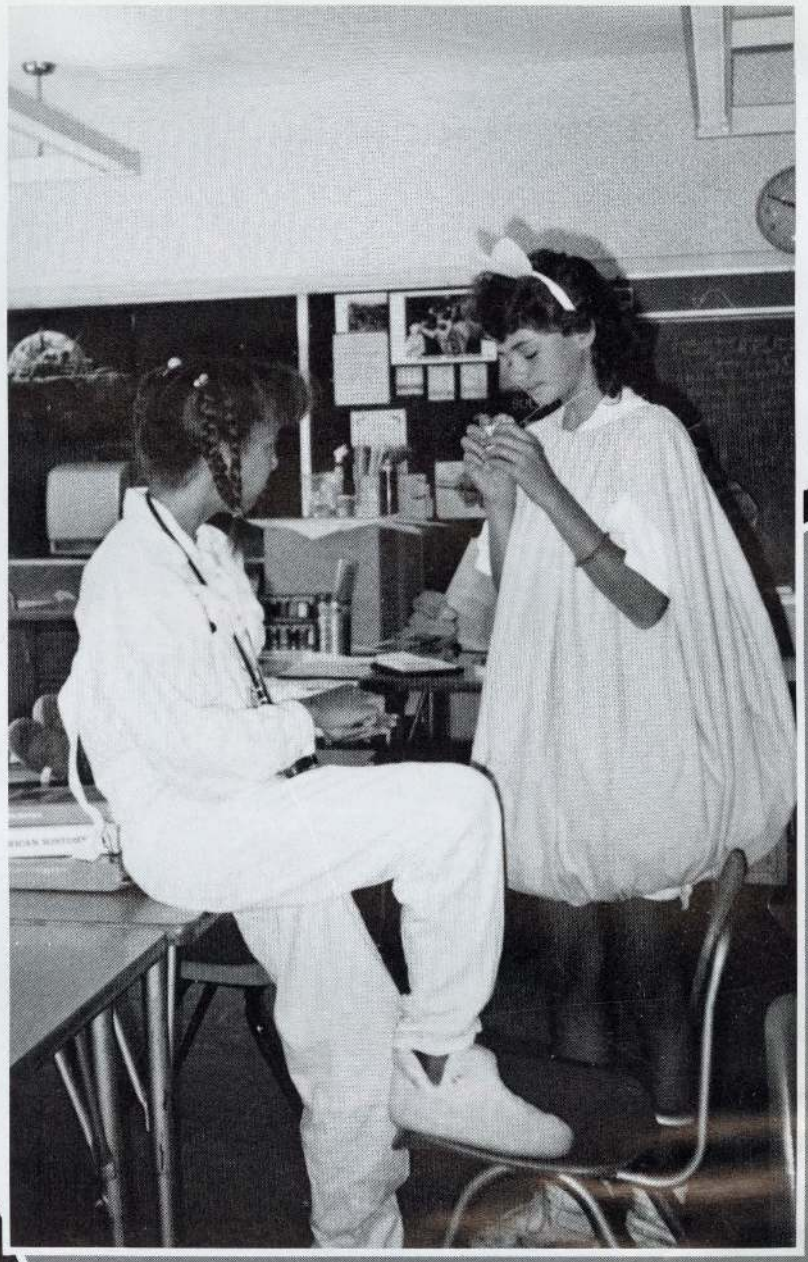

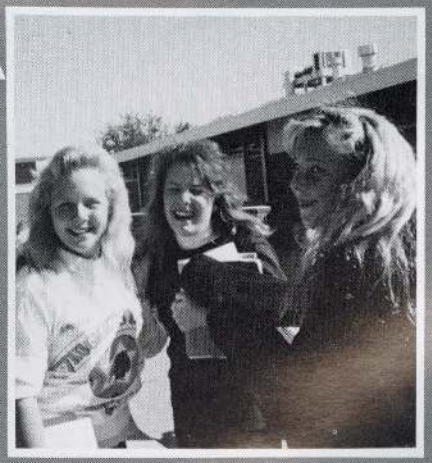

FRIENDS FOREVER

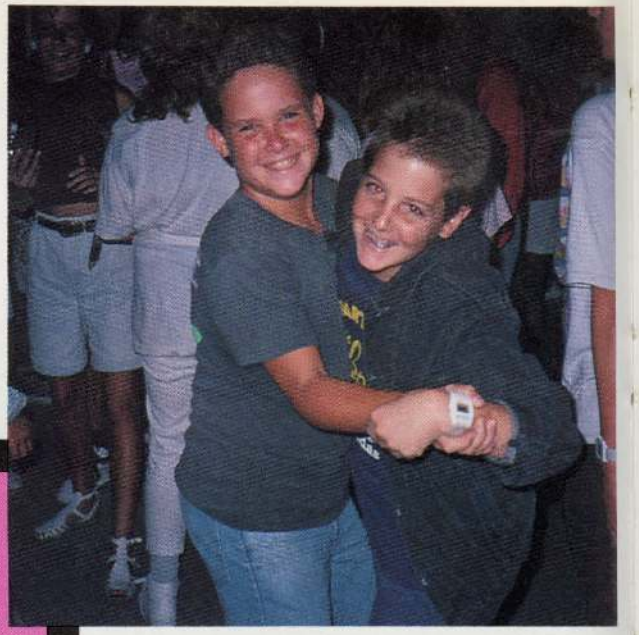

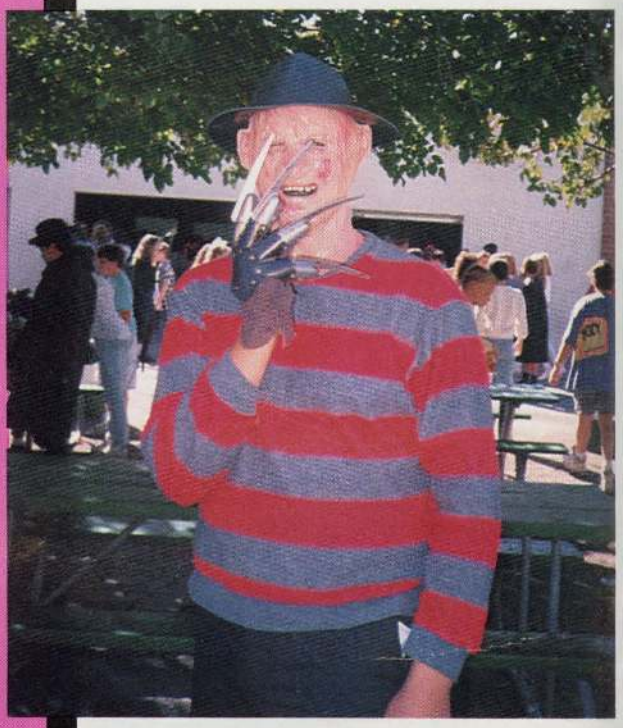

WE JUST WANT TO HAVE FUN

Didn't you hate it when you were having a rotten day and everyone else was having fun? We all had bad days but, with our friends to lean on we were able to make it through.

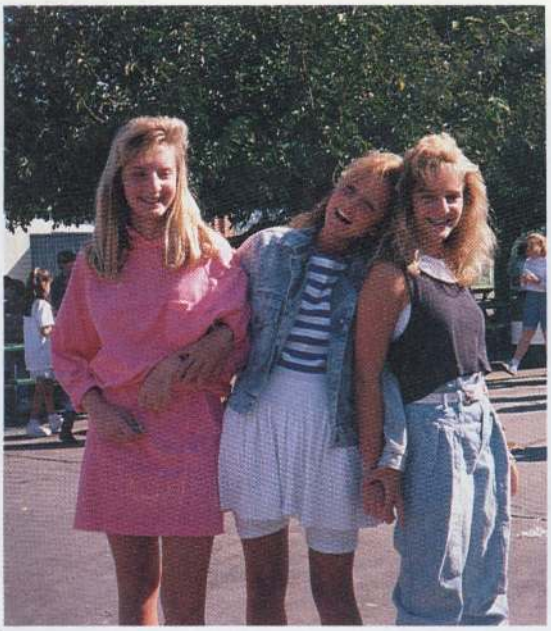

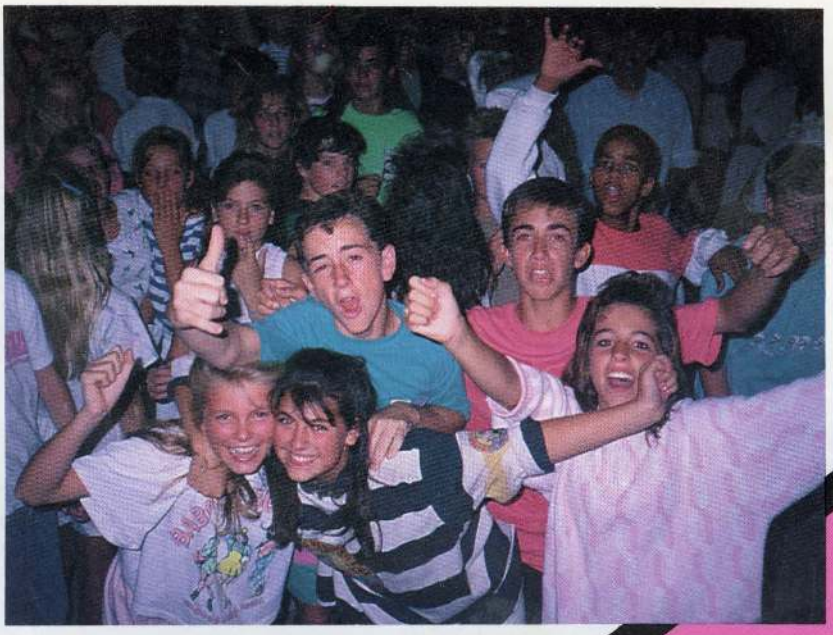

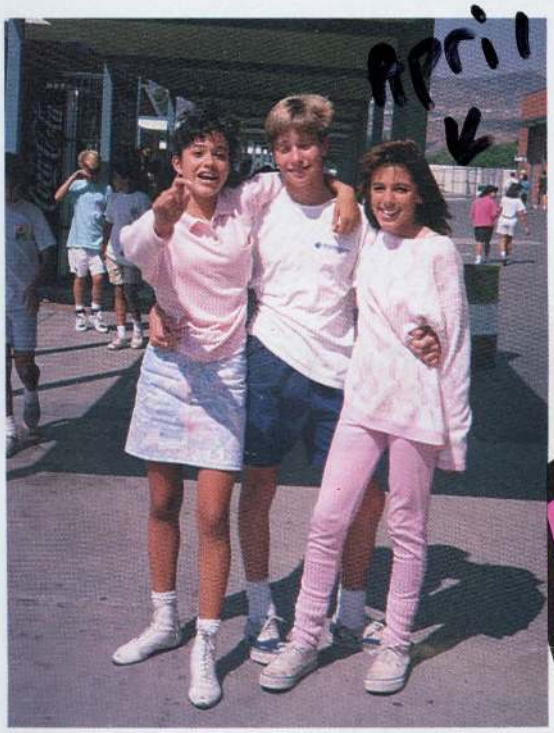

ARE WE HAVING FUN YET?

7TH Grade

ROCKIN' THROUGH THE 80'S. . .

Rockin' in the 80's was what we did best at Sierra Vista. When we were with our friends and even working in class, we had a good time. Even teachers managed to find a way to "rock."

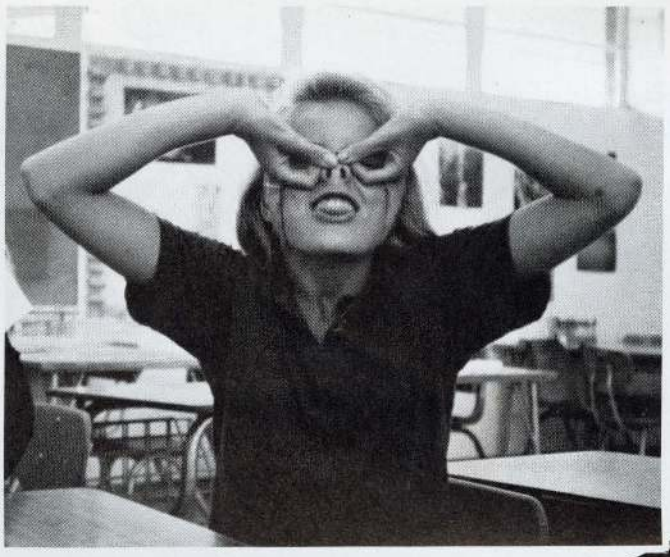

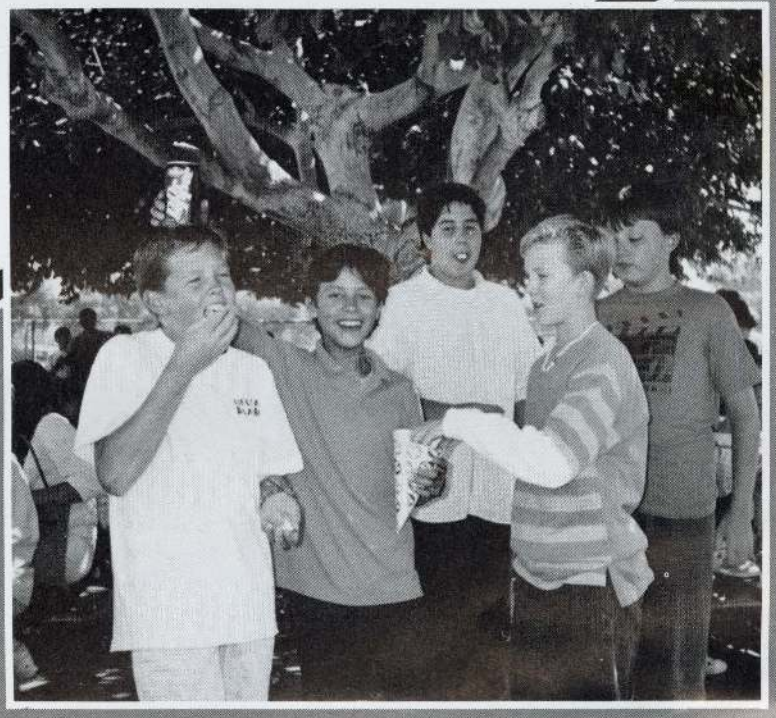

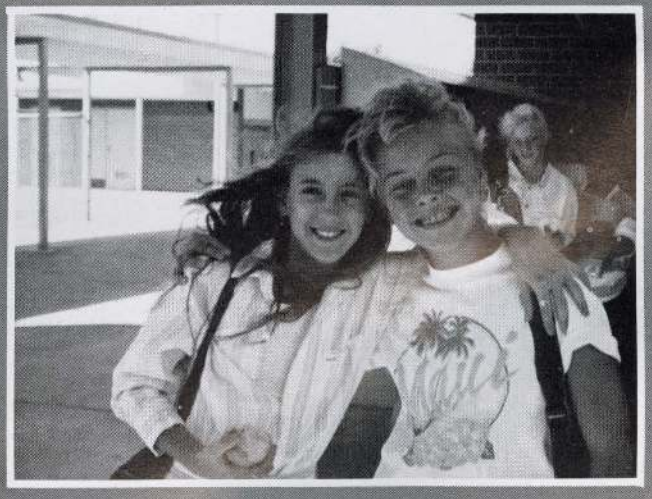

WITH STYLE

THROUGH THICK AND THIN

Remember all the rough times this year we thought we'd never make it through? Well, we made it and summer got here. And weren't we all glad!

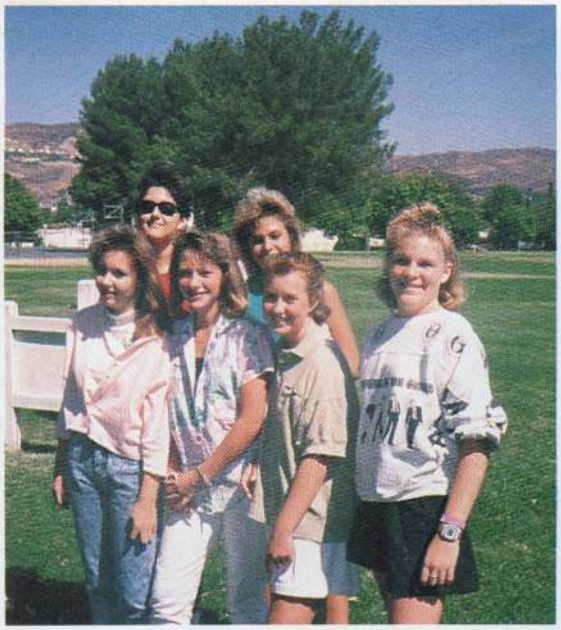

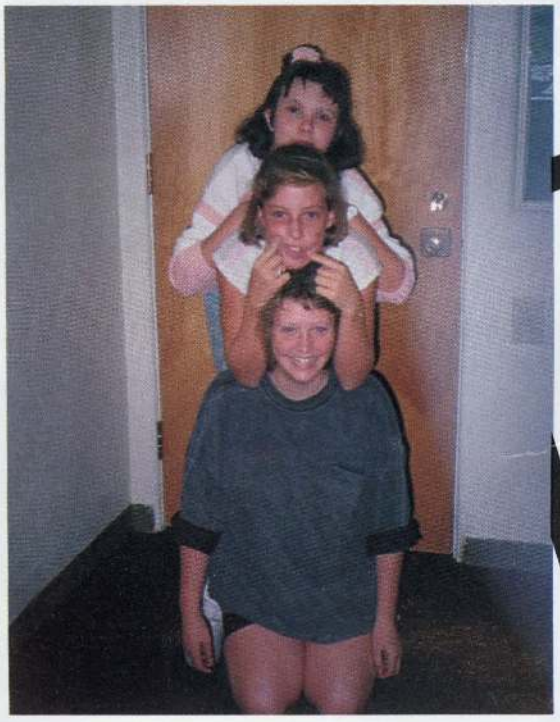

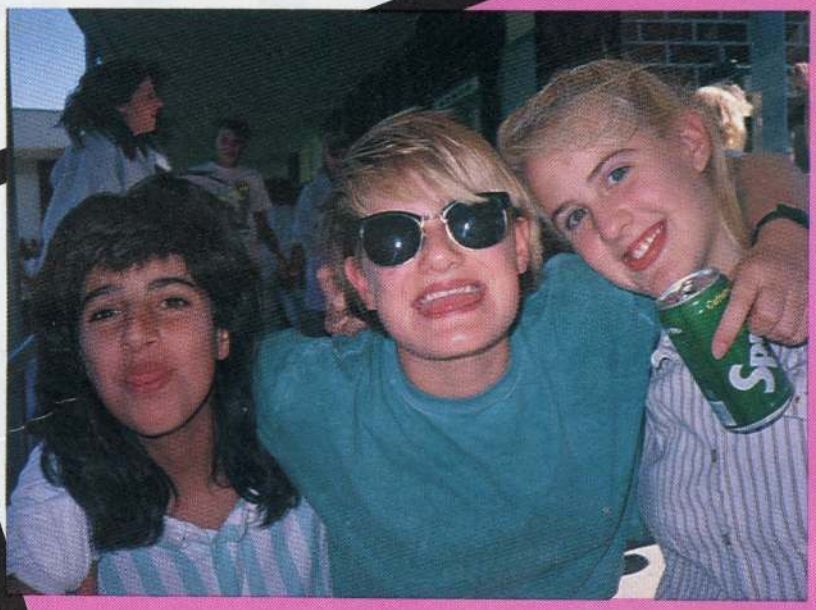

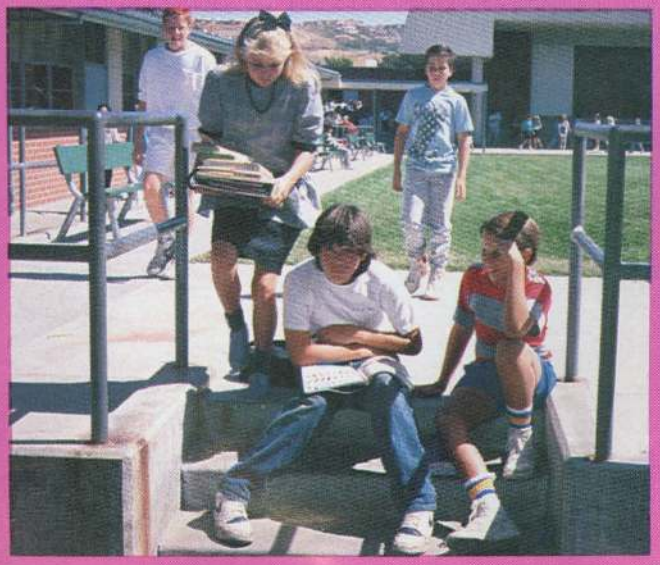

FRIENDS FOREVER

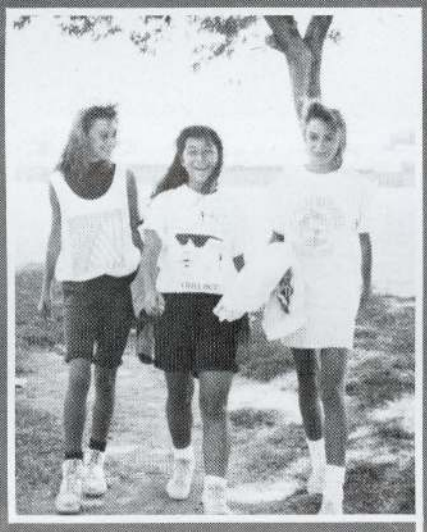

WE ARE THE GREATEST

Our school is great. Everybody knows that the teachers are great, too. But the greatest thing of all is us together. We make it all happen.

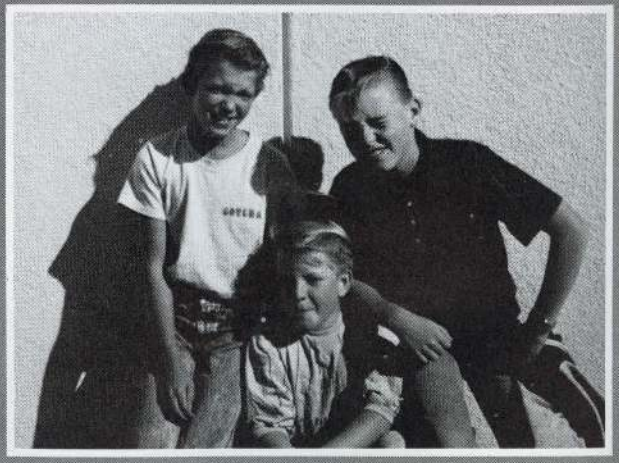

UNITY

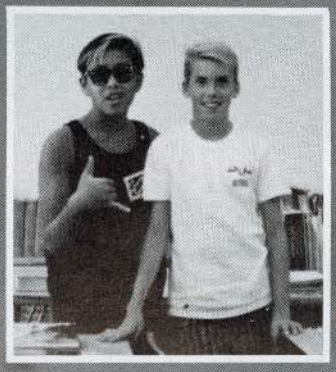

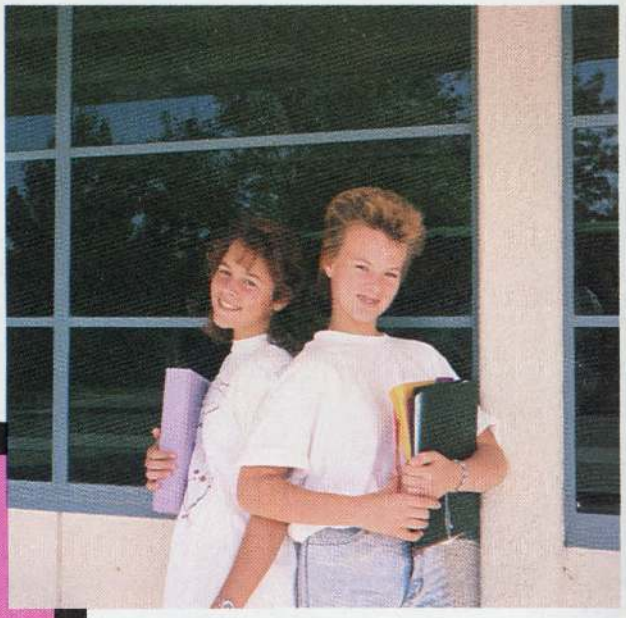

VERY HAPPY FACES.

Not everyone came to school with a happy face. But there were some people who did. These few people liked school very, very, very much. Can you believe it?

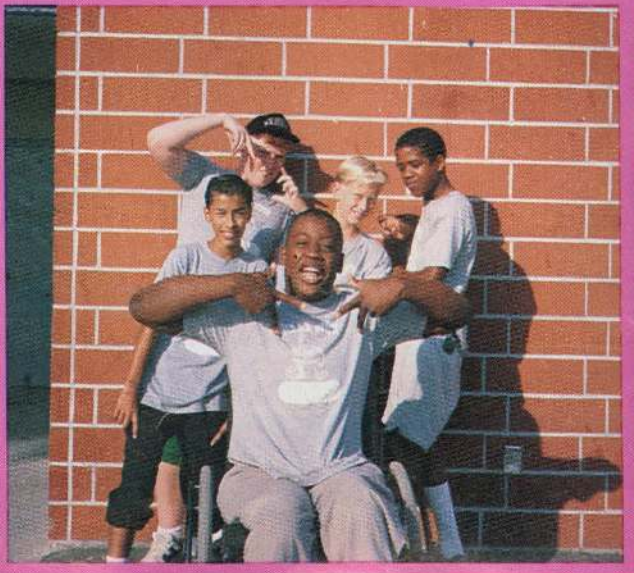

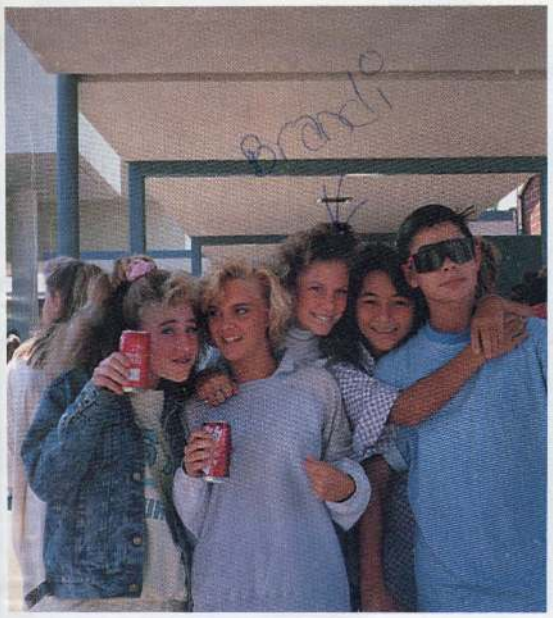

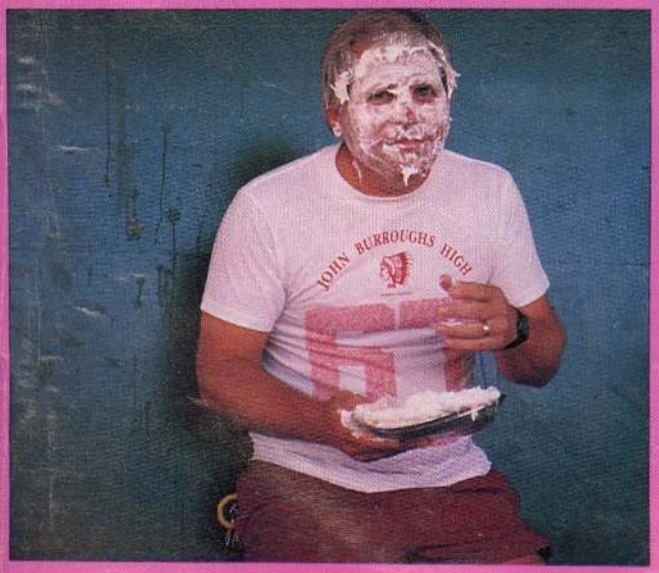

DON'T WORRY. . . BE HAPPY

HITS FROM THE PAST

Everyday we came to school and faced our teachers. Everybody had a favorite teacher. Who was yours?

WAKE UP SLEEPYHEAD!

We all knew how hard it was to stay awake, we all just walked around like zombies. And occasionally someone fell asleep - either in class, in the halls, or in the lunch area. So now that summer is here, why don't we all catch up on some very needed sleep!

Here we see Jeff Holdaway asleep in the lunch area.

HEY, IT'S A FASHION STATEMENT.

Everybody has their own fashion it says what we are and how we think about ourselves; that's why it's called a fashion statement. Some people dress in what some people call weird but they still think its cool. Friends dress in the same way as the people they hang around with. But this guy with a toilet seat on - that's a fashion statement that defies description!

HOMEWORK WAS A MAJOR PAIN.

Remember when your teachers gave you homework the week before and you just found out? And it was due the next day! Well, you won't have to worry about that for long, 'cause summer vacation's here. You can stop writing those essays, book reports, and taking tests. Just forget about it and relax.

No more homework until next year.

WE WERE ALL STRANGERS ONCE

We all had to do it sooner or later. Meeting new people was hard to do. It took guts and a feeling of confidence. Everybody did it, in their own special way. But what ever it was, it worked. So next time you feel lonely, just say "Hi!" and make the best of it.

PRINCIPAL'S MESSAGE

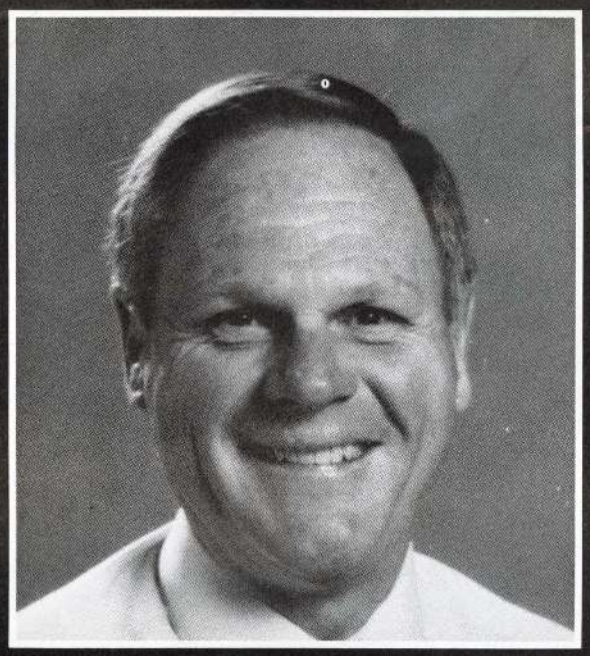

Here it is, the end of another school year. For those of you who are eighth graders, this is the start of the most exciting years of your life. I hope you thoroughly enjoy your summer and make a super start to a successful high school experience. To all seventh graders, I wish you a fun-filled summer and an eighth grade year filled with good friends, good times, and much learning.

I encourage each of you to keep this yearbook in a safe place, so that in ten years you can pull it out and look back on all of the neat time and wonderful friends you had here at Sierra Vista. I know you like this yearbook now, but believe me, you'll like it even better then.

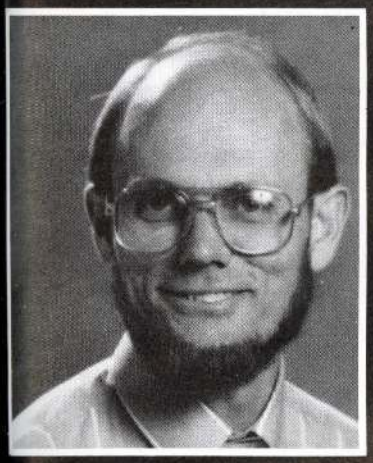

A special thanks to Ms. Lannes and the entire yearbook staff for doing such a great job on this year's book.
